

Greenwood Department!

Prepared in the Interest of the People of Greenwood and Surrounding Vicinity

E. F. Smith was a visitor in Omaha one day last week where he went to have his ears treated.

The Searle Chapin Lumber company were unloading a car of cement on last Thursday afternoon.

Mr. and Mrs. Paul Grandseger of Wever, South Dakota, were guests at the home of Mr. and Mrs. E. F. Smith on last Friday.

Mrs. Ellen Coleman and E. A. Landon were visiting with friends and looking after some shopping in Lincoln on last Wednesday.

Mrs. L. G. Taylor and sister of Lincoln, both sisters of Mrs. W. F. Weibke, were visiting her and guests of Mrs. Weibke on last Wednesday.

Edward Meyers and family of Ashland were guests on last Sunday at the home of Mr. and Mrs. E. F. Smith they driving over for the day and all enjoyed the visit very much.

Phillip Reese the genial oil station man who is visiting at Maywood, writes he is enjoying the vacation there very much and that he will be home sometime this week.

Charles Card and wife entertained at the country home for the day and for dinner on last Sunday Mr. and Mrs. E. L. McDonald were all enjoyed the occasion very much.

Phil L. Hall has been with the campaigning train in the southeastern portion of the state last week and was attending the Cass county fair on last Friday at Weeping Water.

Fred Ethrege, Walter E. Pailling and S. S. Peterson were meeting with the I. O. O. F. lodge in Omaha on Friday last week, they going over with their cars and enjoying the evening very pleasantly.

W. E. Pailling and Fred Ethrege were at a meeting on last Thursday night of the Odd Fellows at Blair, where they were accompanying a number of the members from Lincoln and where they enjoyed the trip very much.

Hiss Thelma Skuffing who was taken with typhoid fever some time since is still in a very critical condition, while everything is being done possible in both nursing and treatment, she is not showing the improvement desired.

P. L. Hall and wife were spending a number of days in Omaha on last week, where they were visiting with a number of friends and were guests a portion of the time at the home of Charles Whites, who recently moved from Greenwood to the big city.

On last Sunday the home of Mr. and Mrs. D. Koster were gathered the children for the day, all enjoying the occasion very much. Mr. and Mrs. Kenneth Blackie of Gresham, being present and Miss Dorotha, who is attending the state university at Lincoln.

Carl Weideman, who has made his home at Eagle for some time past has moved to Greenwood and will take charge of the truck for this company here. Mr. Walter Lovell, who has been with the company and made such a excellent man for them has resigned his place.

Mr. John Stolzenberg, who has been in Greenwood for some time past assisting in the conduct of the lumber yard, departed on last Friday evening and goes to Summerfield, Kansas, where he checks out Mr. Frank Hart who comes here and checks in the new man for that place.

T. J. Carpenter and wife, with their daughter, Miss Neva, the latter who is employed in the department store of Gold & Co., of Lincoln, were visiting here last Sunday from their home at Ellis and Mrs. J. I. Carpenter of Greenwood.

Thomas Wilburn Dies. Thomas Wilburn, who for thirty-five years lived in Greenwood and vicinity and who moved from here over twenty years ago, to reside near Atkinson, in the northern part of the state, died at his late home there at the advanced age of 79 years. Mr. Wilburn will be remembered by the older residents, and was one of the sterling farmers of this vicinity for a long number of years.

The funeral was held at Greenwood and the interment made at the beautiful cemetery here. Mr. Wilburn leaves to mourn his departure a wife of the many year which they have worked to make Nebraska the great state it is, and two sons and one daughter.

Home From the West. On last Thursday Geo (Fokky) Gos. tanson and Charles Dyer who have

been working in the harvest fields of the northwest for the fall returned home. They report some very cold weather there and that the snow had fallen a number of times. They left Scovia, Montana, on Monday noon of last week and arrived in Omaha on Wednesday evening a distance of 1,150 miles. They tell of the others of the crew which went and which consists of Ed and Earl Stradley and Jess Olsen being at Evansdale, Mont., and that they had about a week's work yet and that they would then be home.

P-T A. HOLD MEETING
Central Parent-Teachers association held a very pleasant and promising meeting last evening at the high school building. The business meeting showed that things are well organized and those in possession of responsibility have been early at work and are anxious to have this year of progress. General singing is being led by Mrs. Leosls with Mrs. Goos as pianist but in her absence last evening Mrs. Knorr took her place.

During the business session so ably handled by the president, Mrs. Dovey, Miss Fields gave a report of the supervised playgrounds of the summer and announced that at some future time we would see ourselves in action thru movies taken by Miss Kaufmann. The program for the year was announced by Mrs. Frank Barkus, vice president and chairman of this department and there will be copies for all members as soon as printed. Delegates for the state convention to be held in Lincoln Oct. 13, 14 and 15, were elected, they being Mesdames Douglas, Knorr, August Cloldt, and Peterson with Mesdames Patterson Hayes, Thomas, and Frank Cloldt as alternates. The subject of a central building library was presented again as last year its beginning is realized thru a gift of a set of books from Mrs. Tidd. A committee was appointed to plan place and arrangement for this.

