Old Time Resident Here Called to His Reward

Joseph Vetersnik, Aged 86 Years Dies at Home Northwest of City Saturday Evening.

From Monday's Daily—
The community was sorrow stricken Saturday evening to learn of the passing of one of the old time residents of this locality, Joseph Vetersnik, who passed away at his home northwest of this city after an illness of some duration and due largely to the advancing years that have for some time compelled Mr. Vetersnik to abandon the usual activities and for a part of the time rendered him bedfast.

With the gradually failing health of the aged man there was in the last few days the complications of heart trouble and finally the death of this splendid friend and neighbor late Saturday afternoon.

Joseph Vetersnik was born September 16, 1840, in Rozinka, Moravia, and where he spent his earlier years, growing to manhood there amid the scenes so familiar and closely associated with his life and where in 1868 he was united in marriage to Miss Anna Toman. The happy married life of this estimable couple was terminated thirteen years ago when the wife and mother passed on to her last reward and since which time Mr. Vetersnik has had the comfort of his children and who have cared for him as the years came and rendered him less active. There came into the life of Mr. and Mrs. Vetersnik a family of eight children, seven of whom are still living and one daughter, Mrs. John A. Libershall, has preceded the father in death. The surviving children are Joseph, of Great Falls, Montana; Frank, of Edgemont, South Dakota; Mrs. Joseph Holly, John, Antonio, Mike and Mrs. Joseph Libershall of this city.

In his life time Mr. Vetersnik has been numbered among the best known and highly respected residents of the city and vicinity and his loss is one that the community will feel. In his quiet and unassuming manner he has lived out his time here and has proved a real citizen, a loyal supporter of the city and its activities and rearing his splendid family here to take their places as worthy children of their splendid parentage.

In their loss the members of the family will have the deepest sympathy of a very large circle of friends.

WRECK ON BURLINGTON

From Tuesday's Daily—
Yesterday afternoon west bound passenger train No. 3 over the Burlington ran into a washout a few miles out of Dudley, Iowa, and as the train struck the soft track that had been undermined by a cloud-burst, the locomotive and three mail cars were overturned. The train was derailed some distance and by miracle the fireman and engineer escaped any serious injury aside from the shaking up. None of the passengers on the train were injured and the derailment was one of the luckiest that the railroad has experienced in the fact that none of the persons on the train were injured.

From Monday's Daily—
Lloyd Scott and family, residing south of Plattsmouth, and E. G. Thackrey and family, residing on the Christy place north of town, were out on a picnic trip Sunday, and were down at the famous old spot of King Hill, and came across a real family of diamond rattle snakes, a snake that seems to be very rare in this part of the country. There were five in the bunch and they succeeded in killing them all, and according to the rattlers on them they were 7, 8, 9 and 12 years old, four of them, and the fifth had lost his rattles, but from his size was about nine years old also. Scott and Thackrey have the rattles as proof of their snake slaughter.

J. Richey home. Here the time was spent in a large number of out of door games with Rev. H. E. Sortor as the leader of the games and who proved a real leader with an inexhaustible supply of the games to keep the picnic party at a high rate of speed. As the darkness came on the men of the party were summoned to go forth and procure the necessary material for the campfire which they did and the ladies class then served the feast that had been arranged and which was the climax of the splendid evening. It was late when the jolly party returned home to nurse the bigger bites and other injuries that are always a part of the picnic party.

Platts Hands Shutout to the Ft. Crook Team

Locals Win Contest by the Score of 4 to 0 in a Well Played Game and Show Class.

From Monday's Daily—
The Plattsmouth team of the Sarag-Cass county league yesterday afternoon staged their initial performance on the home lot and with a clean cut victory over the hard hitting aggregation of soldiers from Fort Crook who are this year making a strong bid for the bunting in the dual county league, the visitors being shut out by the score of 4 to 0. The locals showed real flash in their work on the bases and in the fielding and nipped any hopes that the boys of Uncle Sam might have had of annexing the contest.

The catching of Spidell, former Pacific Junction high school star was one of the outstanding features of the game and his fast and peppy game back of the plate inspired his teammates in their work and the local line up was strengthened by the addition of Ed Gradoville at first and who in his usual hardworking efforts made the work of victory for the locals easier and with his stick figured strongly in the scoring of the runs that the Platters were able to check up.

In the last of the first inning Plattsmouth scored their first run when Art Klauschie was given first when his grounder to third base was juggled and Art tallied when Gradoville doubled to deep center and gave the locals the start to victory.

Again in the third stanza of the game the Platters started to do things to the soldiers when Spidell and Gradoville were both safe on short hits and were able to score on third and second when John Svoboda singled to center.

The seventh inning saw the visitors threatening to break the shut-out when they were able to place a runner on third and second base and on a slow grounder to short the attempt to score was made, Newman attempted to throw the ball out at first but the toss was wide and the man was safe but Gradoville with a fast return of the ball to Spidell at the plate nailed the runner who was racing in an attempt to score, removing the last serious effort of the soldiers to score.

In the last of the seventh the locals added another run for good measure when Swanson hit a slow grounder to short that was thrown poorly to the first baseman and who juggled the ball and allowed the Plattsmouth hurler to be safe on the sack. Swanson was at second when Spidell hit a smashing double to center on which Swanny came home with the fourth score of the game.

The pitching of Swanson for Plattsmouth was excellent and he was able to hold the visitors from becoming dangerous at any stage of the game and checked all attempt at a batting rally in the closing innings of the struggle. The locals had a fast fielding game to their credit and Reichart, Newman, Klauschie and Gradoville made a real combination on the infield which with the air tight ball played by Spidell behind the bat made the chance of the invaders very small.

The following is the tabulated score of the game:
