Prepared Exclusively for The Journal.

George W. Leach has been keeping himself busy hauling wood during the past week.

Joe Banning was erecting with the assistance of R. D. Stine a windmill on the Stine farm last Monday. W. L. Stine was looking after some business matters in Plattsmouth last Monday, making the trip via the bus from here.

L. G. Todd and wife accompanied by Melvin were visiting Miss Alice at Lincoln last Sunday, driving over in their auto.

Miss Ruth Meredith of Omaha has been visiting at the home of Dr. and Mrs. Luxford, being their guest for over the week end.

R. G. Chriswiler was a visitor in Plattsmouth with the folks last Sunday and also visited with Uncle Geo. Shrader before he passed away.

Frank and Anna Bauer were visiting at the home of Mr. and Mrs. Harold Nickles, driving over to their home near Greenwood in their car.

James M. Palmer of Nehawka was a visitor in Union last Monday coming over to see about some matters pertaining to the taking of the agricultural census.

Mrs. Vesta Clarke was a visitor in Nebraska City on last Monday, going down to visit with her daughter.

HOGS!

Hog prices are soaring and it looks now like hogs are going to be the farmers' best bet.

Why raise pigs and then lose them? A few extra pigs will pay for a hog house.

Your county agent is sending out literature in regard to hog houses that will prove very beneficial in a financial way if you will follow the instructions on circular 14.

We will be glad to help you figure out the best and most economical individual or cononly house.

Come in and let us help you.

Mrs. Fred Borne and also care for her as the family are all sick.

Mr. and Mrs. E. W. Keedy were enjoying a visit at Omaha on last Sunday, driving up in their auto for the day and finding the roads not the worst and the weather fine.

Little Louise, daughter of Dr. and Mrs. W. J. Luxford, has been having a tussle with the flu, but is at this time much better and it is hoped will soon be in her usual health again.

John Finkel has just had installed by Mr. W. A. Harding a new six-tube Master Parmak radio, which he will enjoy and which will also be used as an adjunct to his business.

Mrs. E. McGowan and the children of Lincoln were visiting with friends for over the week end in Union and after having had a nice visit returned to their home the first of the week.

Mrs. J. N. Larch, who has been feeling quite badly for some time past, is reported as being some better at this time and hopes are entertained that she will continue to improve.

Miss Mildred Clark was a visitor at Auburn last week for a number of days, being a guest at the home of her sister, Mrs. O. W. Finney, where she enjoyed the occasion very pleasantly.

J. F. Wilson has been trimming trees at the home of Edward Dowler and also otherwise beautifying the place, getting ready for the coming of spring which is now knocking at our threshold.

Extra Agent McAllister of the Missouri Pacific was here working for a short time during the past week and on last Monday departed for Omaha where he was looking after some matters of business.

John Lidgett has built a hot bed and will in a short time have plants of all kinds for the farm and others who want them. Joe is a rustler when it comes to work and getting ready for the coming of spring. Do not forget the show which will be given at the M. W. A. hall on Wednesday, April 1, and followed by a social dance. See the bills which will be distributed and also the ad telling of the show in the paper.

A. L. Becker, who was in Kansas City last week where he accompanied a car load of cattle for his two sons, returned on last Friday and reports much warmer weather in the southland and the need of rain there also.

The children of Wm. Schomaker and wife who have been so very ill for some time are reported at this time to be showing much improvement and are getting along so nicely that it was deemed not necessary to longer retain the nurse.

Thus far the best record has been made by W. L. Hoback in the line of fishing for he really has caught some fish and while others have attempted the art they have not even gotten a bite. It pays to know how and "Uncle Billy" sure knows his business.

Alex Campbell of old Rock Bluffs was a visitor in Union last Monday coming to arrange for the funeral of the late George W. Shrader and to see the Rev. W. A. Taylor regarding conducting the funeral which was at Lewiston church on Wednesday of this week.

Mr. and Mrs. Ellis LaRue were visiting at Weeping Water last Sunday where they were guests at the

home of Mr. and Mrs. George Ellis, parents of Mrs. LaRue, and also visited with friends at Syracuse and returned via Nebraska City where they attended services.

Clarence Armstrong departed a few days since for St. Louis where he entered the Missouri Pacific hospital for treatment for hernia caused by extra exertion while working on the trucks of the road. It is hoped that he will be able to return and in good health in the near future.

Charles Atterbery was a visitor in Plattsmouth last week where he went to do some work on one of the county tractors at which he is an expert. When it comes to heavy machinery, Mr. Atterbery is one of the best as was demonstrated when he was in the employ of the county.