Plan for rewards for largest percentage of attendance by parents at meetings was announced to be a banner to be presented each month with a cash gift to be saved until the close of the year and used as desired at that time.

Roll call gain highest per cent of attendance 41 per cent, to one of the sixth grades under Mrs. Carlson who holds the banner until next meeting. Opportunity was then given to pay dues and at the close thirty-five members were reported.

The program was announced by Mrs. Barkus and a review of last year's work given by Mrs. Hayes, speaking of the meetings, attendance, study course, special programs, preschool child habit conference, resolution, closing picnic and the summer playground.

The Rainy Day chest given by Miss Marten proved to be a real thing desired by the teachers for pupils of the central building, and the toys to be used during dinner hour and on other needy occasions.

Superintendent Bailey was introduced and gave an informal talk on what way such associations might help in realizing better results from our schools. He spoke of our course of study and if that were all we were doing would be worth the effort. He was especially interested in the health work for children and emphasized the fact without parent co-operation in this, little result can be realized. This is also a new age for the child in which the parent must take him as a trust and not merely a possession, perhaps an asset. All were glad to know Mr. Bailey in this way and appreciated his interest very much. In the inability of Edgard Wescott to be on the program, this part was filled by Mrs. Moyer in a piano solo.

The meeting closed with a social half hour and delightful refreshments were served by mothers of the first grade. Let us all respond as well as each meeting.

MAKE ESTIMATE OF LOOT
Kearney, Neb., Sept. 23.—Approximately \$13,500 of which \$12,000 was in stamps, was stolen by robbers who drilled into the postoffice safe here last night, postal inspectors announced tonight. The robbers, using an acetylene torch, cut thru four steel doors of the safe. When postal inspectors opened the strong box they found only a ten cent piece. Everything of monetary value had been taken.

Two men who are suspected in connection with the robbery were said to have been seen shortly before midnight last night, hanging around the postoffice building and hiding behind an arbutus shrubbery.

At 1 a. m., a man living near reported that he noticed flashes of light in the postoffice window, but thought it was merely reflections from an electric sign.

Besides the knowledge that an acetylene torch was used, the investigations have failed to offer clues. The postal inspectors and State Sheriff Condit believe that the finger prints and some other marks may possibly furnish clues which would aid in the apprehension of the robbers.

Good Music Over Radio is Promised

Producing Concerns Declare it Possible Despite Declaration of Edison.

Chicago, Sept. 24.—Thomas A. Edison's impression that the radio is a failure as a medium for reproducing music seems more distorted to leaders of the infant industry than any strains the inventor can pick out of the air. The statement from the creator of the phonograph that "music on the radio is very poor because it is badly distorted," and relegating the loud speaker to "reports of ball games, boxing matches and speeches, where distortion is not noticeable," arouse vigorous protest among them.

"The largest manufacturers of phonographs in the United States today are using the radio principle," said the statement. "It is possible to properly reproduce their music," it was pointed out by E. P. McDonald, Jr., president of a radio corporation.

Predicting a \$500,000,000 radio business this year, he found Mr. Edison "resembling King Canute of old who being annoyed by the sounds of the waves, proceeded to the shore and raised his hands, commanding them to stop."

The view was echoed in a telegram to the Edison headquarters in New Jersey from Frank Reichmann, vice president of the Broadcast Listener's association.

THE PLATTSMOUTH BOY SCOUTS WILL ENTERTAIN

The boy scouts will entertain the public with a real movie. The entertainment will show the 1926 seniors coming down the high school steps and proceeding to the May Day queen's throne. This is followed by many interesting drills by the difference classes, athletics, flag salute, etc. You will also see the boy scouts "in action" out at Cedar Creek. In connection with this school film will also be the showing of the American Legion parade and the floats and water fight of our Independence day parade. These pictures were taken by Miss Marie K. Kaufmann who was also fortunate enough to get the parade of Elmwood's Home Coming day. This film will also be shown.

By your attendance you are helping a good cause namely; the Boy Scout movement. Several musical numbers will be given to add to the entertainment.

Given at the public library auditorium Wednesday and Thursday evenings, September 29 and 30, at 8 o'clock.

The Boy Scouts will start selling tickets Monday. Adults 25c and children 15c. 1tsw-2td

FINE PRIZE BABY

At the county fair at Weeping Water on Friday a reward was made of the various prizes in all classes and among these was the award of the prizes in the baby show, a part of the fair. In this part of the exhibits of the products of Cass county, one of the twins of Captain and Mrs. Harrison L. Gayer, residing south of this city, was given the first prize for being the most perfect child. It is needless to say the honor was very much appreciated by the parents and the friends of the family.

PLANE HITS RADIO TOWER; TWO KILLED

Pensacola, Fla., Sept. 25.—Lieut. Edwin Johnson, United States army, attached to the aerial photographic staff at Maxwell field, Montgomery, Ala., and Ted Muldon, representative of Pensacola Chamber of Commerce, were killed instantly here Friday when Johnson's plane crashed into the yard of the commandant's residence.

