Sanford Homan, of Union, where he is employed with the Charles Atterbery garage, was looking after some business matters in Nehawka on last Monday.

Mrs. V. L. Mason, of Omaha, a daughter of Mrs. Henry Feltes, of Nehawka, arrived in Nehawka on last Saturday night and visited for a number of days with her mother. They enjoyed the time most splendidly with their visiting, motoring and fishing.

Mrs. Mary Behrns, wife of Henry Behrns, who has been so feeble at the home of her daughter, Mrs. A. A. Reynolds, for some time, died early Sunday morning and was buried on Tuesday afternoon of this week. An account of her life appears in another portion of this paper. Uncle Henry Behrns, the husband, is at this time in very feeble health, and is being cared for by his daughter.

Mr. and Mrs. Stewart Rough departed some time since for an extended visit with their daughters, the first stop being at the home of Mr. and Mrs. Harold J. Dane, of Iowa City, where they spent a number of days very pleasantly, after which they went to Colone, South Dakota, where they were visiting also for a time and stopped at Oakland, where they visited again. They arrived home during this week, having enjoyed a very good time while they were away.

Reports have it that there was another wedding of the members of the Nehawka High school students, this institution seemingly providing a

large number of candidates for the matrimonial market. This time it is the charming and accomplished daughter of Mr. and Mrs. Delbert Switzer, Miss Erma, who is one of the best students of the Nehawka schools, and Mr. Ralph Harshman, also a student and a most sterling young man. They are both graduating from the high school and will enter on life's journey with a determination to succeed. Their many friends are joined by the Journal in wishing them every happiness and an abundance of success.

Many Enjoy Picnic Dinner
There was held at the Giles grove northeast of Nehawka on last Sunday a very enjoyable picnic, at which many of the people of Nehawka were present, and all enjoyed the occasion very much. All those present were very much pleased at the excellent time which Mr. Giles provided for all.

Former Citizen Visits Here
John I. Long, many years ago an artisan of this city, and later engaged in the newspaper business, first here and later at other points, being now located in Missouri Valley, Iowa, where he is conducting a paper of his own and also correspondent for several papers elsewhere, was a visitor in Nehawka last Sunday, a guest at the homes of Messrs. A. F. Sturm and E. A. Kirkpatrick and their families. Mr. Long was accompanied by his wife and their daughter, Mrs. John Ward and husband, the latter couple from Omaha. All enjoyed the visit very much.

Logs All Gone
The large pile of logs which were so much in evidence for some time past, at the Missouri Pacific yards in Nehawka, were all loaded and shipped to the owners in Des Moines, and their absence is very noticeable to anyone who has been coming to Nehawka frequently and become accustomed to seeing them.

Comparing Newspaper Values
Have you ever stopped to consider the added worth of a newspaper like the Journal, that reaches you twice a week over one that comes but once a week and then in many instances is not more than half home print? It is very plain to any thinking person that the former should be worth a great deal more to the average reader. And yet, it doesn't cost any more to take the Journal with its complete Cass county news service, including special departments for seven towns, than the subscription price to any country weekly in this part of the state.

Think it over, and if you aren't a subscriber to the Journal, ask yourself if it wouldn't be wise to have your name placed on the subscription list right now. \$2 will pay for an entire year. Hand your money to the field representative or mail it direct to the Journal office. Then you will be assured of an entire year's deluxe news service and have nothing to worry about. What do you say?

Dahlman Mayor of Omaha Again

"Square Seven" Into Office With Only One Exception on the Slate—No Disorder.

Omaha, Neb., May 3.—James A. Dahlman, Omaha's "cowboy mayor," won his seventh city election for a three year term as mayor here today. The mayor will now start on his nineteenth year as chief executive of Omaha.

Other members of the "square seven" elected are Commissioners Joseph D. Hummel, Dean Noyes, John Hopkins, Henry W. Dunn and Joseph Kousky. John Marcell, the South Omaha prosecutor, only remaining administration candidate was defeated by Arthur Westergard, civic alliance candidate.

In most precincts the voting was heavy and it was estimated the total would probably reach fifty thousand. It was observed that the vote was the heaviest in those precincts where sentiment ran solidly one way or the other. In some precincts the vote almost equalled the number of registrations with many districts reporting an 80 per cent vote.

No disorders of any consequence occurred at any of the voting places.

URGE PROHIBITION REPEAL
Initiative petitions seeking repeal of the state prohibition laws of Nebraska by a vote of the people at the next general election were put in circulation here today by the Anti-Prohibition Society of Nebraska, according to F. E. Parks, Supt. of that organization.

Under the initiative and referendum laws of this state any legislation may be proposed for enactment in this manner by the people if a petition signed by seven per cent of the voters of the state are filed with the secretary of state and the wets propose to attempt to repeal the state prohibition laws in this manner.

