Democrats of County Hold a Conference

County Central Committee Members and Others Make Plans for the Coming Campaign.

From Wednesday's Daily—
Yesterday afternoon pursuant to a call of Chairman L. G. Todd of the democratic central committee, there was a number of the members of the committee and other democrats present at the equity court room in the court house to discuss some of the preliminary plans for the forthcoming campaign and to gather a little of the enthusiasm for the forthcoming battle.

Mr. Todd and J. P. Falter, vice-chairman, presided while Harrison L. Gayer served as the secretary of the meeting.

The members of the committee and the assembled democrats were addressed by Senator W. B. Banning, of Union, who is the party candidate for re-election to that office and the distinguished senator who has so ably represented this district for the past two terms paid a fine tribute to the bank guarantee law that is one of the greatest pieces of legislation ever enacted by the state. The senator lauded

the measure as the work of the democratic party of Nebraska, as it was enacted by the legislature of 1909 and signed by Governor A. C. Shallenberger, who was one of those chiefly responsible for its enactment and the drafting of the measure. Senator Banning stated that the law had protected the people of the state and must and would remain on the statute books of the commonwealth.

Attorney D. O. Dwyer, who was also present, paid a fine tribute to former Governor Charles W. Bryan, who is that section and resulted in the destruction of a great deal of the grain crop in that part of Colorado. Mr. Dwyer had 320 acres of wheat near Arriba that suffered very much from the hail and was practically wiped out as the result of the storm. Mr. Dwyer and son, Frederick, have been there since the close of school and are very much disappointed in the loss that the hail has brought to them.

The vicinity of Arriba has been settled by large numbers from the southern part of Cass county, particularly from near Union and Nehawka, but details as to their losses have not been received yet. C. T. Peacock also has land in that section of the state, but whether or not his crops suffered as heavily as that of Mr. Dwyer has not been learned.

Cool weather calls for coats. Cash counts! A good time to buy at the Ladies Toggery.

HAIL IN COLORADO

Word has been received here from John F. Gorder, of this city, who has extensive land interests in eastern Colorado, detailing the fact of the very heavy hail storm that visited that section and resulted in the destruction of a great deal of the grain crop in that part of Colorado. Mr. Gorder had 320 acres of wheat near Arriba that suffered very much from the hail and was practically wiped out as the result of the storm. Mr. Gorder and son, Frederick, have been there since the close of school and are very much disappointed in the loss that the hail has brought to them.

The vicinity of Arriba has been settled by large numbers from the southern part of Cass county, particularly from near Union and Nehawka, but details as to their losses have not been received yet. C. T. Peacock also has land in that section of the state, but whether or not his crops suffered as heavily as that of Mr. Gorder has not been learned.

Cass County Protective Association.
The following men were elected as a board of directors for Protective Poultry Association: Ray Smith, Weeping Water, president; Henry Tohman, Wabash; Ray Mayfield, Cedar Creek; Nick Frederick, Murray. The association now has about 60 members and we want everybody to belong. Dues are \$1 which you can send in to Oscar Domingo, and this money will be used for signs to place at the home of each member for telephone calls, and other expenses which the board deems necessary. Then the board can draw on each member, not to exceed \$4 each year to pay the rewards for the conviction of chicken thieves. At the present time a \$100 reward is offered for the conviction of thief or thieves stealing chickens from a member of this association. The larger number of members, the stronger the association will be and the better protection you will have, so everybody is urged to join. Please do so immediately.

Late Vegetables for Winter.
Seed for the carrots, beets, rutabaga, kohlrabi, turnips and Chinese cabbage that is to be stored next winter be planted now. The old radish and lettuce rows, the first peas, and the beans that are stripped for table use may be cleaned out and the new seed planted in these spaces in the garden. If a few flat head cabbage have been planted, they should be set out now for late fall cabbage that can be buried for winter use. These late vegetables will not be as coarse and woody as those planted in the early spring. They may also make up for some of the garden already lost because of the dry weather.

Some Canning Suggestions.
Canned vegetables and fruits may spoil simply because they were not washed clear before they were canned. The soil contains bacteria which causes spoilage. Peas, beans, and asparagus should be washed before anything else is done to them. Berries should be washed before they are hulled as well as after. If washed in a strainer, the water may be run over them until it is clear is comes thru the strainer. A vegetable brush is a great help in cleaning some vegetables.

Two hours from the garden to can is one of the best slogans in canning all vegetables. They should be handled while they are fresh and crisp instead of after they have lain over night or for a half day or more. Even the dew is wet in the morning, it is far better to pick the peas, beans, sweet corn, and other vegetables in the early morning and can them right away than to pick them the night before while they are dewy, hot, and wilted. Flat sour may start by morning in the vegetables that are picked at night and allowed to lie until the next morning.

Sheriff's Office Busy After the Chicken Thieves

Depredations Over the County Are a Source of Much Trouble—Hard to Locate Culprits.