Lieutenant Johnson belonged to the 22d United States aviation squadron. His home was in Montgomery.

Woman's Club is One of City's Greatest Assets

Ladies Part in the Community Life Is Stressed by the Chamber of Commerce.

From Friday's Daily—

It would be exceedingly painful to me to have anyone feel I am merely "lecturing"—that is not my idea. But, there are so many good things on every side in Plattsmouth that we have grown to accept as a matter of course as we do three meals a day, or wash day, or house cleaning in the spring failing to see the vital importance of the every day things.

For instance we have a "Woman's Club." Yes, we have a "Woman's Club"—is that as far as it goes? Do we stop to realize that a live women's organization, with the backing of all the women of this city is one of Plattsmouth's greatest assets?

Here we find a group of a few earnest women striving for the association for a closer more harmonious spirit of co-operation between the schools and the mothers for the good of the children, and the good of the children means ultimately the good of what? Of Plattsmouth! There is a great field of work for these women, not forgetting the importance and necessity of their social activities; in keeping up our public parks; in clean streets; in public fountains; development of the public schools; in these no organization is so well equipped to lay its finger on the right spot and bring pressure to get results.

There is a crying need here for a good auditorium and for a swimming pool, which could be embodied into one proposition, or into one building, or separately, and the united front of the women's organization can bring these two propositions to a successful issue.

If proper avenues of wholesome recreation, such as a swimming pool would be; and a proper means of a large public meeting place for our open civic meetings as an auditorium would justify; the morals and progress of this city will be given a great impetus. The summer playground for children could be incorporated along with the swimming pool proposition—this gives directed play, and prevents petty mischief by unoccupied children. Children are all good—evil is a misdirected energy due often to civic shortsightedness in not furnishing proper outlets.

The Chamber of Commerce stands back of our women. We need their support, and their invincible energy and intuition for doing the right thing and visioning the large fundamental essentials of life.

The woman is the "buyer" of the home from soap to bedding; clothes to furniture; groceries to automobiles. By a concentrated union and "home" merchants, and especially those merchants who are striving with money and thought to make a better and bigger Plattsmouth, there can be developed here a civic pride, and spirit of loyalty and co-operation that will eliminate outside competition, built gloriously for the future, and keep us on our toes watching Plattsmouth's progress. It is a fine idea. Makes a fellow feel like shouting as at an old fashioned Methodist camp meeting. If you women readers are not members of this great hearted progressive loyal organization, we hope you will lose no time but enroll today for the good of your children; the future; and of Plattsmouth.

W. G. DAVIS, Secretary.

Are you a member of the Chamber of Commerce?

NO AUCTIONING OF SEATS
Washington, Sept. 24.—Senator Overman of North Carolina, ranking democrat of the senate judiciary committee, said today that altho both Frank L. Smith, of Illinois and William S. Vare of Pennsylvania, republican nominees probably would be permitted to serve in the senate if they are elected, they would have to be seated and then ousted.

Under all precedence the senate will have to seat them if sovereign states send them here as their qualified representatives, he asserted. "After they are seated, the move then would be to declare their seat vacant and give them a hearing on charges of excessive expenditures in their campaign. The American people will never stand for auctioning off senate seats and if the newspaper accounts are true, that is what happened in Smith and Vare's primary."

FIVE COMPANIES INCORPORATED
Lincoln, Sept. 25.—The following firms were incorporated by Secretary of State Pool Friday:

K. C. Footwear, Inc., Omaha, capitalized \$25,000.

Roberts-Dunham & Co., Omaha, auto garage business, \$10,000 capital stock, R. H. Roberts, H. C. Dunham.

Brodstone Memorial Hospital association, Superior, non-profit, Blue Valley cemetery, Crete, \$5,000.

G. A. Roth Manufacturing company, \$150,000 capital stock, G. A. and S. E. Roth, president and secretary.

Advertise regularly thru the summer and you will find the so-called "slack business period" doesn't exist. Low prices and advertising will sell goods the year round.

An Important List of Improvements

Following a year of unprecedented engineering progress, Dodge Brothers announce another important list of improvements for their complete line of motor cars.

No one who contemplates the purchase of a car should fail to investigate the impressive nature and scope of these improvements at the earliest opportunity.

GALE SURVIVORS SAVED BY SHIP

New York, Sept. 24.—Four survivors of a hurricane wrecked yacht, one of them a woman, were on board the freighter Guayaquil Thursday, en route to New York.

A radio message telling of their rescue from the water-logged "Adventure" Washington St. Thomas, Virgin Islands, was received from Capt. E. W. Sparr of the rescue vessel.

The names of the survivors of the great storm were given as Miss J.

Ferlege, Louis Grossette, Edwin Bedlows and John Smith. They were picked up 100 miles north of the eastern end of Cuba.

The Dennison line offers you year-round entertainment goods. Picnics, lawn parties and outdoor events can be supplied as well as interior decorations. Bates Book and Gift Shop is exclusive selling agents for Dennison goods in this territory.
