

To Those Who Judge Quality by Price

The quality of Ford cars cannot be judged by the prices at which they are sold—because Ford prices are made possible by conditions that are absolutely unique in the automotive industry.

From mine to market the Ford car is the work of a single organization. The Company owns and operates the mines and forests that furnish the raw materials for its products. This material is carried over Ford transportation routes, fabricated in Ford mills, manufactured in Ford plants—and the finished product is sold to the public through Ford dealers.

The following statement, previously made in an advertising message, is repeated because of its significance to the public:

"If any other manufacturer endeavored to produce a car similar to the Ford, according to the high standards of quality in material and workmanship used by the Ford Motor Company and with the same tried and proved design, it would be impossible to offer it at anything like Ford prices. And it is well to note that even with less costly design they have not met Ford prices."

Original Ford Features that Today Make for Greatest Simplicity-Durability-Reliability

Torque Tube Drive - Dual Ignition - Simple, Dependable Lubrication - Multiple Disc-In-oil Clutch - Three Point Motor Suspension - Planetary Transmission - Thermo-Syphon Cooling

"WE HAVE NEVER LOWERED THE QUALITY TO REDUCE THE PRICE"

SOUTH BEND

Ashland Gazette

Mrs. Julius Reinke spent Saturday in Omaha.

John Jones spent Sunday with Crawford Bushnell.

Willard Ganaway is the owner of a new Ford roadster.

Mr. and Mrs. John Sweney spent Friday at the John Timm, Jr., home.

Miss Bernice Stander spent Tuesday night at the L. J. Roebor home.

Mrs. Axel Nelson went to Pender

YES! WE HAD A FIRE

But we are still taking orders for Baby Chicks and Custom Hatching.

Visitors Invited

Red Bird Poultry Yards

Phone 399-1018 No. 11th Plattsmouth, Nebr.

Friday to visit a few days with her nieces.

Mr. and Mrs. W. A. Jones and family spent Sunday at the Alfred Johnson home.

Alfred Johnson purchased a set of harness at the Army sale in Ashland Saturday.

Mrs. Viola Long and Miss Viola Everett went to Elliott, Iowa, Monday to visit relatives.

Henry Stander received a shipment of pheasants Wednesday to be turned loose in the timber on his farm.

Frank Hill, of Omaha, but formerly of this vicinity was a Sunday caller at the Henry Stander home.

Mrs. Henry Stander and sons, Glenn, Charles, Harold and Herbert, spent Sunday at the B. O. Mooney home.

Mr. and Mrs. Verville Livers drove to Burr Oak, Kansas, Saturday and spent the week end with Mr. Livers parents.

Mrs. Byron left Wednesday of last week to visit a few days at the home of her son, Willard, near Meadow.

Mr. and Mrs. Clyde Haswell and baby spent Sunday at the Wm. Richards home. Mrs. Henry Tune and children were also afternoon visitors.

Mr. John Bornman and daughters visited relatives at University Place Sunday and also visited Mr. Bornman's son, Paul, who is in a Lincoln sanitarium.

Mr. and Mrs. Charles Campbell and son, Russell, spent Sunday at the Ed Rau home. Mr. and Mrs. L.

J. Roebor and sons, Kenneth and Leonard, were afternoon visitors.

Paul Campbell, of Minatare, who came Tuesday in company with the relatives of Lysle Leckey and also to attend the funeral will remain over until the last of the week and visit his parents. Mr. and Mrs. Chas. Campbell and also other relatives and friends.

The many friends of Mr. Lysle Leckey were grieved Sunday when word was received that he had passed away at his home in Minatare, Neb., after a lingering illness with cancer of the stomach. The body was laid to rest Tuesday in the Elmwood cemetery. The Masons had charge of the services. He leaves a widow and two sons, Kenneth and Glenn, also a number of other relatives who have the sympathy of all in their bereavement. The widow will spend a few days in South Bend at the home of her father, Mr. Fred Weaver, before returning to her home in Minatare.

Many Plattsmouth Folks Have Felt That Way and Recovered.

Feel all out of sorts? Tired, achy, blue, irritable? Back lame and stiff? It may be the story of weak kidneys!

Of toxic poisons circulating about upsetting blood and nerves. There's a way to feel right again. Help your weakened kidneys with Doan's Pills—a stimulant diuretic.

Doan's are recommended by many Plattsmouth people: Mrs. Ada Moore, 410 Granite St., Plattsmouth, says: "After doing a little work about the house my back became lame and sore. I was constantly annoyed with a dull, gnawing ache across my back. Headaches were followed by dizzy spells and my kidneys were in a run down condition. They acted irregularly, too. I found immediate relief through the use of Doan's Pills from Weyrich & Hadraba's drug store. An occasional use of Doan's keeps me free from suffering."

Mrs. Moore is only one of many Plattsmouth people who have gratefully endorsed Doan's Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S PILLS, the same that Mrs. Moore had—the remedy backed by home testimony. 50 cents at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y. "When Your Back is Lame—Remember the Name."

