Gold Medal FLOUR

The flour you will eventually use. Car load of this excellent flour received early this week by the Nehawka Mills. As you will use this flour eventually

WHY NOT NOW
C. D. St. John
Nehawka, Nebr.

Frank Trotter was a visitor in Omaha on last Monday, taking with him a load of hogs.

R. Kettlehut and Albert Wolfe were visiting in Nebraska City as well as looking after some matters of business on last Monday afternoon.

Albert Anderson and Raymond C. Pollard were again called to Plattsmouth on last Monday, where they were serving as jurors in the district court.

John G. Wunderlich and the good wife were guests for the day last Sunday at the home of their daughter, Mrs. C. A. Rosencrans, they driving over to the county seat in their car for the day.

Clee Stone, who is a noted corn picker, has completed his work at the home of W. O. Troop, where during the month of November he picked one hundred and thirty acres of corn, making over 4,000 bushels.

Elmer Philpot, believing the best care of hogs will bring the best results, has had constructed a fine series of hog houses which will keep the little pigs healthy and make the business of growing meat the more profitable.

Vance Schumaker, the 14-year-old son of Mr. and Mrs. Edwin Schu-

maker, has been quite ill for some time with bronchitis, and while he may be slightly improved, still remains very poorly from the effects of the disease.

George Billingsley, who is a corn picker of much renown, made quite a fine record this fall, when for fourteen and a half days he averaged 92 bushels per day, and which was a good line of corn picking. The corn was gathered on the farm of Hall Pollard.

Dr. A. R. Kintner, who is soon to go to Rochester, Minn., where he will put in four years at the Mayo Brothers hospital, as a house physician, has been quite ill at his home in Nehawka, and while he is some better, was still confined to his bed on last Monday.

Albert Willis, the merchant of Nehawka, was looking after some business matters in Nebraska City on last Monday morning and later in the day was called to Omaha, where he spent the afternoon. During the time he was away, the business was conducted by Morris Pollard.

Harold Kimlon and family of near Murray were visiting at the home of Mr. and Mrs. T. E. Fulton, parents of Mrs. Kimlon, where they all celebrated the fifth birthday of Master Harold Kimlon, Jr., their son, and where all had a most pleasant time, enjoying the occasion as though all were having a birthday.

James and William Walker, brothers of Price Walker, of north of Nehawka, and the brothers making their home at Dawson, and accompanied by Leland Walker, who is also making his home there, and a son of Price Walker, were visiting at the Walker home north of Nehawka for the day on last Sunday, and where all enjoyed the day very much, returned home in the evening after a perfect day.

Meets with Serious Accident

Mrs. John Schwartz, while returning home from a trip down town on last Monday morning, slipped on the snowy sidewalk and in falling sustained a fracture of one of her arms, and which was of such a serious nature that the good woman was taken to the hospital at Nebraska City to have the fracture reduced. She had slipped and fallen on the walk, when C. W. Christweiser came along and assisted her to arise and called the doctor.

Visitors at Legion Meeting

A number of Nehawka members of the American Legion drove to Plattsmouth Tuesday night to attend the annual installation of the officers of the post there, at which District Executive Committeeman Dearie Baker, of Shubert, was present and officiated as installing officers. The boys also invited their Plattsmouth comrades to be guests of the post meeting here Thursday night, when both Mr. Baker and State Commander Jean Cain, of Falls City, will be present to install the local officers.

Impressions of the East

Frank Martin, who has been making his home in Cass county, Nebr., for several years, and who has become mainly western in thought, action and purpose, disposed of his farm here and in exchange acquired some lands in the old state of Virginia, and some time since drove back there, being accompanied by Mrs. Martin, where they expected to make their home in the future, having remembrances of the old home and the excellent times which were enjoyed there in the years which have flown. They took their trusty

Ford and made the trip back in four days, the distance being from Nehawka to Huntington, twelve hundred miles. Mrs. Martin, who is very observing, counted the spring coits, through fourteen states which they traversed, both going and returning and found twenty-six coits, and in no place did they see as much as a car load of cattle in one place. They visited at Huntington, Richmond, Va., Washington, D. C., and many places of interest, as well as taking a bath in the old Atlantic ocean. Mr. Martin has a large amount of large timber on the lands which he acquired in the east, and was like any western man looking for something to do and so sought to dispose of the timber and thought he would get it logged and sawn and sell the lumber, he having a truck to haul it to market. So when he was investigated, he found it would cost \$10.50 per thousand feet and the sawing would cost \$8.50, making in all \$19.00 at the saw mill. Then the hauling of it to market, which was eight miles distant, would be extra, and it would only bring \$15. So Frank left the timber on the stump. Paper money is the only thing they have in that country, and a silver dollar is so scarce that one would be tempted to pay a premium to secure one. Verily the country has changed since they left there years ago.

