

# MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

O. J. Pothast and the family were spending last Sunday at the home of friends in Lincoln, they driving over to the capital city in their car.

Will A. Schute was a visitor in Plattsmouth last Wednesday where he was appearing as a witness in a case then before the court in the county seat.

W. T. Weddell has been feeling quite ill for a week but is at this time feeling much better and is able to be about and looking after the affairs at the elevator.

Gust Wendt was a business visitor at Fullerton during the latter portion of last week, where he went to look after some matters regarding a farm which he has in that neighborhood.

Mrs. B. L. Amgwer, who has been visiting in Council Bluffs and Omaha for a number of days returned home last week and reports of having enjoyed a most excellent visit while away.

Last Wednesday Henry Hineman and wife and Victor Heineman were visiting and looking after some business matters in Plattsmouth, they making the trip via the car of Victor Heineman.

Mr. and Mrs. H. F. Schweppe were visiting in Plattsmouth last Wednesday driving over in their Buick for the day having some business matters to attend to, and also were looking after some matters at the court house.

George Brockmuller of Modale, Ia., who was here visiting, who had his hand so seriously injured in a planer, is reported as getting along nicely at this time, but with the hope that the rest can be saved, though another is very badly injured.

Mrs. A. R. Hornbeck, who has been at home now for some time, is reported as getting along nicely and it is hoped she will have regained her accustomed health in a short time. Her many friends in Murdock and vicinity are pleased that their friend is making this satisfactory progress.

Herbert Oehlerking and Donald Freidenberg, who are living over on the Weeping Water creek, are preparing for the coming farming season. They are building machine sheds which have large enough dimensions for a residence of both these young men for the structure is 40 by 40 feet. It is thought that they will have the structure completed by the time spring comes.

A carpenter gang of the Rock Island was here for a number of days and did some work for the company among which was the moving of the car bodies which the track workers have been living in a greater distance back from the railroad tracks, and on last Saturday departed for South Bend where they also have

some work in the carpenter line to do for the company.

Grover C. Rhoden of Manley was visiting in Murdock last Friday and was looking for a house in which to reside. He is engaged in selling medicine and remedies and is now residing in Manley. Mr. Rhoden would make a good citizen for Manley or Murdock either, he having been residing near Mynard where he has been a most dependable farm hand for a number of years.

The ice harvest was on to some extent last week when under the supervision of Harry Gillespie the ice was stored for Harry McDonald, and Harold W. Tool, and a most elegant article for the coming summers' use has been stored. A. J. Bauers and John Kruger with a number of others whom we did not hear the names of were working at the W. O. Schewe lake and E. W. Thimman with the big thirty-fifth anniversary of teams were doing the hauling.

The annual meeting of the stockholders and directors as well as the officers of the Farmers and Merchants bank of Murdock was held last week with the result that a dividend was declared and the officers who have been in charge of the affairs of the bank re-elected. The officers of the bank as they now are, Albert vice-president, William Heier, vice-president, O. J. Pothast, cashier, with L. Neitzel and E. L. Pothast, members of the board, with the other officers which constitute the entire board.

### Celebrate Wedding Anniversary.

Last Friday at the home of Mr. and Mrs. Herman R. Smith was celebrated the thirty-fifth anniversary of their marriage, which occurred at the home of her parents, Louis Elehoff near Louisville, on the 22nd of January, 1891, when Miss Agnes Elehoff became the bride of Mr. H. R. Smith. They have lived here where they have a host of friends and here a family has grown up around them, all married but the youngest, Miss Hilda Smith, who is at home with the parents. There were present at the celebration of the anniversary of the wedding, Louis Smith and family living just outside of the city of Murdock with their daughter, Geraldine, and son, Keith, Mr. and Mrs. William Winkler and their daughter, Betty Jane, of Elmwood, Robert Stock and wife, of near Greenwood and their son, Arlo, Mr. and Mrs. Gustav Strath, of Murdock, and Mr. Otto Elehoff and family of north of Murdock, and Miss Hilda Smith of Murdock.

**Played a Great Game.**  
The boys and girls basketball teams of Papillion were in Murdock last Friday evening and played with the team of Murdock with the success which brings victory, for while the Murdock team played excellent basketball, they were defeated by the visitors who seemed to have a lot of pep and go. Following the completion of the games a luncheon was served to the visitors which was also enjoyed by the local team. The scores which were recorded at the end of the games were: Papillion 17, Murdock 14; girls, Papillion 47, Murdock 23.

