SELECTS JUDGES AND CLERKS FOR CITY ELECTION

CITY COUNCIL HAS SHORT SESSION AS 'DADS' CLEAR THE DECKS FOR ELECTION.

WILL PAVE THE BOULEVARD

John R. Webster Boulevard and Part of Twelfth Street to be Paved in the Near Future.

The session of the city council last evening was tamer than usual as far as the volume of exciting business was concerned and the members of the city legislative body were soon able to close their business affairs and get out on their way homeward.

The Plattsmouth Water Co. communicated with the council to the effect that the two hydrants on Oak street that had been frozen last winter were now ready for service.

The water company also notified the council that the hose used for washing the streets was leaky and caused the wasting of a great deal of water and should be remedied.

The judiciary committee of the council, through Chairman McMaken, gave the opinion of City Attorney Dwyer that he had examined the claim of Mrs. Myrtle Brittain for damages alleged to have been sustained when she fell on the sidewalk.

The judiciary committee also gave the opinion of City Attorney Dwyer that he had examined the claim of Mrs. Myrtle Brittain for damages alleged to have been sustained when she fell on the sidewalk.

The judiciary committee also presented a copy of the letter addressed to the board of control of the Nebraska Masonic Home relative to the closing of a portion of Timber street and in which the committee asked the turn from John R. Webster boulevard to Fourteenth street be made 100 feet wide and also that the residents of that vicinity be allowed to make connections with the sewer placed along the old creek bed.

The street and bridges committee through Chairman Frank M. Bestor recommended that the proposition to pave Webster boulevard be accepted and that a portion of Twelfth street to connect with the paving on Elm street also be included and which was accepted and the paving ordered.

Chairman Vroman of the fire and water committee stated that the city had prices on hose for use in flushing the streets and moved that city purchase 250 feet for this purpose and which was carried by the unanimous vote of the council.

Mr. Vroman also called the attention of the council to a matter of importance, that of having the water mains over the city connected up so that it would be possible to get good service in any emergency that might arise in his locality. He stated that the water mains were run through the Burlington yards and when the water was being used there that it was impossible to get water in the south part of town and also that when water was being used extensively in the main portion of the city the consumers in the west part of the city were unable to get water that might be necessary in the case of fire.

As the city election is fast approaching, the mayor announced that the councilmen make recommendations for judges and clerks of election for the following year, named and confirmed by the council:

First ward—Judges, William Haessler, O. C. Dovey, H. H. Shradler; clerks, Robert Walling, Miss Minnie Guthmann.

Second ward—Judges, J. J. Svoboda, N. K. Peoples, A. J. Janda; clerks, Charles Collins, Kalasek, Miss Pauline Liston.

Third ward—Judges, Mrs. William Heinrich, Mrs. Fred Lugsch, T. W. Glenn; clerks, E. J. Hild, Jesse P. Perry.

Fourth ward—Judges, T. E. Olson, John Weyrich, Alf Edgerton; clerks, Charles Peterson, Clarence Ledgeway.

Fifth ward—Judges, James B. Higley, Mrs. Ed Gobelmann, J. A. Pitz; clerks, Mrs. Edna Stiles, Mrs. Dora Trively.

Councilman Deitz reported that the light for the police signal was not here yet but was coming soon and he thought it would work very satisfactorily.

Councilman Biseck urged that the railing on the bridge at Fifteenth and Oak street be repaired at once as it was in dangerous condition and liable to cause an accident.

Councilman McMaken urged that the street commissioner open up all ditches along the main thoroughfares of the city and Councilman Deitz insisted that the street along the corner of Wintergreen Hill also be included in the general plan of opening up for the spring rains.

The following claims were examined by the finance committee and their payment ordered by the council:

Table with 2 columns: Name, Amount. Includes J. N. Elliott, street work \$52.80; John Maurer, same 27.22; M. B. Allen, same 28.20; George Taylor, same 49.50; Charles Renner, same 24.60; Walter Byers, same 3.20; C. L. Jeffery, same 14.40; John Eppings, same 6.40; Ray McMaken, same 10.12; Claus Boetel, Jr., same 10.12; G. M. Jacks, same 9.37; Carl Egenberger, same 9.37; Henry Perry, same 7.12.

Table with 2 columns: Name, Amount. Includes L. L. McCarty, gas to tractor 6.04; Plattsmouth Journal, printing 67.34; C. B. Lewis, meals to jail 1.75; J. J. Clويد, expense 3.25; Plattsmouth Fire department, nozzlemen 18.00; John Bauer, labor and material 12.49; C. Boetel, Sr., burying 2 dogs 1.95.

SUFFERS BROKEN ARM

Julius Hankinson, the little son of Mr. and Mrs. Ben Hankinson, is suffering from the effects of a very painful accident that befell him on Saturday evening while he was playing with some other children near the court house. Julius was climbing on the cannon that graces the lawn of the court house and in doing so he fell and caused a very painful fracture of the right arm that has given him a great deal of annoyance and pain and will compel him to keep that member in a sling for some time to come.

