MONSIGNOR SHINE TO HOSPITAL

From Saturday's Daily—
Yesterday afternoon, Monsignor Michael A. Shine, rector of St. John's Roman Catholic church, departed for Omaha where he entered St. Catherine's hospital for treatment for a short time, having been in very poor health for the past few weeks. Dr. T. J. Dwyer, the specialist of Omaha, was here yesterday and after an examination of the patient decided that he could be cared for more conveniently at the hospital than at home, although his case is not considered dangerous but will require treatment for some little time. It is the sincere wish of friends here that Monsignor Shine may have a speedy recovery from his affliction as he has been in very poor health for some years past and has undergone several serious operations, one of which required his staying some thirteen months at the hospital.

CASS COUNTY FARMERS UNION ANNUAL PICNIC

Was Held Last Saturday at George Kraft's Grove—Attendance Large in Spite of Heat.

From Saturday's Daily—
The Cass County Farmers Union picnic took place according to schedule on last Saturday, September 19, at the George Kraft grove, just south of Louisville, and in spite of the extremely hot, dusty and windy weather, they had a record breaking crowd and everyone had a wonderful time.
A fine program had been prepared, but on account of the disappointment in not being able to secure a piano at the last minute, much of this excellent program was omitted. However, this gave the speakers little more time to exploit their views on subjects appropriate to the occasion greatly enjoyed.

The address of welcome was given by Roy Sickman, of Eagle, president of the Farmers Union of Cass County. A male quartet composed of Martin Grete, Walter Stohlmann, Edward Ingram, Jr., and William Stohman, Jr., rendered some very fine selections and were heartily applauded. The Vogler sisters, Misses Lola and Lonora, were present, as usual, and delighted everyone with their selections. The Weeping Water band furnished some of their fine music and received much applause and favorable comment, everyone feeling that the town of Weeping Water should be very proud to have such a band of fine musicians.

The main address was given by Mr. Jones, of Omaha, state organizer for the Farmers Union. Mr. Jones knows the ups and downs of the farmers and also knows what should be done to make the wheels run more smoothly on the farm and also how to make the farmers more easily, and all the many points along this line of interest to farmers and all business enterprises, were included in his talk. Mr. Purmenter, of Yptan, also prominent in Farmers Union projects, was present and gave an excellent address.

County Agent L. R. Shipes, of Weeping Water, was on the ground and assisted in welcoming the visitors to the picnic and did his part in making the affair the splendid success it proved to be. The dinner might be considered the big event and this was the usual bountiful banquet to which everyone did ample justice. A stand on the ground, conducted by Lee Cole, Henry H. Ragoss, Misses Leda and Lorean Ragoss and Edna Schoeman and Merle Ragoss, did a rushing business, the ice cold refreshments being in great demand on account of the extreme heat.—Louisville Courier.

PRESBYTERIAN C. E. RALLY BANQUET IS HELD

Very Large Number Present and Extremely Festive Occasion For Active Church Workers.

From Saturday's Daily—
The banquet of the C. E. society of the Presbyterian church last evening at the church parlors was an occasion that will long be very pleasantly remembered by all of the members of the party. The event was tendered the young people by the ladies of the auxiliary society of the church and was faultless in every detail.

The parlors as well as the tables were made beautiful by the wealth of the bright hued flowers of the late fall season, whose warmth of color furnished a pleasing setting for the occasion.

The Rev. H. G. McClusky, pastor of the church, presided over the program in a very clever and amusing manner, introducing each of the speakers of the evening with genial remarks. Those who responded to the toasts were: George E. DeWolf, "Come and Eat"; Roy Olson, "Cake Eaters"; Miss Marjorie Shopp, "Capricious Enrager"; Miss Edith Farley, "Careful Effort."

The various numbers of the toast list were interspersed with several musical selections including a piano solo by Miss Gretchen Warner, vocal selections by Catherine Schneider and Helen Sharp. Roy and Miss Marjorie Olson added to the pleasure of the program with a whistling number.