**Did Not Understand the Name.**  
Postmaster L. B. Gorthey and family were visiting last Friday evening at the home of Mrs. Gorthey's mother Mrs. George Vanderberg, south of Murdock for a short time in the evening and on this hangs a story. The writer had been discussing the mat-

ter of better service of his Ford car, and when arriving at the hill south of the Vanderberg home, coming north, the car like the little child which has gone to bed in the evening and does not want to go to sleep, asked for a drink. Well we took our canteen, and went over the hill to the Vanderberg home for a drink for the Ford, and the accommodating postmaster came out and volunteered to take us back to the animal (Ford) and then pulled us to Murdock, the little daughter of Mr. and Mrs. Gorthey asked her mother who was that man. The mother replied, "Why that is Mr. Briggs," and little Irene mis-understood and said to her mother, "Did he have 'Maggie' with him." She must have been reading "Bring-ing Up Father" in the Omaha Bee.

### Hears of Mother's Passing Away

Last week the word was received in Murdock of the passing of Mrs. Brockner Odgen, Utah, who was the mother of Mrs. Will O. Schewe, at the age of 75 years.

The cause of death was not stated but that the funeral would be held at Kearney, the father of Mrs. Schewe has rested since his death, some six-teen years ago in that place. Mrs. Schewe departed for Kearney and was there for the funeral. Mrs. Schewe has the sympathy of her many friends, and about Murdock who deeply sympathize with her in her loss. Her father was an evangelist and conducted a series of meetings in Murdock many years ago and will be remembered as a powerful speaker.

**Here on a Visit.**  
E. J. Gordon and wife the latter the daughter of Mr. and Mrs. George Utz, who have been making their home at Tulsa, Okla., where Mr. Gordon has been engaged in the oil business, have sold out and are visit-ing at the Utz home for the present. Mr. Gordon will expect to locate in this portion of the country in the near future, but he may go as far south as Kansas City or he may find a location in this immediate portion of the country.

### We Appreciate Our Friends.

In another article we mentioned the kindness of Postmaster Gorthey in assisting us in getting into Murdock on last Friday evening, and saved us from letting our Ford stand by the side of the road, for which we ex-press our thanks. Just about noon Saturday we held a very confidential conference with our motor car and it really gave us to understand that it would pull us to safety to our home before dark.

**Stockholders Will Meet.**  
The eleventh annual Stockholders Meeting of the Murdock Farmer's Union Elevator Association will be held on February second at one thirty in the afternoon at Murdock, Nebraska, all members are urged to be present as business of importance to all is to be transacted. There will be an election of four members of the board of directors and other important business which is to come before the meeting.

**Many Interested in Hearing.**  
The case which was on trial at the county court on last Wednesday and Thursday at Plattsmouth where August Thimgan was plaintiff and W. H. Gamilly was defendant, there were many interested and a large number of witnesses from this neighborhood were in attendance. There were there for the trial many neighbors and others interested in the results of the hearing.

**POTATO PRICES SUFFER RELAPSE**  
Chicago, Jan. 21.—Potato prices have suffered another relapse. However, there is no chance yet for potato pancakes to undersell corn cakes.

**SPILLMAN WANTS CRIME DATA**  
Lincoln, Jan. 19.—Elimination of technical defenses and keeping of more adequate records of crime in both state and nation were given as important steps toward better law enforcement by Attorney General O. S. Spillman in an address Monday night before the annual meeting of the Nebraska Association of County Fair Associations.

**CLAN SUES OVER RIGHT TO TITLE**  
Indianapolis, Ind., Jan. 22.—A legal battle over the rights of any other organization than the Knights of the Ku Klux Klan of America to use the word "Klan" in its corporation name began in United States district court here Thursday.

**Stockholders Will Meet.**  
The eleventh annual Stockholders Meeting of the Murdock Farmer's Union Elevator Association will be held on February second at one thirty in the afternoon at Murdock, Nebraska, all members are urged to be present as business of importance to all is to be transacted. There will be an election of four members of the board of directors and other important business which is to come before the meeting.