VERY HAPPY OCCASION

From Saturday's Daily—The home of Mr. and Mrs. James Stockham was gladdened by the arrival of a fine little son and heir, the first child in the family and the event has brought a great deal of pleasure to the members of the family circle and Jim is feeling about as highly elated as any resident of the United States.

Death of Sister of John Group in Wisconsin

Failing Health for Several Months Contributes to Death of Minnie Group, Age 62 Years.

John Group is in receipt of the sad intelligence of the death of his youngest sister, Miss Minnie Group at a hospital at Summit, Wisconsin, on Monday morning, March 22, 1926, at the age of 62 years, 10 months and 29 days.

Miss Group had been in failing health for only a few weeks and had been taken to the hospital for an operation but this proved unavailing and she did not survive the shock. Many of her friends had not known of her illness and the news of her passing came as a great shock to them all.

She was born at Golden Lake, Wisconsin, May 2, 1863 and she always had resided at home. On the death of her parents, she assumed the duties of housekeeper for her two brothers, Jacob and Fred, and in capacity she served faithfully and conscientiously for many years. After the death of the brother, Jacob, about a year ago, she and her other brother, Fred, continued to reside in their old home in Dousman. The loss of his sister will be particularly hard for him.

She was tenderly cared for in her last illness by her brother and sister, Mrs. Robert Martin, of Oconomowoc, and others assisted and did all that could possibly be done to alleviate her suffering and prolong her life but to no avail.

Miss Group was highly respected in the community and was loved by all for her many gentle qualities. The Dousman Weekly Index paid her a fine tribute, mentioning her gentle life which like the still waters, was deep. They stated that she was decidedly a home body, delighting in ministering to those she loved. In her heart of hearts she carried those she loved and her hand was never weary in well doing.

The funeral services were held the following Thursday afternoon at the home, and Rev. Mr. Seacord of the Oconomowoc Episcopal church officiating with the interment in the family lot in Ottawa cemetery.

Miss Group is survived by three brothers and two sisters. They are John of Louisville; Adam, of Hastings, Minn.; Fred, of Dousman; Mrs. R. Martin, of Oconomowoc and Mrs. Dora Reams, of Pettigo, Wisconsin. —Louisville Courier.

Anti-Toxin for Pneumonia Said to be a Success

Excellent Results Reported if Used in First 48 Hours of Disease. Experiments Indicate.

Alhany, N. Y., April 3.—Excellent results from the use of an antitoxin for all types of pneumonia when the patient is treated within 48 hours of the appearance of the disease were reported Friday by a group of Minneapolis physicians at a joint meeting of the American Association of Immunologists and the American Association of Pathologists and Bacteriologists.

When the anti-toxin was administered more than 48 hours after symptoms had appeared, however, little or no beneficial effect was obtained. It was reported by the Minneapolis physicians reporting were Dr. E. J. Olson, Dr. G. H. A. Clowes and Dr. W. A. Jamieson.

Heretofore only one of the four types of pneumonia has yielded readily to anti-toxin treatment.

Dr. Olson warned that the experiments had not been made with a sufficient number of cases as yet to warrant sweeping statements, but that in more than 100 cases those treated immediately responded quickly.

In this connection he emphasized the importance of early treatment, even when the disease was not positive. Sharp pains in the chest, chills, rise in temperature and coughing were sufficient symptoms, he said, to warrant injection of anti-toxin as a preventative measure. No harmful effect from such treatment had been observed, he said.

BOY, 11, COLLECTS STEER SALE SHARE

Ed Joachim and son, Eddie, 11, of Louisville, father and son firm, were on the Omaha market Thursday with three loads of cattle, mostly 2 and 3-year-olds.

Eddie is keenly interested in one of the steers. The steer weighed 1,340 pounds, three weeks ago and was one he picked from the bunch for his own.

Half of the money received Thursday will go into the boy's bank account. The steer sold for \$9.40 a hundred.

CREAM STATION NOT OPEN

Owing to the fact that the testing instruments which are required by the laws of Nebraska are not as yet been received at the local station of the Armour Produce Co., in this city, it will be impossible to have the station opened until next week when it is hoped to get started and be ready to handle all the business that may come their way.

Maps of Cass county, showing every man's farm can be had at the Journal office. Price 50 cents each.

Eagle Consolidated Schools are Honored

Western Cass County School Admitted to North Central Association of Schools.

The Eagle consolidated school, one of the leading high schools of the county has just been admitted to the North Central association of high schools, a very pleasing recognition of their standards of educational work in the Eagle school, which has been accredited for some time to the state agricultural college of the University of Nebraska.

The people of the Eagle district have a very fine school building and have been fortunate in having at the head of their school for the past eight years, Wayne Soper, as superintendent, and who has just been elected for the ninth year. The splendid results attained in the school have been due to the spirit of co-operation prevailing between the patrons, teachers and superintendent and which has resulted in the Eagle school reaching a very high standard.

