RUPTURE LOCAL NEWS EXPERT HERE

F. H. Seeley, of Chicago and Philadelphia, the noted expert, will personally be at the Fontenelle hotel, and will remain in Omaha Monday and Tuesday only, Nov. 28th and 29th, from 10 a. m. to 7 p. m. daily. Mr. Seeley says:

"The Sphenetic Shield will not only retain any case of rupture perfectly, but contracts the opening in 19 days on the average case. Being a vast advancement over all former methods, exemplifying instantaneous effects immediately appreciable and unobtrusive, it is especially adapted to all cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions."

CAUTION—All cases should be cautioned against the use of any elastic or web truss with undertraps, as same exert where the lump is and not where the opening is, producing complications and necessitating surgery.

Mr. Seeley has come from the United States Government, Washington, D. C. for inspection. He will be glad to demonstrate without charge or at them if desired. Business demands prevent stopping at any other place in this city.

car came along it was stopped, and the crowd made their wants known and after a very thorough search the driver of the car located one match. Then like some people lost on an island they figured how will we be sure that this match does not go out? So all formed a circle and one getting on the inside lit the match and the kindling caught and to their efforts were rewarded. It is useless to say they had a good time, and returned home happy.

The Reward of the Pioneer!

THE PIONEER travels no easy road. Going it alone, breaking trail for the less courageous to follow, he fairly earns whatever his reward may be. For three years MOHAWK pioneered one-dial radio, blazing a trail into which other feet are turning, for it ends in leadership and profit. Now we claim the reward of the pioneer. And MOHAWK will get the reward in the 1926-1927 radio season. With a three-year start in knowledge, hard won through countless experiments, MOHAWK has just claim to public acceptance of one-dial control as radio's greatest recent achievement. We have designed a better set, established a better price. MOHAWK for 1926-1927 is a 6-tube set of amazing compactness and technical excellence. It is a shielded set at considerably less than the cost of most other high quality shielded 6-tube sets. MOHAWK offers startling values in original and exclusive cabinet and console designs. MOHAWK is the perfect one-dial Radio Receiver. All MOHAWK one-dial Radio Receivers are built under U. S. Pat. No. 1,573,374.

Death of G. O. Harmon

George Oliver Harmon was born in Ohio in the year 1844. He moved to Nebraska in 1870 and settled on the farm where he died. He engaged in stock raising and farming. He was married to Miss Mary S. Kirkpatrick in 1859. He served in Co. A, 167th Regiment Ohio Volunteers during the Civil war, being discharged after the close of hostilities. He was a devout member of the Congregational church and was always on hand at the services. He was an enthusiastic Odd Fellow and very seldom missed a meeting, his zeal for the Odd Fellows only being equaled by his devotion to the order of Rebekahs.

He was a great lover of trees and was never so happy as when working among the trees. As a result he had doubtless the finest evergreen grove in Cass county. The cyclone of a few years ago which struck southern Cass county completely ruined the evergreen grove, leaving only the stubs of what the day before had been lovely trees 50 to 60 feet in height. His was a great blow to Mr. Harmon, as his life seemed to be bound up in his trees and the lovely spot he called home.

Nearly everyone who ever visited his hospitable home remarked of the air of restfulness that prevailed the spot.

GRAVELING BEING COMPLETED

From Wednesday's Daily—The graveling of the K. of T. highway just at the south entrance of Chicago avenue is being completed and the trucks have been busy for the past two days in getting the supply of gravel out on the road which was recently washed off in the torrential rains of September. The efforts of E. H. Douglas, resident engineer of the state department of public works has resulted in getting some very prompt action in having the road regraded and placed in the best of shape after several days of very disagreeable mud holes and roughness and Mr. Douglas as well as Secretary W. G. Davis of the chamber of commerce, who was active in securing the attention to the road is to be commended.

When the state department has the road back in its former good condition the keeping open of the waterways along the roadside would do a great deal in preventing the water from the hills rushing along over the roadbed and sweeping off the gravel as this was largely the case in the past.

Counties May Take Warrants for Taxes Due

State Must Accept Remittance in as Cash, Says Attorney General Spillman.

