TENNIS PLAYERS OF CITY PREPARE TO OPEN SEASON

Plattsmouth Tennis Club Holds Well Attended Meeting at Library Auditorium Last Night.

Last night, despite the rather unfavorable weather conditions prevailing, a goodly number of the tennis players of the city were in attendance at the meeting of the Plattsmouth Tennis Club held at the Public Library auditorium when plans were discussed for an early opening of the season in this city. A new board of directors was named consisting of A. H. Duxbury, Harley Cecil and Robert M. Walling, and R. J. Larson and R. H. Rehal re-elected as president and secretary, respectively, of the club. This year promises to be a banner one for tennis in this city as much enthusiasm is being manifested over the net game and a number of new players will be seen on the local courts this season to battle the old timers. It is also reported that a number of ladies expect to take up the game the coming year and the board of directors at its meeting next week will decide under what conditions they may play on the club's courts.

MRS. RAINEY POORLY

Mrs. Isabel Rainey, one of the aged residents of the city, has for the past few days been quite poorly, suffering from a severe cold and touch of the flu and while her condition is somewhat better today she is still quite poorly and requires constant care at her home. The many friends of this aged lady are hopeful that she may soon be able to show decided improvement.

PRESBYTERIAN CHURCH HOLDS YEARLY MEET

Names Officers for the Year and Also Enjoys Last of Church Mission Sessions Last Night

From Thursday's Daily: Last evening was held the last session of the 5th annual church school of Missions. The splendid suppers served each Wednesday night for the last five weeks, have been provided by the Ladies Auxiliary and the Q. Z. societies.

The congregation divided into three classes, the adult class assembling in the church auditorium, where they listened to a series of lectures on "China's Challenge to Christianity," clearly and concisely given by Miss Josephine Altman, Miss Isabel Hartley, Miss Pearl Staats and Supt. G. E. De Wolf.

The young people's class had Rev. McClusky as leader and used the text "Torch Bearers in China." Mrs. McClusky conducted the Junior class, using "Chinese Lanterns." On last night this class dramatized "The Fairy Dragon," a Chinese fairy tale, and also demonstrated several Chinese games used on the school grounds of China. The children looked very smart and attractive in their brightly colored Chinese costumes and displayed to the audience a real understanding of a number of the Chinese customs and properties.

Following this was held the annual meeting of the congregation. Reports from all the organizations of the church were read and showed the church to be in a splendid state of activity. The benevolent contributions of all organizations surpassed those of last year.

The church treasurer's report was read, showing the church to be in a good financial condition, practically no debt and a balance on the books. The women's societies showed a splendid amount out on interest. They are working and planning extensive church improvements later on.

The election of officers resulted in J. M. Robertson and S. S. Chase being re-elected as elders, D. C. Morgan was re-elected trustee, and J. K. Pollock elected as trustee to fill the place made vacant by the expiration of the term of T. H. Follrock. G. L. Farley was re-elected church treasurer. C. A. Rawls, Sunday school superintendent; Miss Pearl Staats, assistant superintendent; Miss Estelle Baird, pianist; Miss Helen Wurl, assistant pianist.

Mrs. W. J. Straight voiced a splendid appreciation of Mr. Rawls' work as Sunday school superintendent. The congregation by unanimous vote extended to him their appreciation and support.

The School of Missions has been well attended, the number each night being between 80 and 100. The leaders have all spent time in careful preparation of the subject and have brought the Chinese situation before the minds of the listeners in a pleasing and impressive manner.

The willingness of the women's society organization to co-operate in serving the suppers has added a small part to the success of the five weeks' effort along missionary lines.

SUSPECT FOREST FIRES SET IN NORTH CAROLINA

Asheville, N. C., April 3.—Forest fires burned over 3 thousand acres in the Bent Creek section of the Pisgah National forest and reports reaching here stated that four large fires were raging in Madison county. Forestry officials believe that some of the fires were started by persons against who proceedings have been instituted for trespassing upon hunting preserves and special government agents are co-operating with the foresters in an effort to run them down.

