ARE YOU ALL RUN DOWN

Many Plattsmouth Folks Have Felt that Way

Feel all out of sorts?
Tired, achy, blue, irritable?
Back lame and stiff.
It may be the story of weak kidneys!

Of toxic poisons circulating about upsetting blood and nerves.
There's a way to feel right again.
Help your weakened kidneys with Doan's Pills—a stimulant diuretic.
Doan's are recommended by many Plattsmouth people.

Mrs. Adah Moore, 410 Granite Street, Plattsmouth, says: "After doing a little work about the house my back became lame and sore. I was constantly annoyed with a dull, gnawing ache across my back. Headaches were followed by dizzy spells and my kidneys were in a run down condition. They acted irregularly, too. I found immediate relief thru the use of Doan's Pills from Weyrich & Hadraha's Drug Store. An occasional use of Doan's keeps me free from any suffering."

Mrs. Moore is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Moore had—the remedy backed by home testimony, 60 cents at all dealers, Foster-Milburn Co., Mrs. Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

ELECT BASKETBALL CAPTAIN

From Friday's Daily—
The high school basketball team last evening elected their basketball captain for the 1925-26 season, selecting for this position Sterling Hatt, the veteran left guard of the team.

Hatt has been a member of the team for the past three seasons, this being his last year on the team as he is a member of the senior class of the high school.

The selection of Hatt for this position is one that is well deserved as he has been one of the hard workers on the team and his services as guard on the team has been invaluable in the games that he has played in, checking the attacks of the opposing teams and his aggressive game has aided in the winning of a great many contests for the Plattsmouth high school team.

Woman's Club Has Enjoyable Time Last Nite

Charming Home of Mrs. L. W. Egenberger Scene of Most Delightful Gathering of Members.

From Saturday's Daily—

The combined business and social meeting of the Plattsmouth Woman's club was held last evening at the home of Mrs. L. W. Egenberger on Vine street and proved one of the most pleasant events that the club ladies have enjoyed in many months.

The business session was presided over by Mrs. Allen J. Beeson and was followed by the enjoyable program that had been arranged.

Vocal selections were offered by Miss Florence Frahm and Mrs. James T. Begley, both being very artistically given, while the piano-accompaniment solo of Mrs. Millie Bullin proved one of the big features of the evening of rarest enjoyment to all of the party.

Paul and Andrew and Jones also entertained the ladies with several barjo selections that added to the pleasures of the evening.

Not the least of the features of the evening was the review of the latest book of Bess Streeter Aldrich, of Elmwood, "The Rim of the Prairie," which was given by Miss Bosse and discussion of which was had by the members.

The story is one that carries through its pages the life and spirit of Nebraska, the middlewest, its people and characteristics are found in every page of the book, it bringing closer to the hearts of the readers the wonderful men and women who have made the history of the great west, the pioneer touches with the story of the later years in the prairie states forming a most wonderful love story.

In the manner of its presentation the review gave added interest to the meeting and many comments were offered on the book by the members of the club.

At a suitable hour Mrs. Egenberger served very dainty refreshments that were enjoyed to the utmost by the sixty ladies who were in attendance at the gathering.

DOGS ARE A PEST

From Saturday's Daily—
In the past two weeks the daylight hours along Main street have been marked by the activities of droves of dogs that certainly have tried the patience of the pedestrians as well as those who were attempting to drive autos up the street in the midst of the howling, snarling and barking wolf pack.

The dogs have terrified the pedestrians by staging fights along the sidewalks and making themselves most annoying in every way.

With loud barks and snarls the dogs will for a moment forget their tribal warring and dash out in the street, racing along and howling and barking at the passing cars, making it annoying and dangerous for the drivers of the autos, and it is surprising that the drivers have been able to escape hitting the dogs that infest the streets all day long.

It would seem that the public should have some protection from the dogs and the owners if they desire to keep the animals would have them kept at home and not make the main street of the city their dwelling place and play ground. The city authorities should look into the matter and see if there is not something that can rid the business section of this nuisance that prevails during the day time in the main part of the city.

SURPRISE SUPERINTENDENT

From Saturday's Daily—
The officers and teachers of the Presbyterian Sunday school surprised their diligent superintendent Mr. C. A. Rawls, by walking into his home on Thursday evening at 8 o'clock with well filled dishes of victuals and invited Mr. and Mrs. Rawls to take supper with them.

A little game to test the wisdom of the bible teachers as to their fund of biblical knowledge gave most considerable delight.

Items of business were attended to, and a mid-winter Sunday school picnic proposed. Mr. Rawls was completely surprised and cheered with this cordial demonstration on the part of the officers and teachers of their high regard of his efficiency.

FIRE AT FRADY HOME

From Saturday's Daily—

This morning the residence of Mrs. Virgie Frady, in the north portion of the city, was the scene of a very serious fire that did a great deal of damage to the property altho the members of the family are unable to give an exact estimate of the amount of the loss.

The fire when first discovered had gained considerable headway in the stairway leading to the second floor of the home and it was with the greatest difficulty that the blaze was extinguished.

The origin of the fire is unknown altho it is thought that it probably originated in clothing coming in contact with an electric wire or in matches that might have come in contact with the hot water pipes and which caused them to light.

The fire department was called to the scene of the fire and assisted in the extinguishing of the blaze and in saving the home.

M'LAUGHLIN SEES MERIT IN THE HAUGEN BILL

Washington, Jan. 15.—Commenting upon the Haugen bill today reported out of the house agricultural committee Congressman McLaughlin, Nebraska, expressed the following views:

portunity for the farmers under the helpful direction of the department of agriculture to permanently remedy their condition within the next ten or fifteen years. But there are two other steps that must be taken by this congress to afford the immediate relief necessary namely, to create an export corporation for the purpose of handling the surplus and to take necessary steps to make the tariff on agricultural products really effective.
