Democratic County Ticket!

MEN AND WOMEN WHO ARE DESERVING OF YOUR SUPPORT AT THE POLLS, TUESDAY, NOV. 2, AND WHO SOLICIT YOUR VOTE!

Mia U. Gering

Candidate for Re-election for County Treasurer of Cass County

IT IS doubtful if there are very many voters in Cass county who are not more or less acquainted with our present County Treasurer. She is a lady of great ability, has taken care of the office in a business-like manner, being accommodating to each and every one, regardless of who it might be. In the last few years, the County Treasurer's office has had considerable additional new work, such as the registration of automobiles, of which there are over four thousand in the county, but even at that, she has not asked for additional help, and has run her office without neglecting any of her duties. Miss Gering has lived in Plattsmouth for a number of years and during that time has filled many important positions. She has served one term and asks the voters of the county for re-election, which she certainly deserves.

Andrew Schliefert

Candidate for County Commissioner from the Second District

MR. SCHLIEFERT is not a stranger to the voters. He was born 53 years ago on a farm between Manley and Murdock and at the present time resides there. He is a man of high standards, good business judgment and has been Road Overseer for six years in Center precinct, so he is not a stranger to the office to which he is aspiring. The voters of Cass county can conscientiously cast their vote for Mr. Schliefert as he is conservative and at the same time is ready to fulfill the wants of the people of Cass county. He is a good road enthusiast and if elected he will do what he can to better the conditions of roads in this county. Vote for him.

Minnie Klinger

Candidate for the Office of Register of Deeds

WE ARE presenting to you as a candidate for the office of Register of Deeds, Miss Minnie Klinger, who was born and reared in Cass county, received her education in the public schools of Plattsmouth and graduated from High school in 1922. Since then she has held position of clerk and stenographer in this city; has been employed in the County Attorney's office, and also as bookkeeper and stenographer for the McMaken Truck and Transfer company for three years. She has had some experience in the Register of Deeds office during the present administration; is now holding the position of City Clerk of Plattsmouth. She has excellent qualities and is capable of holding the office to which she is aspiring. Give her your vote on election day and you will never regret it.

Fred Gorder

Candidate for County Commissioner from the Third District

MR. GORDER is before you for re-election, having served in that capacity for five years. He is at present a resident of Weeping Water, where he has lived for a number of years. Fred is practically a native of Cass county, being but two years old when his parents immigrated from Wisconsin to Nebraska, which was sixty years ago. Fred is well known over the entire county, not only as Commissioner, but in the Implement business, as he has been for so many years, he became acquainted with most everyone. He is of a conservative type and the tax payers can rest assured that their money is not squandered and their interests are fully taken care of. A vote for Fred Gorder is a step in the right direction.

Arnold R. Johnson

The Democratic Candidate for Sheriff of Cass County

IN THE coming campaign, we want to present to you a candidate for the office of Sheriff who might come to some of you as a stranger. Mr. Johnson is well known in Plattsmouth and more so in the eastern part of the county and we hope before this campaign is over that you will get acquainted with him and find his good qualities. He is at present serving as Chief of Police for the city of Plattsmouth. He has also been employed by the Burlington shops here and has been a farmer and held other different positions in town. He is a member of the I. O. O. F. and Eagles lodge and a member of the Young Men's Bible class of the Methodist church of this city. Mr. Johnson is the right age (being thirty-two years old) to make a good sheriff. He weighs 199 pounds and is 5 feet, 10 inches tall. He asks the people of Cass county to elect him to this office. He is a man of moderate means and we are satisfied he will make a splendid officer. A vote for him will be in the right direction.

Capt. Harrison L. Gayer

Candidate for Office of County Clerk

MR. GAYER is a man of high quality and well educated. He has lived in Cass county for eight years and is at present farming in Rock Bluffs precinct. He received his education at the University of Nebraska, being a student in the law school of the university at the outbreak of the World war in 1917. He went overseas with the 28th Infantry, First American Division, as Captain of the Infantry. He is a member of the Plattsmouth post, American Legion, and also a member of the Disabled Veterans' Association. When he returned he was not physically fit to complete his law studies and was advised by his physician to move onto a farm, which he did. Capt. Gayer is fully qualified to hold the position of County Clerk and is certainly worthy of recognition from the voters of Cass county for his bravery during the World war. Don't forget to vote for Capt. Gayer for County Clerk on the 2nd day of November, for he deserves it.
