Spraying Plants for Plant Louse. Use a soap, kerosene solution. Disolve ¼ bar laundry soap in a little water, Add 5 gallons water and one pint herosene. Spray the tree well.

Grow the Pullets Well. Don't crowd chickens or let grow-

ng chickens crowd, cautions the Agricultural college. Crowding chicks esults in losses from lice and mite in estatio nto say nothing of the direct oss from the killing of many chickens outright. As the chicks grow olded and are weaned by the hen or wean themselves from the heat of the brooder, cull out the weaklings and the cockerals and provide roosts for the chicks, low, flat roosts at first. Chicks do not get crooked breast bones from roosting too early as is often though. If possible after the chicks have gotten started and been weaned from the heat, move the house or coop farther away where more range will be available and where the growing pullets will not have to take chances with the older stock. Unless extraordinary cor ditions are available hatch no chicks later than June 10, give better care and attention to those already hatched, and the results will be better

profits next winter. Use and Preparation of Whitewash. While whitewash is adaptable t many cleaning purposes, the Univer sity Agricultural college recommends it particularly for the dairy barn and the poultry house. Whitewash disenfects and gives a neat clean appearance to the covered walls, especially if the building in thoroughly cleaned before being covered. One precaution is given against getting the whitewash too thick, especially wash will crack and scale off and were present, and some of them went mites will harbor under the scales

Saul Begins His Work

For three years, Saul of Tarsus after his conversion and baptism, went to Arabia where he lived, it is supposed, in seclusion and where determined to give his life for Christ's sake. Here he remembering Yesterday afternoon the ladies of the things which he had done the Eastern Star kensington club against the Christ and the church, resolved and studied to make amends with a very pleasing number of the cause. After mature deliberation he returned to Damascus where he be-The chief business of the after- gan to preach and in the face of the noon was the election of the officers fact that he had there to arrest chosen: Mrs. H.