Mrs. Art Copenhaver was down from Plattsmouth last Monday and was arranging for a show which is to be given in the M. W. hall of Union on Wednesday, April 1, when the Plattsmouth Dramatic club will give a play, a most humorous one, which will be followed by a social dance.

The beginning of the farming season is keeping Bruce Wolfe on the hump all the time and then he is not able to keep up the work which is coming to his place of business except he has some help. At the present time Louis Burbee is assisting in the shop and by the way Louis is a rustler when it comes to doing his share.

Ye Editor C. E. Withrow of the Palmyra Items was a visitor at the home of his son, Mr. Elmer Withrow, last Sunday. Mrs. Withrow was along but stopped at Nebraska City for a short visit and came during the week for a visit. The editor having to return to take up his work at home this week. Mrs. Withrow visited also at Roy Mullis' at Dunbar and at James Roddy, east of Union.

Ralph E. Tley formerly of Alvo, where he has been for some time on account of ill health, arrived in Union with his family and will work for the Missouri Pacific, supplying the position which was left vacant by the transfer of Mr. E. McGowan to the Lincoln office. Mr. Tley comes well recommended and is an excellent railroad man having much experience and with the road in which he is at this time working.

M. S. Harley of Nebraska City, who a short time since purchased the farm of W. L. Stine, accompanied by his daughter, visited the place east of town the first of the week and looking after getting started in the work. They will put twenty acres of orchard out this spring and which will be followed later by another installment of apple trees, until all the farm has been put to growing fruit trees. The place will be beautified and will be adorned by some new buildings as well.

Parents and Teachers Meet
At the meeting of the parents and teachers association last Friday a most pleasant time was had and a number of out of town speakers were present. The Rev. Bradley, pastor of the Christian church of Weeping Water made the principal address and was also supplemented by an excellent talk given by Miss Gussie Robb of Union. Misses Margaret and Bernese Ann of Plattsmouth were here and materially assisted in the perfect program by their piano duet and readings.

Were Surveying the Crossing
An attorney from Omaha and a surveyor from Nebraska City were in Union last Monday and were surveying the crossing of the Missouri Pacific and the Washington highway at the point where Mr. Bacon with the car was struck by a Missouri Pacific train about a year since, the car being demolished and the man killed.

Will Play Nehawka
The younger set of the Union ball game have arranged to meet a like team from Nehawka at the Union grounds in the coming Saturday in the first contest of the season for baseball. They will expect to play throughout the season and will also play good ball, which will win in this initial game will be determined then.

Home From the Hospital
Last week the Rev. W. A. Taylor returned from stay at the Mary Brothers hospital at Rochester, Minnesota, where he underwent an operation and where he feels that he was done much good. Rev. Taylor surely appreciates the kind treatment.

ment which was accorded him there and cannot speak in too high terms of this institution. While there he was sent flowers and kind remembrances from the Order of Eastern Star of Plattsmouth of which he is a member and also from friends at Nehawka, Union, Wabash and Elmwood as well. He cannot express the wonderful amount of good these tokens of regard and honor did him while he was waiting convalescence in that far northern city. At every turn in the road he was met with evidences of kindness of friends both here and where he was. Knowing the expenses of such an ordeal are very costly, he was wondering how he would get through but after all expenses were paid and he had returned home he had one dollar left from that which had been given him by friends here. He also received the assurance that if it had required many times the amount that the money would have been furnished by his many very sincere friends. Rev. Taylor wants all his friends to appreciate the kindly feeling and spirit of thankfulness for the many kindly acts which came to him from these friends. He received some \$40 from friends at Wabash and Elmwood as well.

Will Hold One More Sale

The largest sale of the season will be held by Mr. E. E. Leach and will probably be on or about the 11th of the month. The exact date will be announced later. Watch for the date and the list which will comprise many things which you will need.

Building a New House

Mrs. Lucy Wolfe has let a contract for the erection of a new six room bungalow which is to be erected in a short time. The erection of the building will be done by that able contractor, Joe Bauer, while the materials have been purchased from the substantial lumber and material depot, the Frans Brothers' Lumber company of Union, who furnish the best materials.

Obituary

William Clarence was born on March 22, 1837, in Luxemburg, Germany. He came to this country about 1855, settling in Chicago. He left there about 1857, moving to Nebraska, where he settled near Union. There he has been a resident continuously since that time.