In speaking of the splendid consolidated school the Eagle Beacon has the following: "The consuming desire of most schools is to reach the highest step of accreditation that can be achieved. Toward this end standards are raised, teacher and pupil requirements are pushed upward until the school stands beside the one that have reached the top.

It will be recalled that the Eagle school was no more than an eleven grade high school before consolidation. Following consolidation, the school was recognized as a twelve-grade high school. The year following that, it was placed in the "C" class of schools accredited to the State University. Another year, and it entered the "B" class; yet another and it became an "A" school, the highest accredited class existing as far as the State University is concerned.

But there exists an association of colleges and high schools which demands even higher standards and better equipped schools than the State University requires for an "A" school. That association is the North Central Association of Colleges and Secondary Schools. Its requirements include: A well-equipped sanitary, safe, commodious building; highly qualified teachers; a teaching load not too heavy per teacher; a well-balanced program of studies, with certain definite required units for graduation; besides other things. North Central High School graduates are received at institutions of higher learning with not question regarding their high school credits. They are among the favored ones, as far as accepting credits is concerned. The Eagle School received notice Monday that it has been accepted to membership to the North Central Association, because of meeting the required standards. The community is to be highly congratulated that it has a school second to none. It ranks with city schools anywhere in the matter referred to. Formerly only the larger school could meet the requirements of the association; but in late years some of the smaller Nebraska schools have been admitted. Let those who support the school and send their children to it swell with pride that their school has made such enviable progress in the short time it has existed as a consolidated school.

CARD OF THANKS

We wish to thank our friends and neighbors for their sympathy and assistance during the last illness and at the time of death of our loved one, also to Rev. Simpson and the choir for their service at the funeral and the friends who sent the beautiful floral remembrances.—Mrs. Philip Fornoff, Mrs. John H. Busche, Mrs. Kate Heron, Mrs. Chris Maser, Anton Fornoff, Adam Fornoff, George Fornoff and Jacob Fornoff.

PUBLIC AUCTION

The personal property belonging to the late Philip Fornoff will be sold at Public Auction to the highest bidder at the John Beeson farm four miles south of Plattsmouth, two and a half miles east of Mynard on—

Thursday, April 8th commencing at 1:00 o'clock p. m., the following property being included in this sale:

John H. Busche,
Owner.
Clarence Busche, Auctioneer
R. F. Patterson, Clerk.

\$20 "Bill"

is a mighty fine fellow! He joined our firm March 1st—just 30 days ago—and the more we see of him the better we like him—and that's also true of our customers. A great many have been in to meet him and they all agree he's "the biggest little fellow" they ever saw. You know he's not very big—only \$20—but he's big in value, big in quality and big in service to the man who perhaps has felt that a new suit was out of his reach. Come in and meet \$20 "Bill." You'll find him very congenial to your pocket-book.

"See It Before You Buy It!"

Death of Well Known Lady at Elmwood Home

Mrs. L. B. Cunningham, Resident of Elmwood for Forty-Five Years Dies After Long Illness.

Mrs. L. B. Cunningham, who for many years has been confined to her wheel chair passed to that Great Beyond on last Sunday morning. She was well known to all here, having been a resident of this community for many years. Although she could not get out much she was cheerful and enjoyed life with great fortitude. Her husband faithfully cared for her during all this time and rendered her every kindness and all that he could to make her happy and contented. Following is the outline of her life:

Mary E. Mapes was born on Dec. 3, 1855, at Augusta, Iowa, and died on March 28, 1926, at Elmwood, Neb. at the age of 70 years, three months and twenty-five days.

She came to Nebraska in 1882, where she was married on April 13, 1884 to L. B. Cunningham. They made their home near Wabash for a while, and later moved to Elmwood where they lived for 31 years.

She was a member of a family of ten children: John Mapes of Ft. Madison, Iowa; Chas. Mapes of West Point, Ia.; Joe Mapes of Casper, Wyo.; Ed. Mapes of Lincoln, Neb.; Mrs. L. Ballow of Jackson, Ill.; and Mrs. Carrie Barnhart of Elmwood, Neb. Three brothers, George, Samuel and William having preceded her in death.

She also had a number of nieces and nephews besides other relatives and many friends to mourn her death.

Though they had no children of their own, they had one adopted daughter, Mrs. Nellie Coon of Elmwood, Neb.

By an accident, which happened more than ten years ago, she was left an invalid, making it necessary for her to spend the greater part of her time in a chair.

In 1884, she united with the Baptist church in Wabash, and in 1886, she became a member of the Church of Christ in Elmwood, Neb., where she maintained her membership until death came to call her away from this life.

The funeral services were held on Tuesday, March 30, at 2:00 p. m. at the Church of Christ, being conducted by J. F. Hay. The burial was made in the Elmwood cemetery.