NERVES ALL UNSTRUNG?

Plattsmouth Folks Should Find the Cause and Correct It.

Are you all worn out? Feel tired, nervous, half-sick? Do you have constant backache; sharp twinges of pain, too, with dizzy spells and annoying urinary disorders? Then there's cause for worry and more cause to give your weakened kidneys prompt help. Use Doan's Pills—a stimulant diuretic to the kidneys.

Plattsmouth folks recommend Doan's for just such troubles. Mrs. P. A. McCray, 515 So. Sixth street, Plattsmouth, says: "While doing my work I became tired and felt weak and sharp pains through my back put me right down. When I stooped I became dizzy and black specks blurred my sight. I felt nervous and all out of sorts. My kidneys didn't act right, either. I used Doan's Pills and one box from Weyrich & Hadrich's drug store cured me of the trouble."

Mrs. McCray is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. McCray had—the remedy backed by home testimony. 60 cents at all dealers. PHIL BECKER IMPROVING

P. T. Becker, who has for the past few days been numbered among the sufferers with the flu, the prevailing spring malady, is now showing some improvement but is still confined to his home but hopes in a short time to be out and at his usual activities.

WESTERN FARMERS ARE TESTING BARLEY CROP OUT

Three New Varieties Are to Be Given Thorough Test This Spring By Farmery.

Sidney, April.—Twelve farmers of Cheyenne county are going to put in test plots of three new varieties of barley this spring under the direction of County Extension Agent L. D. Willey. Mr. Willey has brot in the seed from the Wyoming experiment station at Arden and Sheridan. All three varieties have outyielded common barley by several bushels to the acre in the tests that have been made in Wyoming. The farmers taking the tests are well scattered over Cheyenne county so that other farmers can notice how the new varieties grow and what yields they make.

Trebil and White Smyrna varieties have been obtained from Sheridan and the Horn variety comes from Archer. About an acre of the new seed will be planted by the cooperating farmer along side the common barley that he grows this year. He will harvest the plot separately and report to the county extension agent.

Barley for hog feed is becoming more popular every year in Cheyenne county, Mr. Willey says. The average yield is between 25 and 30 bushels for the common variety. If these three new varieties will yield two bushels more per acre than the common, it will mean more profit to the farmers of the county.

One farmer is trying a hull-less variety of barley to feed barley that he can grind with hull-less oats for his chickens. He is interested in getting a small grain feed that he can use for fattening young chickens before corn is ripe. Results of all these tests will be published when obtained.

VISITING HERE WITH RELATIVES

From Saturday's Daily: Mr. and Mrs. H. L. Lightbody, residing at Ninon and Marble streets, have in the last few days been enjoying a visit from a number of the relatives, Mr. and Mrs. A. J. Skyrme of Superior, Nebraska, parents of Mrs. Lightbody, and her sisters, Mrs. Ed Steel of Grundy Center, Iowa; Mrs. Joe Salisbury of Charles City, Iowa; Mr. and Mrs. Peck of Tekamah, Nebraska, and D. J. Skyrme of Franine, Wyoming, a brother of Mrs. Lightbody. While the parents were coming here, Mr. Skyrme was taken sick at Reynolds, Nebraska, with pneumonia and was brought here in very serious condition but now, fortunately, is getting along very nicely and well on the way to complete recovery.

HOOT MON!

The following lines are dedicated to Plattsmouth's most popular and progressive citizen, Searl S. Davis, upon his recent purchase of a specially ordered set of kiltly golfing togs from Scotland, which, so far, he has not had the nerve to don:

They tell me ye have started out the "Scot" to imitate. In kiltly togs and bonnet braw, thar's nae that can ye beat. But when ye whack the little ball across the putting green, The figure that ye cut, young mon, it's like nae never seen.