Lincoln, Neb., Nov. 23.—Registered warrants may be taken by county treasurers for cash in payment of taxes, Attorney General Spillman today informed State Treasurer Robinson. The attorney general's opinion was rendered following a request of the state treasurer yesterday by a banker at Hastings.

The Hastings banker has been offered several thousand dollars worth of registered warrants issued to pay the salaries and bills of the state hospital there, and it was proposed to turn these warrants over to the county treasurer in payment of county treasurer to remit the warrants to the state and have them accepted as cash for tax payments.

The state must accept its own warrants as cash whether registered or not, the attorney general said in his opinion. He pointed out that the law requiring the state to do this was practically entirely restricted in effect to registered warrants because unregistered warrants would undoubtedly never be offered.

Robinson said that following this decision he would accept the warrants from county treasurers, but intimated that he did not think a very wide use of the privilege by county treasurers would be made. Anybody might buy a registered state warrant and pay the state's share of his taxes with it, he said, but since the warrants pay only 4 per cent interest there would be no profit in the transaction.

The county treasurer of Lancaster county, where are located by far the largest part of all state institutions, said yesterday that he would not adopt the policy of using registered warrants for tax remittances to the state. "I wouldn't monkey with them," he said.

Where Customers Feel at Home

Have Basketball Game.

The young ladies and gentlemen of the two teams of the Nehawka basketball team met with the two like teams of the Avoca school on last Friday evening with the result that the visitors carried off the honor in both games. The Avoca ladies won by a margin of 20 to 10, and the boys of the Avoca school slipped it over the Nehawka boys to the tune of 15 to 12. Many were over from Avoca and also from Union to see the great games played.

Union is extending an invitation to the Nehawka people to come over and enjoy a game when played at Union.

At Albert Anderson's Sunday.

Last Sunday at their home in Nehawka, Mr. and Mrs. Albert Anderson had for their guests for the day Dan Anderson and family, and Louis Ross and family, where all enjoyed the day most pleasantly and also the excellent dinner which Mrs. Anderson provided. One of the numbers on the bill of fare was roast duck and which was cooked just to a turn, and when the dinner was over the dish was of such excellence that it was gone. There was plenty, but sure they all did like it.

Hans Christopher Schomaker.

Mr. Hans Christopher Schomaker was born in Holstein, Germany, August 28th 1855, and died at the home of his son, Edward Schomaker on November 14th, 1926, being seventy-one years, two months and seventeen days old. He came to this country when he was 14 years of age, with his mother, sisters and brothers. He was united in marriage with Miss Wilhelmina Stoll October 9th, 1878, 48 years ago. The husband and wife here made their home in this count w for near a half century, the wife preceding the husband to the other land four years ago.

They were farmers and good ones at that, and were both active in making this one of the best counties in the state. From this union there were twelve children born. Three have died even before the mother the other remain to mourn the departure of the father and mother. They being Edward, near Murray where the aged father passed his last days, Mrs. Roscoe Harshman living near Avoca, Louis near Nehawka, Rudolph and Ernest, living south of Plattsmouth, Albert, of Weeping Water, Mrs. John Wiles of Murray, two brothers of Nehawka one sister at Rockney, Texas. Mr. Schomaker early in life attached himself to the Lutheran church and has been a consistent member all his life.

The funeral was held from the M. E. church of Nehawka on last Thursday afternoon, at 2:30, and was conducted by the Rev. W. A. Taylor of Union assisted by the Rev. C. Hewitt of Nehawka, pastor of the United Brethren church. The interment was made at the Saint John's cemetery.

Had to Borrow a Match.

The Senior class of the Nehawka high school, and many of them well along towards manhood and womanhood, under the guidance of their teacher, Miss Catherine Rymer, went to near Avoca on last Friday for a wiener roast, and having taken coal, oil, cobs and dry wood along for making of their fire as the snow had made the other wood wet that they might have gathered. They located their camp, and were all in readiness, when upon a canvas it was found that there was not a match in the crowd. The proposition was discussed, and it was deemed the proper thing to go to town for a supply. Just then the purr of an auto was heard, and when the