This movement, said Mr. Parks today, has already been endorsed by the Central labor union of Omaha which comprises most of the labor unions of that city. Omaha Aerle number 33 Fraternal Order of Eagles and others.

Dr. H. L. Karrer of Omaha is president of the Anti Prohibition society.

Death of Mrs. Henry Behrns at Nehawka Home

One of the Old Time Settlers of the Southern Part of the County Goes to Rest.

Miss Mary Sturm was born on June 8, 1851, in Alsace province, France, and came to America to the then very young territory of Nebraska, in June, 1859, with her brother Andreas Sturm, and settled on the old Sturm homestead, one mile north of where Nehawka now stands, but which was at that time an unsettled country.

She was united in marriage on October 29th, 1863, to Henry Behrns, who continued to make their home in this country and have, in fact, made their home in Cass county all their remaining lives. They were married at the old Sturm homestead by Rev. J. W. Cutter. Five children came to bless this union, four of whom survive, the eldest, mother, they being Mrs. Mary Van Ackern of Palmyra, Neb., Mrs. Winnie Neumeister of Avoca, Joseph, residing at the old home three and a half miles north of Nehawka, and Mrs. Sophia McKey, living one mile north of Nehawka. Henry Behrns preceded his mother to the other world, Mrs. Mary Behrns died at the home of her daughter, Mrs. A. A. McKeynolds on Sunday morning after an illness extending over some time.

After their marriage, Mr. and Mrs. Behrns established a home a few miles west of Nehawka, where they resided for some thirty-nine years, rearing a family which has blessed the noble man and wife whom the children loved and honored. In 1907 they moved to Nehawka to make their home and resided in town until a short time since when they went to make their home with their daughter.

The husband, Henry Behrns, who survives his life companion is now at the home of his daughter and is in very poor health. Mrs. Behrns was confirmed in the Lutheran faith at the age of seventeen and remained a devoted member of the church all her life. Mr. and Mrs. Behrns celebrated their golden wedding anniversary on October 29, 1918. Mrs. Behrns in her departure of this life leaves to mourn her the aged husband, the four children, and fifteen grandchildren and seven great-grandchildren, all honoring the beloved mother and grandmother.

PLANNING TO ORGANIZE A BASE BALL TEAM HERE
Meeting Will be Held on Wednesday Evening at the Chamber of Commerce Rooms Here.
From Monday's Daily—
The agitation for a baseball team for this city the coming season has been very pronounced in the last few days and has led a number of the players and fans to decide to attempt to crystallize this sentiment into a capable organization of players if the support seems sufficient to warrant the formation of a team in the city for the 1927 season.

The team is to be made up of available material here if it is properly handled and brought into shape and the younger players induced to get into the game and take part in the season's playing and this is one of the desires to get this material in the game and give it greater strength to the playing qualities of the team with plenty of material.

A team, if formed here, however, cannot exist on mere talk, but should have real support in attendance at the games, and which is necessary if the team is to be made go, as there are many expenses in the season that must be met and which can only be secured by the receipts of the games that are played on the local grounds.

The Plattsmouth team still is considered in the Sappy-Cass league and a meeting will be held on Papillion Tuesday evening to take up the matter of organization of the various towns in the loop and representatives of the local team will be there to discuss with the other teams the possibilities of making this city one of the towns in the league.

NO PROFIT, THUS GAS WAR ENDS ON THE WEST COAST
Los Angeles, May 4.—The end of southern California's gasoline war, which has raged for the last two months, slashing the Los Angeles price to 12 1/2 cents a gallon, was presaged Tuesday when four companies announced their return to "pre-war" price of 18 1/2 cents.

Companies announcing they would sell their gasoline at 18 1/2 cents were the California Petroleum, Los Angeles Oil, General Petroleum and Gilmore. Union Oil company officials announced they would follow suit as soon as they had "verified the new price." Standard, Shell, Associated, Pan-American and Julian officials promised to make statements Wednesday morning.

Where Customers Feel at Home

CUBS SECURE FORFEIT

From Monday's Daily—
The Cedar Creek Cubs, one of the youthful baseball teams of this section of the county, yesterday afternoon secured a forfeit of a game from the team at Springfield after the sixth inning when the defense of the Springfield team broke before the big stick attack of the Cubs. The score at the close of the 6th was 4 to 3 for Springfield but they declined to go on with the battle as the Cubs were getting to Latham, the Springfield hurler in the last inning played and tallied three runs, which placed the game in a very critical position for the Sappy boys and in which they felt they had better call it a day. Franke and Ralph Gansemer did the hurling for the Cubs while Stoehr was the backstop for the Cubs. Latham did the mound work for the Springfield team.
