Nehawka, in the way of nearly rebuilding their home, and at the same time have furnished it complete with new furnishings, which makes a very cozy home for this excellent couple. A Weeping Water car salesman putting forth the good qualities of the Whipper, was making better time than the ordinances of Nehawka prescribed and for such infraction of the law its dignity was appraised by fine and trimmings of \$5.25. This was paid and charged up to the advertising or demonstration account. Daniel Anderson and the family and the family and Mr. and Mrs. Louis Ross and the children and Albert Anderson and family were guests for the day last Sunday at the home of Mrs. Bedella Stander of Louisville, who is a sister of Mrs. Ross and the Anderson brothers. A most delightful time was had during the day. Mrs. I. M. Davis of Lincoln, was a visitor in the neighborhood of Nehawka and was accompanied by her father, Mr. George W. Will Make Home in North.

While the people of Nehawka and vicinity will be the loser, the institution where he is called to assist in the Mayo Bros. hospital at Rochester, Minn., will be the gainer and his ability as a practitioner will assist in the relieving of many who go to that institution for treatment. Dr. A. R. Kintner during his practice in Nehawka has effected some wonderful cures and it is with much regret that the people of this vicinity see him depart. The office which he leaves will be filled by Dr. Lemuel Barrett, whose father and a very eminent physician practiced medicine in Union for many years. We are hoping for Dr. Barrett the same good success as has had Dr. Kintner and we are all wishing Dr. Kintner in his new field an abundance of success as well.
