## Commissioners Hold Their Annual Meeting

Fix Estimate for Year 1927, Set Prices for Road Work and other Routine Matters.

From Wednesday's Daily---The annual meeting of the board of county commissioners at the court house yesterday was filled with a great deal of business in connection with the opening of the year's business that will be handled by the county in 1927.

The Cass County Farm bureau made their report of the expenditures for the year 1926 as \$3,500 and also the sum of \$3,500 for the use of the bureau for 1927.

The county board in selecting a member of the soldier's relief commission, took recognition of the world war veterans by naming for the position on the commission Joseph A. Capwell of this city. Mr. Capwell has had a great deal of claims of the veterans of the civil war to handle and has been more than usually successful in this line of work and is familiar with the needs of the veterans and the war widows, who are looked after through the commission. The advanced age of the civil war veterans has made it difficult for them to carry on the activities of the commission to a great extent, especially in this part of the county.

The petition of the residents of Eight Mile Grove precinct was received asking for the granting of a license to S. J. Reams to operate a pool hall at Cedar Creek and was granted by the board.

The commissioners also set the price for county road work and dragging as follows: Ruck overcoat, 65c per hour; man, single hand, 30c; team, 20c; man and team, 45c; 11 foot drag, or over, 80c per mile; 10 foot drag, 75c per mile; 8 foot drag, per mile, 65c; under 8 feet, 50c per mile.

There was no change made in the estimate for the clerk hire for the county officers for the year 1927.

The request of the county assessor for the sum of \$200 for clerk hire for the year was granted and the assessor also named the assessors for Weeping Water and Plattsmouth cities as follows, Henry Snell, Weeping Water; J. A. Pitz and Joseph Hadraba, Plattsmouth.

The estimate for the expenditures for the year 1927 was adopted as follows:

General fund	\$64,000
Bridge fund	600
Road fund	56,000
Mother's Pension	5,500
Soldier's Relief	1,200
	176,700

## Sues to Prevent the Transfer of a Canadian Farm

Dr. T. P. Livingston Plaintiff Against G. O. Dovey and Others in Seeking Land Ownership.

From Wednesday's Daily---This morning in the district court an action was filed entitled Theodore P. Livingston vs. George O. Dovey and others, the action involving the question of the ownership of a tract of land in the province of Alberta, Canada.

The petition asks that the defendants George O. Dovey, Hallie P. Dovey, the First National bank and Fred Buerstetta, receiver, be enjoined from dealing, transferring or otherwise conveying the land in question known as the northwest quarter, section 16, township 23, range 22, all in the province of Alberta, Canada.

The plaintiff states in the petition that he had purchased the land years ago and that at a later period the defendant, G. O. Dovey had stated that he could better look after the payment of taxes and care of the farm for the plaintiff if the same was placed in the name of the defendant by the plaintiff. Plaintiff further states that he had known the defendant Dovey for the lifetime of the defendant and believing him to be trustworthy, had made transfer to the defendant without any money consideration. Plaintiff further states that he understands that the defendant Dovey now assumes to own the said tract of land that the plaintiff claims, and has, or threatens to convey the same to the First National bank. The plaintiff further claims that the defendant has received the benefits of said land and not the plaintiff. It is asked that the conveyance to the defendant G. O. Dovey be declared void and set aside and the right of the plaintiff to the land be restored.

The hearing of this suit for a restraining order and transfer of title will be heard on Friday, January 21st at 10 a. m. in the district court in this city. The defendant has been cashier of the First National bank here up to its closing on December 14th.

**PUBLIC SALE**  
We are leaving for Ohio. Am going to sell our entire line of household goods and Ford car at public auction Saturday at 2 p. m., Jan. 15, 1927, at the Vallery Sale Pavilion. Owner, Lee W. Eastridge. j12-2td-1tw

## Morrow's Quality Hatchery

215 Chicago Ave.---Plattsmouth, Nebraska.

We are setting our first hatch Tuesday, January 18th. . . Hatch those early broilers now and get them on the market before the prices drop. Early broilers always bring the highest prices. . . Come in and reserve your trays. Each tray holds 112 eggs and the price is only \$3.35 per tray. Let us stay home with the incubator.

Telephone 93

## REPORT OF FIRE CHIEF

From Tuesday's Daily---Fire Chief Dr. O. Sandin has prepared the following report of the number of fires occurring in the city of Plattsmouth in the year 1926 and which makes a real showing for the fire fighting department of the city in checking the fires and preventing the destruction of property as there are few towns of this size in the state that can boast of such a clean cut record.

Total number of fires for year, 22; loss from fires, \$2,500.  
The causes of fires as enumerated by the fire chief are: sparks from chimneys, 11; oil stoves, 2; light wire shortage, 3; auto wiring shortage, 2; overheated stoves, 2; overturned lamps, 1; defective flue, 1.

## Auto Liability Bill Introduced

Limited Only to Civil Liability for Injury to Person and Does Not Cover Property Damages.

Representative Livingston of Otoe was first across the bar of the house with a compulsory liability insurance law. It is a copy of the Massachusetts law and requires that a bond of \$10,000 shall be put up---or in lieu thereof cash or securities---from which

shall be paid judgments obtained for civil liability for injury of persons \$5,000 for death of one person and \$10,000 for the death of more than one in the same accident.

The liability companies must file with the department of insurance classifications and rates, to be approved by the commissioner, with provisions for a hearing. The bill covers trucks and motorcycles as well as automobiles and no one can get a license unless he can show a certificate that he has taken out insurance.

Representatives O'Malley, Brown and Jonstone united in two bills intended to prevent discriminatory

prices being paid for butterfat and cream and make the measure of difference in freight cost. The present proviso of "with intent to destroy competition" being eliminated. The bills were drawn by Attorney General Spillman.

Representative Drusedow has one requiring soft drink parlors to take out licenses and puts them under regulations similar to those the saloons once worked under. He would close them between 10 o'clock at night and 6 in the morning, limited to a single room with no curtains and makes license forfeited if drinking of intoxicants is allowed therein. Tea rooms and soda fountains are not included,

nor places serving coffee, milk chocolate or coca. Prohibition agents may enter at any time without search warrants.

## ENJOYS PLEASANT MEETING

From Wednesday's Daily---The Woman's Business association held a very pleasant meeting last evening at the home of Mrs. Thomas Walling on West Main street and which was one of the most largely attended meetings of the winter season. The business meeting was in charge of Mrs. Ray McMaken and after the close of the regular session the ladies spent some time in enjoying cards,

there being three tables of the players. At the close of the evening there was dainty and delicious refreshments served by the hostess that added to the enjoyment of all present.

The next meeting will be at the hall and will be in charge of Mrs. Olive Johnson, Mrs. Elsie McClintic and Ida Cotner.

## CARD OF THANKS

To the members of the Plattsmouth Volunteer Fire department, as well as the friends and neighbors who wish to express our most sincere appreciation of their aid and assistance in saving our home from destruction by fire Sunday---Emmett Rice and Family.