He was married to Miss Ruth Ervin on March 30, 1874. To this union were born six children, two having died in infancy. Those surviving are: Milton J. Clarence, Union; William H. Clarence, Union; Mrs. W. L. Stine, Omaha; Mrs. B. B. Everett, Nebraska City. He also leaves to mourn his loss: One sister-in-law, Mrs. Josephine Clarence; Mrs. Val Felthausner, a niece; John Clarence, a nephew; Harv Clarence, a nephew; Annie Crumes, a niece, and Miss Agnes Crumes, and one great grandchild.

In his early young manhood he was identified with the pioneer movement of the state and of the west, having been a plainsman, crossing and re-crossing the plains several times. In the settling of the west, and in many other ways, he suffered many hardships incident to the building up of the pioneer west.

On the 28th of July, 1917, he lost his companion and helpmate in life.

While Mr. Clarence was not an active attendant in any religious organization, yet he was a man of sterling quality and upright character.

On or about the latter part of the late winter or early spring of 1923 and 1924, Mr. Clarence became ill with a bronchial affection, having been a constant sufferer from that time until his death, March 23.

Should he have lived until the 28th day of this month, Mr. Clarence would have been 88 years of age.

It was esteemed a pleasure by all who were fortunate enough to know Mr. Clarence in his lifetime, and there will be many who will regret to learn of his death.

May we commend him to the care of an all-wise Creator.

MERRY WORKERS CLUB

The Merry Workers club of Eight Mile Grove met on March 12, at the home of Mrs. Ed G. Meisinger. Some twenty ladies were present.

The project for this year is Convenient Kitchens and its purpose is to find simple plans, methods and devices to lessen or make easier the duties of housekeeping and make the woman's workshop more attractive.

Miss Baldwin of the County Farm Bureau demonstrated three simple ways to clean silverware.

The leaders, Mrs. R. G. Kiser and Mrs. Alice Leonard, explained the use of the kitchen score card, the refurnishing of furniture and demonstrated the preparation of a dustless dust cloth.

The next lesson will be given at the home of Mrs. L. G. Meisinger on April 1. Anyone who wishes to become a member of the club, is welcome to attend this meeting.

SPECIAL DISPLAY OF FORD AUTOMOBILES, TRUCKS

This Week Featured by Ford Dealers Over the Country—Platts Moter Co. Joining.

The special display of Ford cars and trucks and Fordson tractors being held this week by Ford dealers, is attracting much attention from both residents of cities and those living nearby.

The week has been set aside by the Omaha branch of the Ford Motor Company for a complete showing of Ford products through the entire branch territory and dealers everywhere are participating.

Ford cars on display include both open and closed types and women especially have been enthusiastic in their comments on the closed cars. A feature of the week among those looking at passenger cars has been the interest manifest in the Ford Weekly Purchase plan.

Business men and farmers have been attracted to the display by the showing of Ford trucks and the new body equipment which the Ford Motor company is now providing. In addition to the popular all-steel ex-

press type with its screen sides and canopy top, the Company is now offering a stake body, which may easily be converted into a platform of good proportions. Provisions also are made for use of cattle and grain sides so that it fills many requirements.

The Fordson, first introduced as a farm implement, is now filling a great many industrial power requirements when used with special equipment and contractors, road builders and manufacturers are finding new uses for it right along.

The special display will continue over Saturday and all Ford dealers' show rooms will be open every evening until 9 o'clock.

PUSHES PLEA FOR PROBE OF GASOLINE PRICE RISE

Washington, March 23.—Senator Trammell, democrat, Florida, whose resolution to investigate the recent rise in the price of gasoline failed of approval at the last session of the senate, today asked the federal trade commission to make an inquiry on its own initiative to determine if there exists "any combination in violation of and contrary to the anti-trust law."

One way to relieve habitual constipation is to take regularly a mild laxative. Doan's Regents are recommended for this purpose. 30c a box at all drug stores.

ENGLAND AND FRANCE PLAN A NEW PARLEY

London, March 23.—Another European conference similar to that held in London last summer to put the Dawes reparations plan into effect but this year looking toward European political reconstruction rather than economic rehabilitations is the subject of negotiations between the British and French foreign offices.

Preliminary plans for such a conference which would be held in August, were revealed today as a result of much week-end newspaper speculation which intimated that new subject of disagreement had arisen between London and Paris on the subject of European securities.

Realization by the French and English governments of the necessity for finding a common basis upon which to build a new European security pact to replace the Geneva protocol is responsible for the move toward a general gathering of European statesmen in the British capital. The absence of the strong support of the United States, which was the greatest factor in the London conference of 1924, will be felt greatly by the British, but it is hoped, this will not prevent carrying out the plans now being considered.
