Mullen-Henry Wedding at the St. John Church

Impressive Ceremony Attended by Members of the Families and a Few Close Friends.

From Wednesday's Daily—
One of the attractive weddings of the June bridal season was solemnized this morning at 8 o'clock at the St. John's Roman Catholic church when Miss Nellie Mullen was united in marriage to Mr. Lon Henry of this city.

Preceding the ceremony, Miss Katherine Heafey of Nebraska City, sang the beautiful love song of De-Koven, "O Promise Me." As the last notes of the song were still, the Mendelssohn march was sounded by Miss Bridget Durr, of Nebraska City, heralding the approach of the bridal party to the chancel of the church where the ceremony was held.

The beautiful and impressive nuptial mass of the church was celebrated by Monsignor M. A. Shine, rector of the church, bringing to the young people the blessing of the church on the nuptials of the two whose lives in the future are to be as one.

The bride was attended at the altar by Miss Catherine Joiner, of Julian, a class mate of the bride at the St. Bernard academy at Nebraska City, as the bridesmaid, while Mr. Henry was attended by Edward Mullen of Omaha, brother of the bride, as best man.

Miss Mullen was most charming in her wedding dress of orchid georgette, wearing hat to match and champagne colored slippers and hose. She carried a shower of the Bride roses and lilies of the valley.

Miss Joiner was gowned in a very striking costume of cream colored lace over green with hat and slippers of green. She also carried a bouquet of the Sweetheart roses.

Miss Heafey wore a gown of pink flat crepe most becoming to her beauty, while Miss Durr wore a modish frock of Bois de Rose flat crepe.

At the close of the church ceremony, Miss Heafey sang a very sweetly "O Promise Me" as the recessional for the bridal party.

Following the wedding the bridal party motored to the home of the bride's parents, Mr. and Mrs. Frank Mullen, on North Sixth street, where a beautifully appointed wedding breakfast was served to the bridal party and a few of the close friends.

The home was artistically arranged in decorations of the summer daisies, those beautiful flowers being used in profusion throughout the rooms and also in the table decorations that made a most charming note to the breakfast. In serving Misses Alice Wooster and Louise Kalasek assisted, while in the breakfast Mrs. John Svoboda and Mrs. Joseph Wooster also assisted Mrs. Mullen.

Immediately after the breakfast Mr. and Mrs. Henry departed for Denver and Colorado Springs where they will enjoy a short honeymoon and on their return to Plattsmouth will be at home to their friends after July 1st at the Coronado apartments.

The out of town guests who were here for the wedding were: Mrs. L. H. Stillwell and daughter, Miss Bernadine, Miss Esther Ann Heafey, Miss Lois Richardson, Miss Katherine Heafey, Miss Mildred Farris and Jack Hilger of Nebraska City; Miss Marie Smith, and Andrew Waite, Omaha; Mr. and Mrs. E. H. King, Mr. and Mrs. Elmer Elsie, Miss Blanche Shubert, of Shubert.

The bride has been one of the popular and attractive young ladies in the social life of the city since her residence here, coming from Nebraska City where she was one of the leaders in the social life of that city. She is a daughter of Mr. and Mrs. Frank Mullen, the former one of the leading business men of the community, and the bride received her education in the St. Bernard academy at Nebraska City. A lady of the greatest charm of personality, the bride has made a host of friends in this city since coming here to make her home.

The groom is one of the most highly esteemed young men of the community and has made his home here for the past four years and is an employe of the Burlington in the coach department of the local shops and is a gentleman of the highest character and integrity. Mr. Henry has been very prominent in the local Elks lodge during his residence here.

The many friends are joining in wishing Mr. and Mrs. Henry a very happy life in the future years and one that may be filled with the abundant prosperity that they so well deserve.

M. P. MAKING IMPROVEMENTS
W. F. Kirk, general superintendent of the Missouri Pacific, who was in Lincoln for a short time Friday morning, brought good news to Lincoln people and to people along the Lincoln line of his railroad. It was that the Lincoln-Union line is being rebuilt, new ties, rails and ballast and that new power has been secured for handling the business.

"This rebuilding," said Mr. Kirk, "will be complete by the middle of September and we are assured that when this work is done the line will compare favorably with other trunk lines serving Lincoln."
"We are promised delivery of ten 2-10-2 engines of the largest size, known as the Santa Fe type, by July 20, which will be placed in service between Lincoln and Kansas City and Omaha and Kansas City."
"We now have six thousand grain cars in good condition and within the next thirty days we will receive new cars which will increase our reserve to nine thousand available for grain movement."

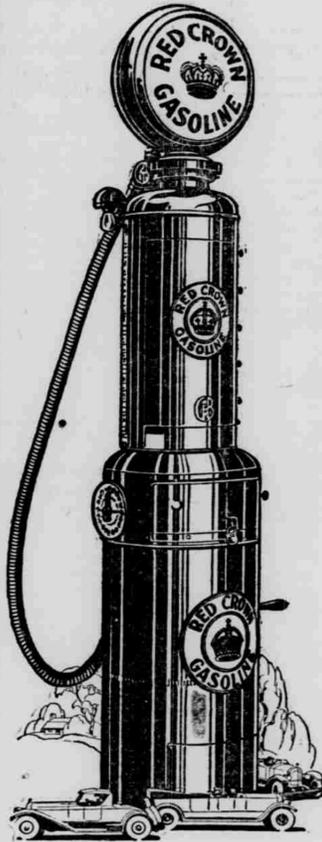

The Missouri Pacific now has three work trains in service between Lincoln and Union and 150 men are employed in the rebuilding work. This work was ordered expedited during the recent visit of President Baldwin in this city.—State Journal.

DEATH OF IOWA MERCHANT
From Monday's Daily—
The Plattsmouth friends of the J. D. Ironmonger family of Glenwood are sharing with the bereaved family the loss that has come to them in the death of Mr. Ironmonger at his home in Glenwood on Saturday evening after a long illness and in which the patient very bravely faced the inevitable outcome with cheerfulness and christian fortitude and to whom the end was one of blessed relief from his long suffering.
The funeral services were held yesterday at Glenwood and were attended by a very large number of the old friends from all parts of Mills county while from this city Mr. and Mrs. R. W. Knorr and Carl Panzer of Ashland were in attendance.
Both Mr. and Mrs. Ironmonger are well known in this city where they have often visited and their pleasant personalities have made them many warm friends who share with Mrs. Ironmonger and her children the loss that has come to them in their bereavement.

I am back at the old stand taking orders for Nursery Stock, and will appreciate any order you may hold for me until I call on you. Yours for a square deal.
