\$ 5 PRESIDENT CONDEMNS GOVERNMENT OWNERSHIP

"They have government ownership abroad. It takes 23 men in Germany 25.56 to move a ton of freight one mile; 8.03 24 men in Italy; 31 in Switzerlang. 8.03 In the United States at takes only 5 men. It is interesting to note also that reduced to terms of bread and about one-third those in the United States. Measured by our experience, by inefficiency of service, by rate of 8 22.58 wages paid, we have everything to 76.68 lose and nothing to gain by public ownership. It would be a most peril-13.30 ous undertaking both to the welfare of business and the independence of the people."—President Coolidge.