From Wednesday's Daily—
The office of Sheriff E. P. Stewart has been busy for some time in trying to run down and locate the party or parties that have been committing depredations on the hen roosts of the county and several nights the officers have been out on night expeditions over different parts of the county in hope that they might find the persons responsible for the outrages that have caused a great deal of loss to the farmers and residents of the country districts.

The apprehending of the chicken thieves is a matter of the greatest difficulty as the losses of the chickens are not discovered until several hours after the visit of the robbers and consequently there is little chance of getting a trace of them unless through the sales that may be made to the dealers in the county and who are required by law to keep a register of the number of chickens bought and the parties selling them for the purpose that they can motor with his load of fowls to the larger markets at Omaha and Lincoln with ease and get rid of the stock long before the law can get hold of the fowls.

The identification of stolen chickens is also a matter of difficulty and has proven a great stumbling block to the enforcement of the chicken stealing law in all parts of the state.

WILL LOCATE HERE

From Tuesday's Daily—
Mrs. Earl Teeples and son, John, of Spokane, Washington, arrived here Sunday for a visit with Mr. Teeples, who has charge of the store department of the Fruit Growers Express refrigerator car plant in this city. The family of Mr. Teeples are going on to Illinois for a visit with the relatives and friends in that section of the country for a short time and will then return to locate in this city where they expect to make their home in the future and they will find a hearty welcome from the Plattsmouth people to the new home. John Teeples will be a junior in the high school the coming year and is one of the most promising recruits for the high school football team for the next year as he is of splendid build and with much experience in the game that will fit him for a berth on the high school team.

You can buy a new Spring coat at a mighty big reduction now at the Ladies Toggery.

GREENWOOD WINS AGAIN

From Monday's Daily—
The league leading Greenwood team of the Cass County League added another to their list of victories yesterday afternoon when they handed the Cedar Creek team a 13 to 0 defeat on the home grounds of the Creekers and before a large number of the fans of that locality.

The game had progressed in a nice evenly matched contest until in the fifth when Earl Jardine lopped up one of Nesson's slants for one of the longest hits ever polled on the Cedar Creek grounds and which scored two of the team mates of "Deanie" as well as himself and started a drive that netted eleven runs for Greenwood before the last out was registered.

Rudy Meisinger and Joe Krejci were both sent in to try and stem the tide of the battle but without any measure of success and Nesson was later sent back to the mound and hurled a good game as the scoring of Greenwood was limited to three tallies after this one had finished.

"Bab" Krejci of this city and Rasper Warren did the backstopping for Cedar Creek.

Greenwood has a real ball team and the hurling of Brakhave was one of the features of the battle as the youngster was effective at all stages of the game and with the gilt edged support that was contributed by his teammates was able to shut out the Creekers who have been one of the strongest teams of the league.

Celebrate the 4th

Monday, July 5th

At PLATTSMOUTH

Forget all your troubles—make a day of it! Come to Plattsmouth for a real good old-fashioned 4th. This celebration is in honor of our Nation's birthday—the Sesqui-Centennial of American Independence. There is no other similar celebration within a radius of 75 miles. Let's make this an occasion worthy of the day. Come early—stay late—bring the whole family—something doing every minute.

Base Ball!
Plattsmouth vs. Bellevue

This is the regular Cass-Sarpy league game, and a small admission will be charged. Gents, 35c, and ladies FREE. Game will be called at 3 O'Clock!

Free Dance at K. S. Park Pavilion.

Complete Program of Street Sports.

Special Ferry Service for Iowa folks.

Music by Plattsmouth Eagles and Weep'g Water Bands.

Horse Shoe Pitching Contests.

WATCH FOR THE COMPLETE PROGRAM.

Big Street Parade at 10:30 A. M.

You probably have seen parades in your life time—but none like this will be—in other words it's going to be a HUMDINGER. This parade will comprise not only floats from the business houses, but numbers representative of every interest in Plattsmouth—also floats from other cities. There will be strange and wonderful creatures from Samson's den—there will be a bevy of Bathing Beauties, Black Faces, Mutt and Jeff, Andy Gump, Eppie Hogg, two Bands and possibly three. Two Drum Corps, one Drunk and Bungle Corpse, one German Band, 3 Elephants, one Camel and other features too numerous to record. This parade is sure going to be a knockout. By all means, don't miss it. Bring the children—they will enjoy it especially. Equal to three circus parades in one. Remember, at 10:30 o'clock!

Water Fight! Plattsmouth Fire Department vs. Nebraska City Fire Department.

\$300 Display of Fireworks at 8:30

If you were here last year, you remember the gorgeous display of fireworks on the river front. The American Legion committee in charge of this feature is going to eclipse all former efforts on this Fourth. We think we can safely say you will see no grander Fireworks Display anywhere in the middle west than you will see right here in Plattsmouth on the evening of MONDAY, JULY 5th.

Fairly Shows and Riding Devices at the Tourist Park!
