Domestic War Resumes Its Activities

A. C. Carey Finds Warlike Repulse This Morning When Attempting to Pack Household Goods

From Saturday's Daily—
The domestic trouble that has arisen between A. C. Carey and his wife which was brought into the courts last week when Mr. Carey was charged with an assault on his wife and was acquitted in court, again broke forth this morning and brought with it a display of gunplay toward the husband.

Mr. Carey had signed an agreement with his wife that he would provide her with the transportation to her former home in Wyoming and also would pack up the household goods and see that they were also sent out to the former home of the wife in the west.

This morning Mr. Carey arrived at the home ready to perform his part of the agreement by assisting in getting the wife ready for her trip to the west, but found violent opposition on the part of the wife who had apparently changed her mind as to going and wished to have Mr. Carey to drop his legal action for divorce and again resume the domestic life. The husband declined to agree with the wife and then the artillery was brought into play and the husband retreated to the main part of the city.

Deputy Sheriff Young was then called upon to act in the matter and he also was rebuffed in the attempt to have the household goods packed for shipment and the officer decided that the case was a matter that was more in the scope of a trained diplomat rather than an officer of the law and no complaint having been filed in the case he withdrew his forces from the armed zone and left the field in possession of the wife and the goods remain unpacked.

Death of Jacob Buechler at the Hospital Today

Well Known Retired Farmer of This Community Passed Away at 9 a. m. This Morning

From Friday's Daily—
After a period of failing health that has covered the past seven or eight years, Jacob Buechler, aged 67, prominent retired farmer of the vicinity of Cedar Creek, died this morning at 9 o'clock at the hospital in Omaha.

Mr. Buechler was taken ill several years ago with diabetes and has gradually been growing more feeble in health until a few weeks ago when the affection of one of his legs made it necessary to amputate the member in the hope of checking the malady but without effect and he has been gradually sinking until death came to ease his suffering and bring him rest.

The deceased was born in Germany on December 24, 1859, and has spent the greater part of his lifetime in this country and in Cass county where he was one of the industrious and thrifty farmers of the community and by his effort has been able to leave his family a splendid example. He is survived by the widow, Mrs. Bertha Buechler, of Cedar Creek, four sons, Fred, John, Louis and Harold Buechler, two daughters, Mrs. Terryberry and Mrs. Jack Gregory, of Grant.

The funeral services will be held on Sunday at 2:30 from the Glendale church west of this city and the interment will be at the Glendale cemetery in the community where the departed had lived for so many years.

AGED LADY KILLED

Mrs. Mathilde Berggren, aged 69, a resident of Omaha for the past fifty years, was fatally injured Tuesday when she was struck by the auto driven by her daughter, Mrs. O. W. Johnson, wife of the secretary of the Standard Savings and Loan association of Omaha, who is well known in the city.

Two other relatives also were knocked down by the car.

Mrs. Berggren died in Lord Lister hospital. Her daughter was prostrate with grief.

Picnic Planned.
Mrs. Berggren and her daughter, with whom she lived, drove to the home of Mrs. Berggren's niece, Mrs. Parris Simpson, 2242 Mason street.

The three of them planned to attend a picnic of the Golden Glow club at Hummel park, near Florence.

Mrs. Johnson got out of her own car and into Mrs. Simpson's sedan and was backing it away from the curb, when she discovered the brakes were not working. Her mother and Mr. and Mrs. Simpson were standing at the curb. Mrs. Johnson decided to park the sedan again, but lost control of it. The machine went over the curb, knocking down all three of the waiting persons.

Mr. and Mrs. Simpson were cut and bruised, but not hurt seriously. Mrs. Berggren suffered internal injuries.
