CONTRACT ON LOUISVILLE ROAD GOES TO THE YANT COMPANY

Construction Work Will Start by August 25th and to be Completed by October 31st.

From Saturday's Daily—
The residents of Louisville precinct who were here in full force Friday had the pleasure of seeing the final steps in the letting of the contract for the hard surfacing of the main highways in their precinct.

There were five bidders for the job of the hard surfacing of 1.35 miles that came under the contract, the John Kearn Construction Co., the Western Bridge & Construction Co., the E. E. Anderson Co., and the Yant Construction Co. of Omaha, with the Modern Construction Co., of Plattsmouth being the bidders on the job. It was the general decision of the committee of the Louisville people that the surfacing be divided as to gravel and crushed stone and as they are paying the cost of the work their desires were taken up by the commissioners and the work accordingly figured under the contract.

The Yant Construction Co. bid on 90,000 yards of gravel at the rate of .144 per yard while on 52,000 yards of crushed stone the price was fixed at .174. The cost of the gravel construction was fixed at \$12,960, while the stone work was \$9,048. The total was \$22,008 which will give Louisville precinct a very fine system of roads of which they can feel proud and which will assure them of a means of travel that will be good in any season of the year and that they can travel when the desire moves them regardless of what the rest of the county may be doing in the sea of mud.

The enterprise of the people of Louisville precinct in voting their bonds and getting the roads constructed is certainly to be commended.

ELMWOOD PEOPLE ARE MARRIED THIS WEEK

Miss Mary Bornemeier and Mr. Ed Rosenow Are Married Last Wednesday.

On Wednesday morning, August 12, 1936, at the hour of 11 o'clock occurred a quiet home wedding at the home of Mrs. Catherine Bornemeier when her daughter, Miss Mary M., was united in the bonds of wedlock to Mr. Edward Rosenow, the ceremony being performed by Rev. E. H. Sohl of the Evangelical church, Plattsmouth, Mo.

The bride and groom then left for a short wedding trip to Colorado. The bride is a daughter of Mrs. Catherine Bornemeier of this city. She graduated from the Douglas County Nurses' Training school in 1915 and since that time has been active as a nurse. During the World War she served on a Red Cross unit at Camp Grant, Ill., during the epidemic and also at Belvedere, Ill., with two classmates during the epidemic of flu where she did most effective work. She was head of the Methodist hospital at Valentine, Neb., for some time and then returned home where she has since been engaged in her profession.

FORMER ELMWOOD CITIZEN PASSES HIS 95TH YEAR

John Weichel showed us a photograph of his former neighbor, John Hite, who owned and lived on a farm near his in the Alvo neighborhood some years ago. He sold his farm some time ago and moved to O'Neill, Neb., where he has been living with his daughter, Mrs. Will Lewis. Mr. Hite on his eightieth birthday plowed corn all day with a walking plow and made eight acres on that day. Ten years ago Mr. Weichel had a picture of Mrs. Hite and on his 95th birthday he received another one. Mr. Hite attributes his great age to plenty of work and good wholesome food. He is a remarkable man at his age and takes care of a large garden and enjoys the work.—Elmwood Leader-Echo.

ARE YOU ALL RUN DOWN?

Many Plattsmouth Folks Have Felt that Way.
Feel all out of sorts?
Tired, achy, blue, irritable?
Back lame and stiff?
It may be the story of weak kidneys!
Toxic poisons circulating about upsetting blood and nerves.
There's a way to feel right again. Help your weakened kidneys with Doan's Pills—a stimulant diuretic. Doan's are recommended by many Plattsmouth people:
Mrs. Ada Moore, of 410 Granite street, Plattsmouth, says: "After doing a little work about the house my back became lame and sore. I was constantly annoyed with a dull, gnawing ache across my back. Headaches were followed by dizzy spells and my kidneys were in a run down condition. They acted irregularly, too. I found immediate relief through the use of Doan's Pills from Weyrich & Hadraba's Drug store. An occasional use of Doan's keeps me free from any suffering."

Mrs. Moore is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Moore had—the remedy backed by home testimony. 60 cents at all dealers. "Gumless" and "Peerless"

From Saturday's Daily—
Edward Donat, long known as "Peerless Ed.", has a new title conferred upon him of "Gumless," as the result of the undue activities of a number of boys last night. Several bushes of sweet clover, \$25.00, on the south side of his building a machine wherein large and tempting balls of gum were stored and which could be secured by dropping a penny in the slot. Last evening when the gum was wrapped in the deepest slumber, the police, who were at the time at the upper portion of the street heard peculiar noises and noticed a group of boys near the Donat corner at Fourth and Main streets. As the police drew near the boys scattered and started to run and in doing so they dropped the slot machine that they had unscrewed from the holder. The glass globe of the machine broke and balls of gum rolled right and left, a very large number of the balls being recovered. The boys had not succeeded in getting the pennies out of the machine which had evidently been their desire.