GIVES ADDRESS ON BENJAMIN FRANKLIN LAST EVENING

J. A. Dillinger at the High School Auditorium Last Evening Gave a Very Interesting Talk.

The fourth number of the Boy Scout yearbook course was held last evening at the high school auditorium, and one of the best numbers of the year was enjoyed by the audience and it is a matter of regret that there was not a larger number of the young people of the city present to hear the interesting lecture that was offered.

The lecture was given by J. A. Dillinger, vice-president of the yearbook company that is supplying the present course, and was based on the life of Benjamin Franklin, striking figure in the American life.

The speaker covered thoroughly the life of Dr. Franklin, his privations, the handicaps that he was required to overcome and his material contribution to the success of the American colonists in their struggle for independence.

The boyhood of Franklin, hard and bitter was pointed out, his apprenticeship in the printing trade at a tender age was also shown and his growing power in his writings and printed books that has immortalized his name as well as the desire for liberty among the colonists was touched upon by the speaker in the opening of his remarks. Of the service of Dr. Franklin as the envoy of the struggling colonies at the court of Louis XVI, the lecture paid a well deserved tribute to the great American in his statement that his efforts in France had made possible the keeping alive of the struggle against England and the final triumph of the new nation by the aid and support of the French people and nation.

The character of Franklin has a distinct place in American history and one that is not fully appreciated by the larger number of the people as he had none of the glory of military service or political officeholding, but nevertheless was one of the makers of the American republic.

DEBATE LEAGUE OF NATIONS AT HIGH SCHOOL MONDAY

Plattsmouth High School and South Omaha High Discuss Question—Visitors are Victors.

From Teacher's Desk—Yesterday afternoon the members of the debating team of the South high school of Omaha were here to debate with the members of the Plattsmouth team the question, "Resolved, That the United States Should Enter the League of Nations."

In the debate the local team was given the affirmative side of the question and presented very ably the reasons why this great republic should take part in the international efforts to create a permanent peace and eradicate the causes of war in the interests of humanity. The visitors had the negative side of the proposition and presented their cause with marked ability and which won for them the decision of the debate.

The debate was judged by Alexander McKee of Lincoln, member of the University of Nebraska debating team.

The Plattsmouth team was composed of Miss Helen Westcott, Willis Hartford and Damian Flynn and presented their side very ably and effectively and made a showing that was most pleasing to the young people of the school.

Mrs. George A. Dodge was a visitor in Omaha today for a brief time going to that city on the early morning Burlington train to spend a few hours.

J. C. Coleman was among those going to Omaha and Council Bluffs today where he was called to look after some matters of business for a few hours.

PLATTSMOUTH YOUTH TRYING OUT WITH UNI

Squad of Fifty Men Including Nine Letter Men, Trying Out for the Team.

Coach "Bill" Kline's baseball practice sessions, back of the Social Science building on the Cornhusker campus, resemble a Florida spring training camp, with a squad of over fifty candidates working out in preparation for the first ding at the national pastime next week when Kline takes his squad to Rock Island park.

Having just closed a successful basketball season, Kline believes his baseball proteges are set for a big season on the diamond. He has in suit enough veterans to form a nucleus for a winning machine, with enough new blood to bolster up the spots weak last year or left vacant through graduation.

Limbering up and "pepper" exercises have constituted the main part of the program on the campus, Kline reserving the real work until next week, when the squad invades Rock Island park.

Several yearlings of last spring promise a serious bid for varsity berths this year. This group includes Anderson, basketball letter man, who looked good on the freshman squad last year and who will try for shortstop; Joe Reavis, Falls City boy, who may handle the hot corner, and Jardine, a backstopper from Indiana.

Letter men back are Captain Ray Janda, Collins, Rhodes, the Lang brothers, Ekstrom, Volt, Patton and Hubka. The latter, however, is a member of the track squad.

The baseball squad includes: Outfielders—Collins, Wakefield; Hannon, Wichita, Kansas; Schewe, Murdock; Hughes, Omaha; Cameron, Omaha; Harney, Wagner, S. D.; Aegeter, Randolph; Ekstrom, Newman Grove; E. Rasm, Upland; H. J. Johnson, Cordova; Patton, Lincoln; Smaha, Ravenna; Jones, Lincoln; Thomson, Tilden; Hogobloom, Morefield, Iowa.

Infielders—Captain Ray Janda, Wagener, S. D.; Mathias, Volt, Omaha; Anderson, Wakefield; Gradorille, Plattsmouth; Schiefer, Goodland, Kansas; Adams, Ohiowa; Schram, Gretna; Clem, Gresham; Dresher, Omaha; Hahiback, Hooper; Kroell, Fairbury; Reavis, Falls City; Gibbs, Bayard.

Catchers—Jadine, Valparaiso, Ind.; Kendall, Summerfield, Kas.; B. Lang, Litchfield; A. Rasm, Upland.