OBITUARY

Henry Behrns, Cass county pioneer and highly respected and well known citizen of southern Cass county, died early Monday morning, Dec. 5th at the home of his daughter, Mrs. Alvin McReynolds near Nehawka after a brief illness.

Mr. Behrns was born in Mecklenburg, Scharwin, Germany, Oct. 10, 1845 and came to Cass county, Nebraska, July 11th, 1862. He was married to Mary Sturm at the old Sturm home north of Nehawka October 29th, 1868. His wife preceded him in death on May 1st of this year, cutting short by but a few months a span of 60 years of wedded life.

Following his marriage, Mr. and Mrs. Behrns settled on a farm 3 1/2 miles west of Nehawka where for 39 years they continued to reside. Retiring from active farm work they moved to Nehawka in 1907 and continued their residence there until the early part of this year when failing health, they spent the remaining time with their daughter, Sophia. To this union five children were born; four survive as follows: Mary Van Ackren, Palmyra, Minnie Meunister, Avoca, Sophia McReynolds, and Joe Behrns, Nehawka, the eldest son. Henry, died a number of years ago. In addition to the children who survive and mourn his passing he leaves his only sister, Mrs. Sophia Stoll, 15 grandchildren and five first grandchildren.

Mr. Behrns was aged 82 years, 1 month and 25 days.

Expect Brunson Shift Will Come Early in January

Certification of Eligibles Likely to Be Made Shortly After First of Year.

Washington, Dec. 6.—Certification of eligibles for appointment as prohibition administrator for the district which now includes Nebraska will be made by the civil service commission shortly after the first of the year, its officials said today.

Investigation of applicants for the position has been virtually completed, although the commission is closely guarding the names of those who will be declared eligible.

Because of failure of the deficiency bill at the last session, the commission has been hampered in its work of making a list of eligibles for nearly three thousand prohibition enforcement positions, and it will be unable to submit even a complete list for the administrative posts, of which there are about 25, when it nominates eligibles for the job now held by Glenn E. Brunson.

It is the expectation of the prohibition bureau to make appointments shortly after the eligible list is before it and it is entirely probable that Brunson will during January either be retired as administrator or assigned to a district from which Nebraska has been excluded according to a recent intimation of Dr. John M. Doran, prohibition commissioner.

EIGHT MILE GROVE LUTHERAN CHURCH

9:30 a. m. Sunday school.

10:30 a. m. German services.

On Wednesday afternoon the ladies aid will meet at the church. The hostesses will be Mesdames Jake Kreager and Julius Engelkemeter. All members are urged to attend.

FOR SALE

Imaged Black Poland China males for sale. E. M. Smith, Union, Neb.

Death of Henry Behrns, Resident of Near Nehawka

Highly Esteemed Citizen of the County Passed Away Monday at Age of Eighty-Two.

From Tuesday's Daily—

Another of the residents of the county who came here at an early date to assist in the development of this part of the west, was called from the scenes of his earthly activity yesterday when Henry Behrns, of near Nehawka passed to his last reward. Mr. Behrns has for several months made his home with his daughter, Mrs. Alvin McReynolds just north of Nehawka, as his advanced years made it necessary for his care and especially in his grief at the calling of his life companion to the last reward some four months ago. Suffering the infirmities of his advancing years the aged man passed peacefully to his last sleep yesterday morning.

Henry Behrns was born in Germany October 10, 1845, and was a son of James and Sophia Behrns, highly esteemed residents of their native province of the great German nation. The father was a bricklayer and plied his vocation in his old home as the little family grew to youth and then with the ambition of making the sturdy resident of that section of the old world he turned his eyes westward toward the United States of America and in the year 1862 departed with his little family for the new world to seek his fortune in the land of promise. On reaching America the family came west to the state of Nebraska which was just then preparing to take on the responsibilities of statehood. The elder Mr. Behrns purchased a farm in Avoca precinct and the family made their home there for a great many years. Six years after the father purchased the farm, Henry assumed the management of the farm and has been active in the farming work of the county since that time until his advanced years compelled him to lay aside the active labor of the farm and Mr. and Mrs. Behrns removed to Nehawka where they spent several of their declining years in their home there. Henry Behrns and Miss Mary Sturm were married on October 29, 1868, in Liberty precinct and after the wedding returned to their own home in Avoca precinct where they resided and reared their family to manhood and womanhood.

Mr. and Mrs. Behrns have been numbered among the best residents of Cass county and their labors and efforts have contributed much to the upbuilding of the community where they have made their home and in which their children can feel a just pride and the community realize a wonderful inspiration from their services in the pioneer days of the county. Mr. Behrns is survived by three children, Mrs. Alvin McReynolds, Joseph Behrns and a daughter who resides near Syracuse.

