Lugsch Cleaned It!

You can save last year's garments and you can save money, too, by sending them to Lugsch, the up-to-date Dry Cleaner. You will get them back looking as spick and span as if they just came out of the workshop.

Remember, also, before packing your winter garments away, to send them here to be Dry Cleaned. That will retain the fabric and keep Moths away.

Our Truck Calls for and Delivers