## Long Fight on Tax Measure is Promised

Senator Norris Announces His Battle Cry on Certain Sections of the Measure Offered.

Washington, Jan. 20.—With the opposition promising "a long fight," the compromise tax reduction bill drafted by the senate finance committee was laid before the senate today in the midst of the world court debate.

Chairman Smoot of the committee told the senate he would call up the bill at "an early date" but would not ask for its consideration before Monday and if an agreement is reached meanwhile fixing a date not too far in the future for a vote on the world court he would be willing to wait until that had been taken.

Announcing opposition to the bill's provision for repeal of the inheritance tax as well as many other of its provisions, Senator Norris, republican, Nebraska, author of the income tax publicity provision in the present law which would be repeated, declared there would be "a fight—a long fight" on these sections of the bill. His views on the inheritance tax are known to be shared by a considerable group of senators of both parties.

### Hope to Avoid Delay.

Hoping to prevent delay in final passage of the bill so tax reduction might be taken advantage of by March 15, when first income tax installment is due, proponents of the measure asserted today they would like to have the world court voted on immediately so that opponents of this proposal could not use the tax bill for postponing a vote on adhesion to the court.

Senator Reed, democrat, Missouri, one of the opponents of the world court, suggested to the senate that it take up immediately the revenue measure, declaring he was ready to aid in bringing about its early passage.

The compromise reached by the republicans and democrats of the committee which increased the total amount of reduction voted by the house by more than \$20,000,000, continued today to present a trouble problem on how to meet the in-crease.

## Coolidge Urges States to Join in War on Speeders

President Coolidge Asks All Governors to Co-Operate to Eliminate 24,000 Auto Deaths Annually

Washington, Jan. 21.—President Coolidge Wednesday appealed to all states to engage in a nation-wide campaign against the tremendous auto death wave, which last year killed 24,000 people and caused injuries to 509,000 more.

In a letter to the governors, urging them to send delegations to the national conference on street and highway safety, to be held here under direction of Secretary of Commerce Hoover on March 23, 24 and 25, he said:

"I scarcely need refer to the importance of the subject at issue. Nearly 24,000 of our citizens were killed and probably 500,000 hurt by street and highway accidents during the last year. Therefore, constructive changes of opinion, development of traffic control and safeguards, becomes of the highest importance.

"The control of highways is, of course, a matter of state and not of the national government, but it is my feeling that conferences of this character between state officials and various voluntary associations interested in the problem result in valuable contributions to the progressive solution of what is a very difficult question."

**SPILLMAN WANTS CRIME DATA**  
Lincoln, Jan. 19.—Elimination of technical defenses and keeping of more adequate records of crime in both state and nation were given as important steps toward better law enforcement by Attorney General O. S. Spillman in an address Monday night before the annual meeting of the Nebraska Association of County Fair Associations.

## Blue and White Loses First Game of the Season

Defeated Last Night by Beatrice on Their Floor—Play at Auburn This Evening.

From Saturday's Daily—The Plattsmouth high school basketball team lost its first game of the season last evening on the floor of the Beatrice high school when the large and fast Gage county team that is making a strong bid for class A honors at the state tournament this year, knocked them off by the score of 30 to 12.

The six foot ten inch center of the Beatrice team proved the undoing of the locals as his reach in the playing of the center position and his uncanny skill at laying the ball in the baskets piled up a heavy lead for the Beatrice aggregation.

In the first half the Beatrice team piled up a score almost as strong as that of Plattsmouth here against the Nebraska City team, as the tally at the middle of the game stood 16 to 3 in favor of Beatrice.

The Plattsmouth team played a stiff game but the tall and fast players of Governor McMullen's home town were able to continue their winning pace, although Plattsmouth stiffened and were able to add to their scoring.

This evening the Plattsmouth team will play at Auburn with the aggressive and fast team of that place and the result of this game will be watched with much interest by the fans here.

## WHY SUFFER SO?

Get Back Your Health as Other Plattsmouth Folks Have Done

Too many people suffer lame, aching backs, distressing kidney disorders and dramatic aches and pains. Often this is due to faulty kidney action and here's danger of hardened arteries, dropsy, gravel or Bright's disease. Don't let weak kidneys wear you out. Use Doan's Pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Plattsmouth cases:

Leland O. Bennett, who resides in the west part of the city says: "Heavy lifting together with exposure weakened my kidneys. My kidneys acted so freely I had to get up several times at night and the secretions were in my passage. My back became so lame and sore I could hardly work, and a dull, gnawing ache made me lose my sleep at night. After using one box of Doan's Pills from the Mazy Drug company, I was relieved and I am not subject to these attacks any more."

