Mrs. Josephine Reid Laid to the Last Long Rest

Body of Former Plattsmouth Lady Laid to Rest This Afternoon in Oak Hill Cemetery.

To the home of Mr. Joseph and Letitia Winscot of Plattsmouth, Nebraska, December 1st, 1874, there came a daughter to whom they gave the name of Josephine. This child grew to womanhood in the city of her birth. Her girlhood days were spent in companionship of many who still reside in Plattsmouth. She received her education through the medium of the Plattsmouth public schools. In Plattsmouth's churches she received the religious instruction and training which enabled her to live so worthily during her mature years.

Here in Plattsmouth made beautiful by its scenic hills and river view she enjoyed the romance that resulted in being united in marriage to Mr. Charles H. Reid of the same city. This happy event of her life took place February 24th, 1895.

To this union there was born seven children, two of which have preceded her in death and five who survive her. The deceased children were Franklin, aged two years and Ethel, aged five years at the time of their death.

The children still living are John Reid of Kansas City, Missouri; Kenneth, Harvey, Carl and Emily Reid all of St. Joseph, Missouri. These children together with the sorrowing husband, Mr. Charles H. Reid, remain to deeply grieve at the going of this devoted mother and faithful wife.

In addition to her immediate family there are three brothers and sisters as follows: Mrs. M. S. Ehling of Chicago, Illinois; Mrs. Sarah Cook of Norfolk, Nebraska; Mrs. S. E. Shannahan of Nebraska City, Nebraska; Charles R. Winscot of Omaha, Nebraska; Asa M. Winscot of Eldorado, Kansas and George J. Winscot of the old home town, Plattsmouth, Nebraska.

Three grandchildren and a large number of nephews and nieces join in feeling deeply the loss sustained.

After her marriage, she with her husband, continued to make Plattsmouth their home until the year of 1907 when they went to St. Joseph, Missouri from where they later came to Nebraska City, where they resided for more than three years. They then again took up residence at St. Joseph, where they reared their children and have since continuously resided. It was here at the family home located at 290 South 12th street after an illness of several years on the morning of May 28th, 1926 that the soul of the departed took leave of earthly things to take up residence amidst things heavenly.

At the early age of sixteen while life was full of promise, she then Miss Josephine Winscot made profession of her faith in Christ and united with the Baptist church formerly located in the southern part of the city of Plattsmouth but since disbanded. She then became a regular attendant of the First Christian church of the same city but not a member. When her family residence was in Nebraska City she placed her membership with the First Baptist church of that city from which place she later removed it to the Copeland Baptist church of St. Joseph, where she continued steadfastly in its faith until death.

There are many accomplishments to the credit of this good woman. But no greater tribute can be paid than the fact of her having been successful in leading her children's feet along the pathway that she has led to each of them taking membership with the Copeland Baptist church of St. Joseph. No mother can achieve greater greatness than the ability to lead her children in living at the feet of the Loving Christ.

This woman gave liberally to the world's good by having reared a worthy family. The most noble and glorious of lives are those which are devoted to the interest of others. Such was the life of this mother and wife.

Her last years were ones of ill health and her last days were full of physical suffering but in her soul there was peace "that floweth like a river."
In the early hours of morning on the 28th of May when the day was becoming glorious with life her soul burst its prison bars and went to meet her King, the Lord of Glory who gave to her we are certain an eternal morning of glorious life.

Funeral services were held at the First Christian church of Plattsmouth Sunday afternoon, May 30th. The pastor, Rev. Walter R. Robb spoke the words of comfort to the bereaved using as his theme "The Glory of Self Sacrifice," and as his text the words of St. John 12: 17-18:
"Therefore doth my Father love me, because I lay down my life, that I might take it again. No man taketh it from me, but I lay it down of myself."

The mixed quartet composed of Mrs. Minnie Pickard, Miss Evelyn Robb, Mr. Frank Cloldt and Mr. B. A. McElwain rendered the hymns, "In the Cross of Christ I Glory" and "Asleep in Jesus." Mr. Frank Cloldt sang a tenor solo, "In the City Four Squares." The music was greatly appreciated by those in sorrow.

Interment of the remains was made at Horning cemetery to the south of

the city of Plattsmouth where her two deceased children are sleeping. The pall bearers acting were nephews and near relatives of the family.

YOUNG MAN HONORED

From Wednesday's Daily—
William Matschullat, Plattsmouth young man and a student at the University of Nebraska, has been selected by the members of the faculty at the state school to be an assistant in the department of political science at the state university the coming year. William has also been selected as the member of the cadets from whom measurements would be made for the uniforms for the officers of the cadet corps.

As member of the cadet corps Mr. Matschullat was one of those competing in the individual tests at the university and secured sixth place in the competition, a very fine showing for the large number that were in the competitive contest and which was very pleasing to the Plattsmouth young man.

ENJOYS VISITING PLANT

From Wednesday's Daily—
While at Red Oak, Iowa, yesterday the publisher of the Journal with the other members of the Plattsmouth delegation, had the opportunity of visiting the large plant of the Murphy Calendar Co., situated in that city and which is one of the largest establishments of its kind in the west. While visiting the plant the members of the Plattsmouth delegation had the opportunity of enjoying a visit with Ernest Wells, former Plattsmouth printer, and who is now one of the department heads at the big calendar company. Mr. Wells assisted in showing the Plattsmouth visitors over the plant and the opportunity of seeing the printing and assembling of the calendars was a real treat to the members of the party. The Murphy company occupies a three story building that occupies half a block in the city and employs several hundred persons in handling the large volume of business that comes to this company. Red Oak is a very active and attractive city and the calendar company is its largest single industry and one that the city is justly proud of.

All local news is in the Journal.
