

# Greenwood Department!

Prepared in the Interest of the People of Greenwood and Surrounding Vicinity

Norman Peters was called to Omaha one day during the past week where he was looking after some matters of business.

A. W. Hudson moved during the past week to the Mrs. Opal Hartsock house where they will make their home in the future.

Wm. Willis moved to the Herman Boller property which was formerly occupied by Mr. and Mrs. A. W. Hudson, and will make his home there for the winter.

Glen Peters who is attending school at Lincoln was a visitor at the home of his parents, Mr. and Mrs. O. F. Peters for over the week end last Sunday.

While Mr. E. A. Landon was away the elevator was very properly looked after by Mr. Travis Cameron, and well knows how to care for the business in this line.

Ben Connelly is having some crib constructed at the farm near Greenwood, as he had the other constructed last year he has to have a crib for this year's crop.

Mrs. Tyler, manager of the cream station of Greenwood, moved during the past week into the Palling property, she having formerly resided in the Hallenger property.

Fred Browne just recently moved into the building which was formerly occupied by the I. O. O. F. for a meeting place, and where he will make his home for the present.

G. C. Rhoden was a visitor in Greenwood during the first part of last week and was calling on his many friends as well as looking after his line of business as well.

Mrs. Sam Aarons who has been staying in Lincoln for some time past was down to Greenwood one day last week and was looking after some business matters for a short time.

Mrs. O. F. Peters has been visiting for the week at the home of her daughter, Mrs. Barye Lewis and family at Falls City, where she has been having an excellent time.

Wm. Erickson has been feeling quite badly for the past week, and has not been in condition to work. He is, however, feeling better at this time and will see himself again.

The minister of the Christian church moved into the Hallenger property, and thus the wants of the many who were wanting places to live have been supplied, and all are satisfied.

John Lambert is remodeling the home on the farm and making some changes also in the cattle sheds, that he may have things in the best condition when the winter comes with its storms and cold.

Harry Rouse who has been visiting in Greenwood for the past month with his two brothers, Frank Rouse and family, and Wm. Rouse, and where he has enjoyed a very fine time, departed last week for his home.

Mrs. Jennie Burdick who has been visiting from her home in Ashland with her son, E. F. Smith and family, for the past ten days, departed early last week for home after having enjoyed a very pleasant visit while here.

Otto Brinkman who has been looking after the draying business in Greenwood for some time past disposed of his business last week to Wm. Erickson, who will look after this line of business in Greenwood in the future.

Julius A. Pitz, former county commissioner and a man for the place, as to that for he served with very general satisfaction for a number of years, was a visitor in Greenwood on last Wednesday to visit with a number of his former friends.

For the past week O. F. Peters has been in Omaha where he has been visiting at the home of his daughter and also doing some work on the home there in the line of building in a porch and also painting the same, as well as the house.

Mr. and Mrs. Earl Barclay who are now making their home in Kansas were visiting for a few days at

the home of Mr. and Mrs. Robert Mathews, where all enjoyed a very pleasant time. Mesdames Mathews and Barclay are sisters, they were much pleased with the visit.

Mr. and Mrs. George Bucknell who have been making their home in the resident property of W. F. Laughlin, for some time on last Wednesday moved to the house just adjoining the lumber yard office, and which is in part occupied by Mr. and Mrs. W. A. White, which will make it very convenient as the house is large and plenty room for all.

A large number of the members of the King's Daughters, the young married ladies class of the Christian Bible school, were at the basement where they were entertained by Mrs. Fred Anderson, and where they looked after the business calling the ladies together, and also enjoyed a very social hour which was enhanced by a delightful luncheon which was served by the hostess.

Make Short Trip to Northwest. Messrs. E. A. Landon, George Trunkenholz, Dr. W. H. McFadden and Lyman C. Marvin, departed on last Wednesday just before the noon hour for the west where they will hunt in Sherman county in the neighborhood of Hazard and Litchfield, for the celebrated pheasant, and they are hoping the shooting will be good. They made only a short stay, and returned home on Friday morning, but were well paid for their trip as they were only gone for a short time.

Home Last Week. On last Wednesday Mrs. C. E. Caffee, who has been visiting for some time in Kansas with relatives, at the town of Edith, departed from there the home of her father Mr. John Currah, going to the home of her uncle, James Currah, where they visited until Friday and from there returning home to Greenwood after having enjoyed a very pleasant time.

Outing in Holt County. On last Wednesday "Dad" Elwood and son Carl, and Andy Mayse departed in their car for Swan Lake where they put in a few days hunting and fishing, and were expecting to drive up and back, and enjoy the vigorous climate of an October day or more in Nebraska. The success as hunters and fishers will be the subject of another story later.