Mr. Bennett is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mr. Bennett had—the remedy backed by home testimony. Get cents at all dealers. Foster-Milburn Co. Mfrs., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

### DOGS ATTACK CATTLE

From Thursday's Daily—

This morning about 3 o'clock Ted Wiles who resides a mile west of this city on the Louisville road was aroused from his peaceful slumber by the barking of dogs and the disturbance that they were making in the farm yard and which growing in volume decided Mr. Wiles to investigate.

As Mr. Wiles came into the farm yard he was startled to see a pack of barking and snarling dogs that had attacked one of the cows, having worked the cow away from the other members of the herd and were jumping at her attempting to pull her down and with the intention of killing the cow.

As Mr. Wiles saw the situation he started to run toward the fighting mass of dogs and fell, the shotgun that he was carrying being hurled from his hand and to some little distance. While Mr. Wiles did not get to shoot any of the dogs he had the effect of scaring them away and they broke and ran leaving the cow that they had attacked and which was saved only by the prompt appearance of the owner on the scene, as in a few moments more there would have been a kill made by the dogs.

The packs of dogs running over the farms in such numbers constitutes a very great danger to the stock not only on the farms adjoining the city but also to the residents of the outlying districts of the city. This is the first case reported where the pack has boldly attacked the stock and the owners and shoot off a few of the dogs as an object lesson to the other canines that may be roving over the country.

Paul Lompke and George Caldwell departed this morning for Omaha where they will spend the day in that city visiting with Maynard Tritsch and where Paul will also have his injured arm dressed.

Try Journal Want Ads. It pays. They tell the world about it through the Journal Want Ad column.

### RECOVERING FROM ILLNESS

From Thursday's Daily—Miss Catherine McClusky who has been confined to her home for the past two weeks with a severe illness is now able to sit up part of the time and with the continuance of the present improvement it is hoped that she may soon be able to resume her school work. The many friends of this popular young lady will be pleased to learn that she is doing so nicely and trust that she may be able in a very short time to resume her usual activities.

### SHOWING SOME IMPROVEMENT

From Friday's Daily—Miss Margaret Lillie who has been very ill with pneumonia for the past several days is now showing some improvement and it is thought now that she will soon be showing some permanent improvement that will permit of her early recovery. The many school friends of Miss Margaret have missed her very much and are hoping that she may soon be able to resume her school activities in the next two weeks as she is doing very nicely at this time.

## Firemen Conclude Convention Last Night

Banquet Thursday Evening Ends Annual Convention of Volunteers—Next Meeting at Columbus.

From Friday's Daily—Alliance, Neb., Jan. 21.—Officers were elected, resolutions were adopted, the closing business of the state volunteer firemen's association cared for and a big banquet held here tonight as the closing event of the volunteer firemen's association convention for 1926. Columbus was chosen as the next state convention city. J. W. Guthrie was toastmaster at the banquet. Special and regular train tonight carried the firemen to their homes, leaving after the banquet.

A. W. Friedman, of Columbus, was elected president of the association. Other officers are: J. G. McGowan, Norfolk, first vice president; Lloyd C. Thomas, Hastings, second vice-president; H. A. Webber, Kearney, re-elected secretary; H. H. Bartling, Nebraska City, treasurer, and J. G. Cleland, Fremont, chairman of the legislative committee. Cecil Gates of University Place was made chairman of the memorial committee.

A resolution was passed which requests that the state compensation laws be amended to include volunteer firemen.

### SAM SAVILLE PASSED AWAY

Sam Saville, father of John Saville, who had been sick for some weeks passed away at the home of his son in this city on Monday evening. Mr. Saville had lived at Blue Rapids, Kansas, for many years and was a progressive and successful farmer of that place. He was born in the year 1847, and at the time of his death was 78 years of age. He leaves a wife and six children and many other relatives and friends to mourn his departure. The remains were taken to Blue Rapids, where funeral services were held on Thursday and the remains interred in the cemetery there.—Elmwood Leader-Echo.
