MANLEY NEWS ITEMS

August Stander was looking after some business matters in Plattsmouth last Thursday afternoon, driving over in his auto.

Orris Schiefer and the family were attending the band concert which was given at Weeping Water last Thursday evening.

Wm. Rauth and son Herman and wife were visiting last Sunday at the home of Mr. and Mrs. James Tigher, who make their home at Pilsner, Texas, where he made a good sale of lands to parties at Blair.

On Sunday Rev. Higgins and his mother, Mrs. W. D. Higgins, spent the day in Omaha, going for the early morning mass which was being celebrated by the Rev. Arthur Taher, who was but recently ordained to the Priesthood at Baltimore on June 13th, and who will be assistant in the Omaha diocese. Rev. Higgins and mother were well acquainted with Father Taher and family in the east years ago.

Lightning Makes Display. Last Sunday morning during the storm, as the Rev. Higgins was standing on the porch of the Parish house watching the progress of the storm, the lightning struck the large tree at the corner of the St. Patrick's church, ripping much bark and some wood from the tree and stunning Father Higgins for a moment, but otherwise doing no damage.

Business is Good So says Jack Lenard, the blacksmith, who came to Manley a short time since and has been pounding away at the anvil, doing excellent work, and as he has found things good here he concluded he would purchase the business and accordingly has purchased the shop from Herman Dall, and will move the equipment to the building just north of the Manley Farm implement company building, where he can be found whenever wanted.

Manley Showing Gains Manley as a town is showing much energy and is making good in her improvement. Manley could also care for other business than what she has at this time, such as a garage and a drug store. There is in Manley a good active commercial club, and the following businesses represented besides the churches and school: One bank, two general stores, a blacksmith shop, implement house, a good lumber yard with a stock of hardware and two elevators. The town center of the county east and west. There is an excellent barber shop here, a pool hall and but a short time since an excellent physician has located here. Manley is surrounded by excellent farming and stock raising district and the visitor will find here excellent shopping opportunities and low prices. Manley is an excellent county town in which to have a home and to engage in business.
