Stine's Grocery

Union, Nebraska

During the time that Ira Clarke was away on his hunting trip, Albert Wolfe of Nehawka was in Union conducting the barber shop. Mr. and Mrs. C. G. McCarthy were called to Omaha last Monday to look after some business matters, they driving up to the big city in their car. A. L. Becker has been sawing wood, which he is preparing to ship to Lincoln and other points and for which he has an abundance and of the very best quality. Harry Royal and wife, the latter a daughter of Attorney C. L. Graves, drove over from Lincoln on last Sunday for a visit with the Union attorney and enjoyed the visit very much, returning home in the evening. Hans Christensen and J. W. Woodward were over to Nebraska City on Friday of last week, where they enjoyed seeing the corn picking contest which was staged near that city, and

where the pickers surely made the corn fly.

Julian D. Graves, of Peru, attorney and a brother of Attorney C. L. Graves of Union, was a visitor in Union with his brother on Monday afternoon of this week, and also visited at old Rock Bluffs and at Murray with other relatives.

Miss Sarah Upton, who is teacher of the Swan school, has arranged for the giving of a box social at the school where she teaches and which is known as the Swan school, or District number 13, and which will be given tomorrow (Friday) night.

Mr. and Mrs. Fleming W. Robb and the family were visiting for the day last Sunday at the home of the parents of Mrs. Robb, Mr. and Mrs. L. A. Tyson of Elmwood, they driving over in the morning and enjoying a very fine day and returning in the evening.

Ira Clarke and Howard Taylor were spending this week at the river, where they have camped and are putting in the time hunting and fishing. They were joined on Tuesday morning by Clarence Dukes, who went to their camp for a short time to enjoy the hunting with them.

Mrs. C. E. Witherow, who has been in Lincoln for some time, returned home late last week and reports a visit of the stork at the home of her daughter, Mrs. C. W. Conklin, where there has been left one of the sweetest little babies ever, and with the little lady and mother doing nicely at this time.

Enjoy Excellent Meeting
At the beautiful country home of Mr. and Mrs. R. E. Foster on last Friday was held a session of the Woman's club of Union, at which Mrs. Foster, assisted by Mrs. Clifton B. Smith, presided, and where a

most enjoyable afternoon was spent. The subject for discussion was "Pioneer Days," and which was in full charge of Mrs. Smith. A general discussion was had, with specialties by some of the ladies who had resided here for a long time. Mrs. G. S. Upton who has been a citizen of Liberty precinct for about half a century, was present and made a most enjoyable address on the early days of this portion of the country, and Mrs. Mont Robb also gave a most delightful address on the early days in Wyoming precinct, and with the address by Mrs. Upton was most thoroughly enjoyed. Mrs. J. D. Cross and Mrs. E. J. Mongay sang most beautifully a special request number which was greatly enjoyed by all present.

Arrangements had been made for the singing of "The Little Sod Shanty on the Claim" from radio station KMA at Shenandoah, and this was one of the very enjoyable features of the afternoon as it came in over the loud speaker and was intently listened to by all present.

Fine in the Golden West
Mr. and Mrs. Winnie McNamee, who were visiting here for a number of weeks and who returned to the west a short time since, reported that they had a fine trip home and also found the seventh cutting of alfalfa being cut and put up for hay. They are surely in love with the golden west.

Visit Kansas City
Last week a number of the people of Union took advantage of the excursion, which the Missouri Pacific put on, and went to Kansas City, where they spent the day and enjoyed the trip excellently. Those to take the opportunity were Mesdames Frank Boggs, Wayne Garrett, D. C. LaRue and Mollie Garrens.

Program Greatly Enjoyed
The members of the Methodist church and Bible school presented to the surrounding states, one of the very best programs which has been broadcast from the Friendly Farmer station, KFNF, at Shenandoah, for many a moon, on last Sunday. The program was arranged by William James, who is director of the orchestra of the Methodist church. Many very favorable comments were received from the listening public and the little daughter of Mr. and Mrs. Clifton B. Smith, Elaine, received two telegrams from Bird City, Kansas, from admirers who listened to her sweet voice over the air. Mr. James and the members of his chorus are to be congratulated on the excellent af-

ternoon's entertainment which they furnished the radio listeners.

Union to Have Oil Well
There have been in the field near and surrounding Union some prospectors for oil, and have entered into a contract for the sinking of an oil well near this place, which is expected to be located a few miles south of town on the highway. Nothing is given out for sure until there shall have been enough of the farmers in this vicinity evinced their interest in the proposition by signing a lease for the drilling of the well, if located on their place.

Entertained the Visitors
The Order of Eastern Star, of Union, or rather the members of this order who make their homes in Union, entertained the other members of the order to which they belong, the members of the Plattsmouth lodge, and who reside at Murray and Plattsmouth, at an afternoon gathering, which was held at the home of Mrs. Mary B. Allison, and a most delightful time was had. The ladies of Union members of the order showed themselves adept at entertaining and provided a most wonderful time for the visitors.