The main address of the evening was given by Dr. E. O. Westphal of Omaha, field representative of the Presbyterian board of Christian Education. Dr. Westphal understands young people and loves them and to take part in the association in their work very much and as the speaker for an occasion of this kind was most aptly chosen. The address was "Making Life Count" and was inspiring, uplifting and interesting, and was a number of witty illustrations, although seriousness was not lost sight of. Dr. Westphal is a gifted orator, a man with a message and the young people will want very much to hear him again.

A spirited song service led by Frank Cloldt was enjoyed by all. After spending a little time in social conversation and making the personal acquaintance of Dr. and Mrs. Westphal the C. E.'s departed for their homes, feeling their rally banquet had been a most delightful occasion and that their fall work had received a new inspiration. Feeling the loss of several who have left for college, they realize that new leaders must come to the front.

PAVING WORK ABOUT THROUGH

From Saturday's Daily—
With a few more days of favorable weather the paving program for the present year in this city will be completed, although the work was delayed somewhat this week by the rain and unfavorable weather conditions. All of the north side concrete paving is now in and the large concrete mixer and the force of workmen have been transferred to the south part of the city. Seventh street work from Granite to Rock has been completed and the only remaining part of the job that faces the Kerns Construction company is that section of the work on Rock street west from Chicago avenue to 12th street, three blocks, and the five blocks of curbing yet to install. The work has been carried out with dispatch and the contractor is hoping to have the paving all completed by the fore part of the coming week as far as the concrete is concerned.

TEACHERS TENDERED RECEPTION BY WOMAN'S CLUB

Methodist Church Parlors the Scene of a Very Delightful Gathering Last Evening.

From Saturday's Daily—
The Plattsmouth Woman's club last evening was hostesses at a very delightful social evening tendered to the members of the teaching force of the Plattsmouth schools and which served as a reception to the new members of the force who are here to take up their teaching this year. The delightful hospitality that marks an occasion of this organization was greatly in evidence at the reception and afforded a feeling of the greatest pleasure to all those who braved the threatening weather to be in attendance.

The committee had arranged a most entertaining program that was carried out in a very artistic manner by all the participants and served to add to the enjoyment of the occasion.

Mrs. Robert Reed gave one of her finished and artistic piano numbers as the opening selections of the program was followed by Mrs. Allen J. Beeson, president of the club, who extended the welcome and greeting of the club ladies to the teachers and their guests of the evening.

Two vocal numbers added to the enjoyment of the program, Joseph A. Capwell and Mrs. E. H. Westcott each offering a song that gave great pleasure to the party of friends.

Mrs. Joseph A. Capwell, one of the late summer brides, who has come to this city to make her home, was heard in a reading that was most artistically given and reflected the greatest credit on this talented lady.

Harvey Johnson, another new addition to Plattsmouth musical circles, was heard in a violin number that won the deepest appreciation of the members of the party.
Wafers and punch were served during the evening by the members of the club and which was very much enjoyed by the entire party.

STOP THAT BACKACHE!

Many Plattsmouth People Have Found the Way.

Is a dull, nerve-racking backache wearing you out? Do you feel older and slower than you should? Are you tired, weak and nervous; find it impossible to be happy, or enjoy the good times around you? Then there's something very likely it's your kidneys. Why not get at the cause? Use Doan's Pills—a stimulant diuretic to the kidneys. Your neighbors recommend Doan's. Read what that Plattsmouth resident says:

"C. E. Hitt, carpenter, South 10th street, says: 'I suffered with backache and I couldn't stoop over to pick up anything. Knife-like pains stabbed through my back with almost every breath and my back became sore from the constant pains. My kidneys acted too often both day and night and the secretions contained sediment. After using two boxes of Doan's Pills I was cured.'"

Mr. Hitt is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Hitt had the remedy backed by home testimony. 60 cents at all dealers. M. D. A. GIVES DANCE

From Saturday's Daily—
Last evening the M. D. A. of the local shops held their regular social meeting at the M. W. A. hall and which was interfered with to some extent by the rain and decidedly unpleasant weather conditions that made the night far from pleasant. The occasion was in the nature of a dancing party and while there was not a large crowd in attendance, all felt that they had a real time in the participation in the dances and social features of the occasion.
The music was furnished by the Gradville orchestra.

