Splendid Band Formed in Vicinity of Louisville

Farmers Union Band Under Direction of E. H. Schulhof Start on Concerts.

A new musical organization has been formed in Cass county that from the outlook will become one of the best and snappiest of its kind in the county and one that will have a very successful future before it.

This is the Farmers Union band, composed of the young people of the vicinity of College Hill district south of Louisville and which has for the past few months been very industriously practicing and getting ready for the time when they might start the concert work.

The band has been under the direction of E. H. Schulhof of Plattsmouth, one of the most thorough band instructors in the middle west and under his careful training the band has been making a great progress and their work has now reached the stage when they will be able to give concerts and those who have heard them are enthusiastic over this young organization. The band has a membership of twenty-five pieces and is a real organization.

The first concert given by the young men and women was on Tuesday of this week at the College Hill school when the offering was given for the benefit of the parents and friends and proved a success even greater than had been hoped for by the members of the band and their director.

At the close of their regular practice work on Tuesday the parents and friends commenced to arrive in cars and soon a very large number were at the school house to enjoy the several very fine numbers that were
