

Funeral of Mrs. Jess Elliott Held on Wednesday

Services at the First Methodist Church Largely Attended by Friends of the Departed.

From Thursday's Daily—Funeral services were held from the First Methodist church of which Mrs. Elliott was a member Wednesday afternoon at 2:30. Rev. Pfoutz used "They shall rest from their labors" as a text from which to bring comforting words to the bereaved family. Mrs. Roman sang "One Sweetly Solemn Thought" and "We Are Going Down the Valley One by One." Interment was in Oak Hill cemetery.

Nettie Augusta, who was the daughter of Asbury and Virginia Jacks, was born at Hamburg, Iowa, February 10th, 1880. She grew to young womanhood in the community where she was born, and in the year 1900 she was united in marriage to Jess N. Elliott of that place. Four years later Mr. and Mrs. Elliott moved to Plattsmouth, Neb., where they have since resided.

Mrs. Elliott was the mother of five children: Mrs. Velma Duly of this city, Floyd A. of Omaha, and Mildred and Lila Jane, at home. There are also two grandchildren, Phillis Marie and Alfred Duly, Jr.

Besides the husband and family those left to mourn are the father, Mr. Asbury Jacks, an two brothers and five sisters, Mrs. John Elliott, Plattsmouth, Silas Jacks, of Dallas, S. D., George Jacks of Plattsmouth, Miss Myrtle Jacks of Lincoln, Neb.

Mrs. Edward Trively of Plattsmouth, Miss Loleta Jacks of Monte Vista, Colo., and Mrs. Leslie Cram of Craig, Nebraska.

Mrs. Elliott held membership in the Royal Neighbors and the Methodist church of this place. Her heart was devoted to the work of the church and she gave herself unstintedly to its services, being especially active in the missionary lines of the church program.

Her illness which has been of long duration has kept her confined to her home, but her concern and interest in her family and her church was not lessened by her affliction.

One of the faithful children of the Heavenly Father has gone to her Heavenly home and eternal reward.

SUFFERS INJURED HAND

From Thursday's Daily—John Fyfe, one of the employes at the planing mill at the Burlington shops is wearing the first and second fingers of his right hand in a bandage as the result of an accident suffered yesterday afternoon. Mr. Fyfe was engaged in some work with a power driven rip saw when his fingers strayed too near the saw and the result was that John had a part of both fingers neatly sliced off, the saw cutting clear through the nail on both fingers and making a very nasty wound. The injured hand was dressed and made as comfortable as possible but it will be some time before it can be taken to normal.

Defendant Wins in Murdock Case in County Court

Large Number of Residents of Near Murdock Here to Hear Trial of Damage Suit.

From Thursday's Daily—The case of August Thimgan vs. W. H. Gamblin, which occupied the attention of the county court all day yesterday resulted in a decision by Judge A. H. Duxbury in favor of the defendant, Mr. Gamblin.

The action was one in which the plaintiff sued to recover damages for the loss of a house on his farm, which was alleged to have been burned by a fire that was started by the defendant on his land and which it was claimed had swept across the road and fired the grass and waste material on the Thimgan land and caused the house to burn.

It was held by the court that the plaintiff failed to offer the proper proof that the fire that caused the destruction of the property in question had been caused by the fire set by Mr. Gamblin on his place.

There were a large number present from the locality where the land is located near Murdock to hear the case.

Glen Rhoden and wife were in Omaha today where they will spend a few hours with Mrs. J. R. Gregory at the St. Catherine's hospital where she is taking treatment and will undergo an operation in a very short time. Mrs. Rhoden is a daughter of Mrs. Gregory.

DELIGHTFUL BRIDGE TEA

From Saturday's Daily—Mrs. Evi Spier was hostess on Thursday evening at a very pleasant 6:30 bridge tea given in honor of Miss Eleanor Burnie, who expects to leave next week for New England to make her home in the future. Decorations in the color scheme of pink and green added to the charm of the home and amid such a charming setting the members of the party spent the passing hours.

The guest prize was awarded to Miss Burnie while the first prize was won by Mrs. H. E. Brady and the consolation prize by Mrs. Sidney W. Bell.

In the serving and entertaining of the occasion Mrs. Spier was assisted by Miss Katherine Schneider and Jean Tidball.

The members of the party were very regretful at losing Miss Eleanor from their circle but are extending to her their heartiest good wishes for her success and happiness in the far off home to which she is leaving.

Nebraska Lighting Company Employees Meet Here

Gathering of the Employees of Plattsmouth District Held at Local Office of the Company.

From Friday's Daily—The employees of the Plattsmouth district of the Nebraska Gas & Electric company, comprising this portion of the state, had a very pleasant meeting last evening at the local offices of the company, in which there were many matters of interest taken up and discussed as well as a fine social time enjoyed by all of the party.

The occasion was arranged by Manager F. I. Rhea of the district and was held in this city for some time. There was a fine luncheon served at the Lewis cafe in the fore part of the evening and from the enjoyment of this feature the members of the party took their way to the light company offices, which had been decorated and arranged for the occasion in a most fitting manner.

The time was spent in the latter part of the evening in cards, much interest being taken in this diversion and also in several musical numbers that were provided to assist in making the occasion more than usually pleasant.

Among those who were here from out of the city to attend the occasion were C. C. Helmers, Lincoln; Mr. and Mrs. J. B. Archer, of Shenandoah, Iowa, Mr. Archer being the manager at Shenandoah; Stanley Tabor, of Lincoln; Charles Hamilton and wife, of Shenandoah.

There was a very pleasing number of the company employees present to enjoy the evening.

The condition of the court house was very quiet today with only a very few visitors there and with only the routine matters occupying the attention of the officials. After a spurt of business that brought several new cases to be filed and placed in the docket, the work of the clerk of the district court's office has been devoted to routine matters and making transcripts for those who think they have failed to receive justice and are going higher. The sheriff and county attorney have not been having the usual grist of complaint and troubles of individuals over the county and are able to clear up other matters that may be awaiting their attention.

Even the court of Judge Duxbury is resting up with no new cases or trials taking place. George and Will in the clerk's office always have a great deal of book work when other activities cease in their office. The always busy place is that of the county treasurer and where there is always a raft of business to be handled every day. The office of County Superintendent Miss Alpha Peterson was busy with the eight grade examinations being held today.

Legion Banquet Date Postponed

Inability of New Department Adjutant to be Here on Feb. 10th, Causes Changes in Plans

From Friday's Daily—The Legion banquet set for Wednesday night, February 10th, has been postponed indefinitely. Word received from the new department adjutant C. W. Conklin, who had been invited to come here on that date and discuss with local Legion officials plans for the entertainment of the district Legion convention here next May has been called to an important conference of department adjutants at national headquarters, and it has been decided to postpone the banquet indefinitely.

With the uncertainty of a date when Adjutant Conklin can come for a convention conference it is quite likely many drop in between trains and the plans for holding a banquet in his honor be dispensed with entirely.

Plans were laid for a most successful banquet and in addition to the other guests were to have been present, among them representatives of the Plattsmouth Ad club and the Chamber of Commerce, and it is to be greatly regretted that the banquet has had to suffer a postponement and probable cancellation.

However, the post will get down to real work in preparing for the district convention, which will take a great deal of the time of active committment.

The cornerstone of the new community auditorium will be laid during convention day, which has been set for Thursday, May 20th, and there will be other attractions, aimed not only to bring Legionnaires, but other people to town, on that day.