HENRY W. MILLER, PIONEER OF CASS, PASSES AWAY

Veteran of Civil War and a Resident of Elmwood For a Great Many Years.

It was with sorrow that word was received in this city of the death of Henry W. Miller, a former citizen for many years and one of her most highly respected men. It was on Decoration day that Mr. Miller paid his last visit to Elmwood and at that time although he was not in the best of health, he was feeling quite well and his death comes as a shock. Mr. Miller was a man of high character, fine ideals and was a good citizen and neighbor. He served his country in time of war and made a splendid record here. While in Elmwood he worked at the tinning trade and in this capacity worked for L. W. Roettger at his hardware and for some years after Mr. Roettger left Elmwood worked at the same place.

Henry William Miller was born in Germany, April 18, 1843, and passed on September 19, 1925, having lived to the ripe old age of 82 years, 5 months and three days.

Mr. Miller was a baby in his mother's arms when the family came to America, settling at Buffalo, N. Y., where the family lived for many years. His whole life was a busy one and he retained his vigor and mental capacities until the end which came at the home of his daughter, Mrs. W. L. Harris, in Kansas City, Missouri. He was among the first to enlist in the cause of his adopted country and served in the army of the Potomac until the end of the Civil war. His membership in the Grand Army of the Republic was held at Elmwood in Kanesaw Post, and it was his great delight to mingle with and enjoy the fellowship of his comrades of whom there are only two left in this post.

While on a furlough from the Union army he was married in Buffalo to Bena Wilber, February 12, 1863. Mr. Miller returned to the army and his wife came to Nebraska which was their home during their wedded life. To this union were born 12 children all of whom survive their parents except two who died in infancy. The wife preceded Mr. Miller to her final reward some three years ago.

Mr. Miller is survived by the following children: Mrs. Clara Fisher and Mrs. Charles Davis of Indianola, Iowa; W. L. Harris of Kansas City, Mo.; Mrs. Frank Grieser of Lexington, Mo.; Mrs. W. T. Hoover of Chicago, Ill.; Mrs. Frank A. Raker of Imperial, Neb.; and Mrs. F. J. Underhill, William P., George P., and Edward O. Miller, all of Lincoln, Neb.

These children with their families among whom are 24 grandchildren and a brother, George Miller, of Falls City, Neb., remain to mourn his departure.
Mr. Miller had many friends in and around Elmwood which was the family home for about 26 years. The remains will rest beside his faithful wife in the Elmwood cemetery until the resurrection morn.

Funeral services were held from the Church of Christ of Elmwood with the pastor, Rev. J. F. Hay, officiating. The services at the cemetery were in charge of the American Legion.

The wedding services were attended by a large party of the relatives and close friends of the contracting parties.

The bride was most winsome in a gown of whiteorgette, the overskirt being trimmed with lace and the gown was most fittingly finished with the flowing bridal veil of white lace, held in place by a wreath of orange blossoms. Miss Wurga also wore long white silk gloves and carried a bouquet of bride roses and lilies of the valley.

The bridal couple was attended by Miss Rose Wurga, sister of the bride as bridesmaid and Mr. Edward A. Connoan of Omaha, as best man.

Following the wedding Mr. and Mrs. Eagan were tendered a wedding breakfast reception at the home of the bride's sister, Mrs. James Newasok on west Locust street and where a large party of the relatives and friends joined in their well wishes to the happy young people.

Mr. and Mrs. Eagan departed this afternoon for Chicago where they will enjoy a short honeymoon before returning to Omaha where they will make their home in the future.

A lady of the greatest charm of personality she has made a host of the new happiness that has come to her.

Mr. Eagan is engaged in the electrical business in Omaha and at which he has been quite successful.
The friends of the young people in this community are joining in their hearty god wishes for the future welfare and happiness in the years that lie before them.