Are After the Water
The people of Union, who have failed in the sinking of two holes in the obtaining of just the thing they desire in water for their city water works system, were in consultation on last Monday evening in an endeavor to solve the mooted question as to where is the best place to sink their well.

Methodist Church Notes
We welcome you to the services of our church. Sunday services for November 13th, as follows:
Sunday school at 10 a. m.
Morning worship at 11 a. m. Sermon on "The Apostles' Creed."

Woman's Club Enjoys Evening on the Drama

Very Interesting Program is Given on the Art of Dramatics at the Public Library.

From Tuesday's Daily—
Last evening the regular meeting of the Plattsmouth Woman's club was held at the auditorium of the public library and quite a pleasing number of the membership were in attendance to enjoy the program that had been arranged for the occasion.

The evening was largely devoted to the dramatic department of the club and which was featured by a very interesting discussion of the drama given by Mrs. William Baird, the leader of this department of the organization.

The class in voice expression was also heard in several interesting studies that added to the interest of the meeting and gave the club ladies an idea of the work of the club. Those in the class taking part were Mrs. Harry Bellar, Mrs. Robert Troop, Mrs. Will Gorder, Mrs. Earl R. Teeples, Mrs. James F. Doyle and Mrs. Fred Coryell.

The report of the state convention of the Nebraska federation was given by Mrs. L. L. Turpin and Mrs. Earl Teeples, the delegates from the local club, as well as Mrs. E. H. Wescott, the chairman of the state federation music department.

During the program, Miss Betty West, one of the talented teachers of the city schools was heard in a very charming piano number that added a great deal of interest to the evening.

SCHOOLS RESUME ACTIVITIES
From Monday's Daily—
After a vacation of some three days during the time of the sessions of the various district groups of the state teachers' association, the schools resumed their usual activities today and the regular grind of the term resumed. The Plattsmouth and Cass county teachers largely attended the Omaha sessions, although a few of the teachers were at the Lincoln meetings and to attend the University of Nebraska homecoming and the social festivities that marked the end of the week.

SOCIAL AND SUPPER
There will be a box social and supper at the Bestor school in district No. 42 on Friday evening, November 11th. A Thanksgiving goose will be offered. The public is cordially invited to be present.
MISS LOUISE RUMMEL,
Teacher.

Glenwood Garage Man Disappears on Friday Afternoon

Dempsey Ferrell Mysteriously Disappeared Friday Afternoon—No Clue to Whereabouts.

From Wednesday's Daily—
Dempsey Ferrell, well known Glenwood garage man of this city mysteriously disappeared last Friday afternoon and no clue as to his whereabouts has thus far been learned. He was last seen at the garage shortly after 2 o'clock and as Ellison Everham was going to the 2:35 train he reports having seen him standing in the corner by the Darting oil station. He was dressed in his overalls and wore a new black leather jacket. He took no car from the garage and complete mystery surrounds his disappearance.

Albert Skaggs, who worked at the garage and Wm. Jones who operates a taxi service from the garage missed him but supposed he had gone home. When he did not come to supper his wife made inquiry and when he had not appeared by 10 o'clock officers instituted a search for him. He has been in poor health for several years and has undergone seven operations but after the last one months ago had been improving and there is no indication that he was worried over his physical condition. Financially it is said he had no reason for any unusual worry at this time and his home life is said to have been pleasant all of which complicates the situation and makes his disappearance a mere complete mystery.—Glenwood Opinion.

Football Game at Blair Proves a Close Contest

Strong Blair Team Held to a 7 to 6 Count in Exciting and Close Game Sunday.

From Monday's Daily—
Yesterday afternoon the Plattsmouth Athletics journeyed to Blair and staged a brilliant battle with the team of that city and in which the locals earned the respect of their foe by the strong and aggressive game that they played.

The final score of 7 to 6 with the extra point in favor of Blair represents a most exciting struggle that thrilled the onlookers and plunges of the locals and the aerial attack of Blair was featured.

The first score of the game was made by Blair on a pass that was completed and the runner escaping the Athletic tacklers raved for the Plattsmouth goal to be downed on the one yard line by Frank Sedlacek. The Blair team was checked on the one yard line for two downs until a short pass over the line gave them the coveted touchdown and a successful try for extra point gave them the seven that represented victory for them.

The Athletics scored in the last part of the game when a fumble by Blair was recovered by George Sedlacek, fast half back of the Plattsmouth team and who raced thirty-five yards for the touchdown, his interference being of a high class. The try for point by Plattsmouth failed and left the score 7 to 6.

The Blair team was very successful in their passes, the large part being short passes that were generally made good for gains. The Athletics completed only two of their passes.

In the first downs through the line the Blair team were unsuccessful while the Athletics were able to complete seven of their first downs on the line plunges.

The game was the best that the locals have had and was one in which they showed their real class as the Blair team is reputed to be one of the best in the state.