If Mr. Donat replaces the machine it will probably be with one that will be removable, with greater ease so that he can take it in when they pull in the sidewalks at 9 o'clock.

FORMER LOUISVILLE LADY HONORED ON BIRTHDAY

Mrs. Amos Keiser, Formerly of That Vicinity, Given Dinner on Her 75th Birthday.

A birthday dinner in honor of the 75th anniversary of her mother, Mrs. Amos Keiser, was given on Monday evening, August 10, 1936, by Mrs. E. F. Pettis at her home at 1919 Prospect street, Lincoln. The guests friends of Mrs. Keiser and the occasion brought much pleasure and happiness to all present. The guest of honor was showered with congratulations and many good wishes for continued health and success.

The dinner was served cafeteria style, the tables being placed on the screened porch. The appointments were dainty and artistic and with the wealth of flowers presented a most attractive appearance. Mrs. Keiser was given a seat of honor, facing a most beautiful birthday cake with small colored candles. The cake was a gift of a neighbor, Mrs. R. S. Mocke, whose young grandsons, Bob and Tom Davies, with young Kenneth Jones, Mrs. Keiser's grandnephew, assisted in serving. These little boys are buddies and rendered excellent service and will come in for their share of commendation.

The menu was varied and consisted of many delicacies. A silver tray held in serving, was the gift of Mr. and Mrs. W. J. Bryan in the year 1910, sent to the Sorosis club of Lincoln from South America. This tray is loaned to each president of the club every year to be used by her during her term of office and is greatly prized by the club members, and Mrs. Pettis is president for the current year, she is much pleased to have this beautiful solid silver piece in her possession.

Mrs. Keiser received a number of beautiful gifts, including flowers, candles, cards and messages from absent friends. One letter from her son-in-law, C. W. Final, of Crookston, Minnesota, was read by the hostess as he is well known to them all. After the dinner and lighting the candles on the cake, Mrs. Pettis' nephew, Kenneth Jones, favored the guests with several musical selections on the lute and the piano. He is a gifted musician and plays with expression and accuracy and it was a delight to his listeners.

RAY LARSON GOES INTO QUARTER-FINAL ROUND OF PLAY

Plattsmouth Player at State Net Tournery Disposes of Two Hard Rivals Yesterday.

From Friday's Daily—
Great headway was made in all events of the annual Nebraska net classic Thursday afternoon and in spite of the two days' delay caused by rain, the tournament will probably be finished on Saturday as scheduled. In the featured match of the afternoon, E. E. Bearg, Husker grid mentor, disposed of Tom Elliott, West Point in straight sets, 6-4, 6-3. Just prior to this match, Bearg had eliminated his doubles partner, Bob Russell, in a hard driving contest that went straight sets. Bearg did not let up a bit when he got Elliott, but continued his aggressive driving and net game. Both players showed an uncanny knack of breaking their service. Their serves were about on a par, but Bearg made beautiful flat racket backhand passing shots and his drives were severe. Elliott, on the other hand, could not control his drive, most of the shots being from out of the corners.

Calvert Defeats Ellis
Alfred Calvert staged a great comeback when he took Ellis of Holdrege into camp, after losing the first set 6-1. Both players played carefully and there were many long rallies. Aggressive net play finally won for the York county entry. Ellis showed the result of his tournament experience by clever headwork, but once Calvert got under way, he could not stop him.

Snyder of Hastings and Langenberg of Walthill met early in the day and played a bitterly fought match. Snyder won the third and deciding set, but not until he had pulled out of several bad holes. Snyder won by rushing the net during the dying moments of the struggle. Paul Mahood, present singles champion, won two rounds, and as a result has advanced to the semi-finals. He eliminated Sehlneck and Phelps.

Larson in Fine Form
Ray Larson of Plattsmouth was in great form, putting out Mitten, 6-3, 6-0, and then springing one of the day's surprises by disposing of Snyder, the southwestern champion, in a tough three-set match. Larson passed the Hastings player in superb style, and although the final set was not as one-sided as the score would indicate, Larson scored a clean cut victory. His service was good, and his cross-court volley was particularly effective.

Mathewson of Walthill, the veteran of many a stirring court battle, again showed his ability to come from behind, when he put out E. Staley of Hastings, 6-3, 6-8, 7-5. Both played nice tennis all the way, mixing lobs with well topped drives, and scoring many kills.

Don Elliott won two matches during the day, defeating T. Waite of Seward, 6-2, 6-1, and Don Patterson of Arapahoe, 7-5, 6-4. Patterson's reverse service had Elliott bothered through the match.—State Journal.