Writes Having Good Time. E. L. McDonald, and Messrs. and Mesdames E. M. Jardine, and Wayne Landon, who some time since departed for the northwest, where they were spending some time in hunting and fishing at Enders Lake, write home telling of the excellent catches which they have been having and of the desire to come some of the fish for future use, and that they sure are having the time of their lives.

Begins Picking Corn. This looks like about the first of the gathering of corn, but Walter E. Palling having some extra early corn and well matured has started getting it in the cribs, and as he has a large number of acres the harvesting of the crop will necessarily require a long time to get the grain in the cribs. Mr. Palling reports the corn as a general thing as being in good condition but still some of it very soft as yet.

Wales Praises U. S. Doughboys. London, Oct. 6.—"We can never forget you are part of the American troops who came to help us in the darkest days Europe has ever known," declared the Prince of Wales today in a speech formally welcoming 280 present and past state commanders of the American Legion to London.

The Prince of Wales presided at a luncheon for the Americans at the Cecil hotel, given by the British Legion. In paying tribute to the Americans the prince added:

"You are as welcome now as you were ten years ago. We want to see that the lines of comradeship between American and British fighting men never become merely sentimental, but become stronger bonds in the interest of world peace."

## New Warrants Above the State Cash Increase

Overdraft Against State General Fund Was \$4,137,250 September 30.

Lincoln, Neb., Oct. 5.—Total cash in the state treasury increased 333 thousand dollars during September, but the amount of registered general fund warrants also was increased by 452 thousand dollars, report issued today by State Treasurer Stebbins revealed.

On September 30 the overdraft against the general fund was \$4,137,250, the report showed. Of that sum, \$3,515,270 was represented by registered warrants and \$621,980 by money borrowed from other state funds.

Total cash in the treasury of Nebraska increased during September by 333 thousand dollars but in the same month the amount of registered general funds outstanding and drawing 4 per cent interest was increased by 452 thousand dollars, so that the net financial condition of the state was 119 thousand dollars lower at its close than at the beginning.

On September 30 the overdraft against the general fund was \$4,137,250, as shown by State Treasurer Stebbins' report for the month. Of that sum \$3,515,270 was represented by registered warrants and \$621,980 by money borrowed from other state funds.

The gross amount of cash on hand in all funds was \$3,436,030 at the end of September, compared with \$3,102,881 on the first day of the month. More than one-third of the entire sum, or \$1,311,227, belonged to the capitol fund. The gasoline tax fund was credited with \$586,308; the federal aid road fund with \$447,190; the temporary school fund with \$44,692; the permanent school fund with \$307,601 of uninvested cash, and other funds with lesser amounts.

Treasurer Stebbins has issued a call for \$548,584 of registered warrants, including all which were issued during last April for payment October 11. The accrued interest on them to that date will be \$10,375. After that they will draw no more interest.

During September the total treasury receipts were \$1,427,947 and the cash disbursements \$1,094,789. Warrants aggregating over \$585,000 against the general fund were registered.

FACTS ABOUT NEBRASKA Nebraska grain companies to the number of 95 have filed bonds as public warehouses for approximately \$550,000 with the state railway commission and covering 134 elevators. The size of the bond changes from 200 to 2000 bushels of grain handled. Thirty-nine strictly co-operative grain exchanges are not compelled to give any bond.

Nebraska has 93 counties. Eight were organized in 1854, in territorial days. Cherry county is the largest with 5,979 square miles. Sarge county, which nestles up to Douglas on the south, is the baby county with 240 square miles of area.

Nebraska has produced the champion butterfat cow, Beauty Girl was raised at the North Platte experimental station of the university. Her record for last year, was 1,006 pounds of butterfat.

NEW BOOK LAUDS GAS ASSOCIATION The establishment of a testing laboratory by the American Gas Association is hailed as the most important of producers' trade association activities with relation to standardization from the public's viewpoint, by Stuart Chase and P. J. Schlink, in their book, "Your Money's Worth," published by the Macmillan company.

The testing laboratory referred to has already approved more than 5,000 types of gas-burning appliances, including gas ranges, space heaters, flexible gas tubing, and water heaters. An increasing number of manufacturers of appliances are now making only products that have been approved by the testing laboratory and now bear its Blue Star approval seal. Gas companies are also pledging themselves to sell nothing but appliances bearing this seal.

MEXICO AND PORTO RICO BUY NEBRASKA POTATOES Alliance, Oct. 2.—Now foreign markets are looming in Mexico and Porto Rico for the high-grade seed potatoes raised in northwest Nebraska. Large quantities of the choice seed spuds will be shipped to these countries according to local dealers of the seed. There are strong markets for the certified seed spuds in the southern states and in Bermuda.

In two or three years, Mexico and Porto Rico will absorb a large share of the high grade spuds of this section of the country are banded together in a Certified Potato Growers' association. Inspectors grade the potatoes in the fields at many times during the summer, and if the spuds come up to a certain test they are accepted as certified stock.