There's aye too many o' your kind that ay would Scottish be, Because the game we loe sae well, appeals to them an ye. But just a hint frae an old Scot who cannae see the sea, I'll tak mair than shoon an socks an breeks to make a Scot o' thee.

That's why we Scots wear our long you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. McCray had—the remedy backed by home testimony. 60 cents at all dealers. Foster-Milburn Co., Mrs. Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

WANT RAILROADS TO FURNISH PARTITIONS IN CARS

Farm Bureau Federation Asks Railway Commission to Make the Carriers Supply Them.

The state railway commission was engaged Wednesday in hearing the petition of the Nebraska Farm Bureau federation for an order requiring all of the railroads of the state to furnish partitions for live stock cars when the same are used for mixed shipments, as for instance hogs and cattle.

In such cases it is necessary that some sort of a barrier be interposed so that the larger may not trample upon the smaller, thereby occasioning grief and damage. At the present time the shipper must furnish the partition. Now he wants the railroads to build or buy a lot of partitions, distribute them about at strategic points from which they may be secured at a specially located station whenever desired and necessary.

The railroads object to this, because of the added expense involved and for various reasons of management and operation. At the present time the shippers are not so very careful as to what sort of a partition they put in. The result is that being thrown together as cheaply as possible they are often ineffective and loss happens. As the railroads are often careless about whether the partitions are well constructed or hold together.

FORMER PLATTSMOUTH LADY

From Saturday's Daily: The Journal has just received copies of two songs, "Off to Dreamy Dreamland," dedicated to Mrs. Marguerite Walters Johnstone, and "I Am the Lord Thy God," the words and music being written by Frank F. Fryberger of Sheridan, Wyoming.

The Plattsmouth public will be interested in these beautiful songs and the one especially as it is dedicated to a former Plattsmouth lady, Mrs. Johnstone being formerly Miss Marguerite Walters, daughter of Mr. and Mrs. Emitt Walters of this city. The music is published by the Johnstone Studio at Sheridan, Wyoming.

CLYDE PTAKE IMPROVING

The condition of Clyde Ptake, who is at the St. Catherine's hospital in Omaha, continues to improve, the latest reports from that institution state, and it is expected that in a short time the young man may be able to return home greatly improved in health as the result of the course treatment and diet that he has been given. The many friends are delighted to hear of the improvement in the young man and trust that he may continue to grow stronger and soon be able to enjoy his former good health.

MRS. HENRY FIELD DIES IN A BLUFFS HOSPITAL

From Saturday's Daily: Mrs. Henry Field, 46, wife of the president of the Henry Field Seed company of Shenandoah, Ia., died suddenly yesterday at a Council Bluffs hospital. She had been under treatment there since March 18. Mr. Field is operator of radio station KFNF, at Shenandoah.

Mrs. Field is survived by eleven children. They are: Frank of Council Bluffs; Mrs. Faith Lawrey, Hope Field, Phillip Field of Cooper, Ia.; Josephine, Mary, Jessie, Ruth, Georgia, John Henry and Letter, who are at home.

GRAVELING BONDS WILL NOT IMPOSE BURDEN ON CITY

Amount That Will Be Required to Pay the Amount of Bonds Will Be Very Small.

One of the leaders in the campaign for better and more permanent roads has prepared a statement of the cost to the taxpayer of the share that will be required in case the \$10,000 graveling bonds are carried at the coming election and which shows that the amount that each taxpayer will have to pay will be very small in proportion to the great amount of benefit that will be derived by the city in return.

On the basis of the \$1,000 valuation the amount of tax that will be required will be relatively small, 50 cents per thousand being the amount that will be required to pay off the bonds and give the city a great addition to their good roads system.

To the man having one thousand dollars in property the tax will be 50c and to the man with \$10,000 worth of property the cost will only amount to \$5, which certainly will be very little in proportion to the benefit received.

With this little cost to the citizens it seems that there should be little