Pitchers—Rhodes, Ansley; Higgins, Benkelman; E. Long, Litchfield; Domer, Ohiowa; Poole, Weeping Water; Poehop, Winston; E. Ache, Leigh; Edwards, Alexandria; Lincoln Star.

FIRE DEPARTMENT NOTES

Don't "jaywalk."

Don't hang your clothing near the stove or heater.

If any of the firemen have raincoats please return them.

Be careful that no curtains or draperies are near the gas light or flame.

Don't leave empty boxes back of stores for firemen to fall over in dark alleys.

Don't throw matches, whether or not sure they are out, into waste paper.

Don't park your cars on 6th street close to sewer inlets when it looks like rain or is raining.

Clean up back of your store building if firemen can get to your place without tumbling over something.

Always turn in the fire alarm at once, then try to put out the fire; don't let the fire get away from you before turning in the alarm.

Don't leave greasy or oily rags about, nor any accumulation of waste material where it can offer itself as fuel for an accidental fire.

If you use an oil stove or a gas or electric heater in your house be sure not to put it to near anything which it might scorch or fire. Extinguish it before leaving the room for any length of time.

NEW MEMBER ARRIVES

From Teacher's Desk—The Men's club of the St. Luke's Episcopal church yesterday received a new member for enrollment in their ranks. The newest member is a fine little son that was born to Father and Mrs. George D. Pierce, Monday afternoon at 12:40 at the Clarkson hospital in Omaha. The little son and the mother are both doing nicely and it is needless to say that the happy event has brought untold joy to the father and the many friends of the family in this city.

LODGE EMBLEM OUTPUT

VALUED AT \$10,000,000

Washington, March 22.—Further evidence to support the charge that Americans are a race of "imiters" was given in the report today of the census bureau of a survey of manufacturers of emblems and insignia. The 84 establishments engaged in the industry had a gross output in 1923 valued at \$10,500,000.

Peggy Paris Coats for Spring!

Smart Becoming Serviceable

All coat collections for spring can be divided into three parts—dress coats, everyday coats, sport coats. The silhouette in all is the same, slim and straight. They vary in their choice of fabric and type of trimming.

Dress coats choose twills, suede like fabrics, reps, combined with soft summer furs, with embroidery, braiding, groups of narrow pleats or tucks. Everyday coats take to flannels, ock-

assa chamowool, downywave and the life, often using fur trimming, pipings, pocket paneling. Sport coats, most severe of all, select mannish coatings, have plain lines, mannish collars and lapels.

Your choice of any of these groups in a wide range of styles.

FAIRVIEW CLUB ENJOYS VERY PLEASANT TIME

School House is Scene of Very Pleasant Social Gathering Last Friday Night.

The young people of the Fairview community gave a very delightful play at the school house the past week and which was presented with Miss Vera Rhordans in charge of the entertainment, which proved successful in every way.

There were twenty-four characters in the play, representing the types of character that one meets on the trains, and every role was well taken by the talented young people of the community club.

The school house was packed and in spite of the fact so many had to stand everyone seemed to enjoy the play to the utmost. The Fairview Gazette, brought on the train, was a real gossipy small town newspaper and was very entertaining and amusing, to some, while it proved somewhat of a worry to the young folks.

The audience was favored by several vocal selections by Miss Minnie Stohlmann of Louisville, who has a voice of rare beauty and sweetness and whose performance was well received again and assist in making the Fairview entertainments so enjoyable.

Mr. Urish, one of Cass county's old time fiddlers, gave several numbers accompanied by his daughter, Miss Geneva, on the banjo. Miss Geneva, on the banjo, who will come again and assist in making the Fairview entertainments so enjoyable.

Later, Miss Urish, with her banjo, and Miss Myrtle Fletschmann and Miss Elizabeth Tritsch with violins, joined the orchestra and Miss Evelyn Doty did her part by playing the piano.

The Ruby orchestra was present at the entertainment and fairly outdid themselves in the splendid music that they afforded and which added very much in the success of the occasion. Floyd, with his cornet; Bernard, with his banjo, and Miss Theina, at the piano, made the walls of old Fairview school ring with melodies.

Later, Miss Urish, with her banjo, and Miss Myrtle Fletschmann and Miss Elizabeth Tritsch with violins, joined the orchestra and Miss Evelyn Doty did her part by playing the piano.

The musical program started when the crowd began to gather and continued after the play until the members of the party were ready to wind their way homeward. Everyone felt that it was a real treat in the line of high class musical numbers.

The community of Fairview is fortunate in the fine neighborly spirit that prevails there, where there is help and encouragement for every project that is brought up. This spirit is what it takes to make a community club go and be the success that the Fairview club has been.

The Community club desires to thank the young people for their taking part in the entertainment. Try this on your piano, sung to the tune of Ed Ruby's latest song hit, "The Potatoes They Grow Small In Kansas."

O say can you bound old Fairview Pacific ocean is west of Fairview, Atlantic ocean is east and Canada north.

Peggy Paris gowns are specially patterned and excellently tailored and finished. Satisfaction is assured the wearer.

BRING IN YOUR PRODUCE