The funeral arrangements have not as yet been completed by the members of the family.

EARLY MAILING

During the holiday time the volume of mail increases approximately 200 per cent. It is a physical impossibility to handle this great mass of mail matter efficiently and promptly within a few days. Therefore to insure delivery of their Christmas presents, cards and letters by Christmas day the public should SHOP AND MAIL EARLY. Do your Christmas shopping so that you can mail your gifts, greetings, and letters to relatives, friends, and loved ones at least a week or ten days before Christmas, according to the distance. This will not only make it certain that they are received on or before Christmas day, but will be a great aid to your postal service and to postal employees and enable them to spend Christmas day with their families.

MANITOBA'S LIQUOR BILL

Winnipeg, Manitoba, Dec. 6.—Authority for Manitoba government to engage in brewing and distilling business and to operate its own beer parlors is provided in the new liquor bill which has passed first reading. A section of the bill grants the government the right to erect, purchase or lease a distillery or brewery and in cases where a person or corporation owning or authorized to sell a brewery or distillery is unable to agree with the government on the value of the holdings, the lieutenant governor-in-counsel is empowered to expropriate the property.

Beer parlors are not to be established in any of the twenty-three "dry" constituencies in the province without sanction of the voters.

RETURNS FROM HOSPITAL

From Wednesday's Daily—
Mrs. Elmer Lohnes, who has been at the hospital in Omaha for some time and who later was at the home of friends in Omaha for a few days, has so far recovered that she was able to return home and is now resting here at the home of her parents, Mr. and Mrs. Louis Lohnes and recovering from the effects of her illness and operation.

HAVE YOUR CARDS ENGRAVED

Those who are planning to have their names engraved on the Christmas cards this year should secure their cards as well as bringing their plate to the Bates Book & Gift shop where the work will be looked after without delay.

New Buildings for Fort Crook

U. S. Government Will Spend \$18,000 for Mess Halls, Kitchens, Bath Houses.

Word has reached Omaha that the war department has ordered nine new buildings at Fort Crook, to cost approximately \$18,000. Work will begin at once. These buildings are for the training camp located at this fort. Included in the list for erection are five mess halls and kitchens, two battalion type bath houses, an officers' bath house and one supply house. This has been found necessary if the training camp is to be continued at Fort Crook. Last season the hangar had to be used for a mess hall.

According to J. M. Lockett, major of the staff at Fort Crook, work will begin before January 1. The work of construction at this place is only following out the general policy of the government in providing semi-permanent buildings at all points where training camps are located.

NOT PAID FOR LECTURES

Oslo, Norway, Dec. 4.—An unpaid balance of \$10,000 for lectures already delivered was Capt. Roald Amundsen's reason for departure from the United States about the time he was preparing to deliver a series of lectures. It was announced today that in order to refute various rumors in connection with the cancellation of this lecture tour Captain Amundsen would make known thru his attorney in Monday's newspapers that \$10,000 was owed to him by the American manager of his lectures from his tour in 1926-1927. Amundsen, therefore, refused to keep the new contract until this debt was paid.

SAYS ALLEGATIONS UNTRUE

From Wednesday's Daily—

Louis Keil of Lincoln was in the city today for a few hours visiting with friends and while here stated that the allegations made in the suit filed against the officers of the defunct First National bank covering alleged excessive loans made to Mr. Keil, do not fully represent the real facts and have caused Mr. Keil some annoyance. The notes in the bank made by Mr. Keil as guardian of Ray Lambert, minor, Mr. Keil states were strictly correct and that the amounts so secured were turned over by him to Mr. Lambert and that the transactions were approved by the county court in which Mr. Keil was discharged as the administrator of the minor when Mr. Lambert reached his majority. Mr. Keil states that several have misunderstood the matter and that he desires it placed in the proper light that there may be no misapprehension as to his transactions or the fact that the minor received the full benefit of the amounts secured by the notes.

55 DROPPED FROM UNIVERSITY ROLLS

Lincoln, Dec. 4.—Thirteen hundred students, 20 per cent of the student body of the University of Nebraska, were reported unsatisfactory in one or more subjects at the end of the first half of this semester, the dean of student affairs reported.

Those whose work was unsatisfactory in more than two-fifths of their course numbered 314. These were called before the scholarship board and 259 of them allowed to continue their studies on probation. Only 55 were dropped from university rolls.

Get your school supplies at the Bates Book and Stationery Store, where you will find the complete line at all times.

Christmas

Sure, it will soon be here. Better look for a suitable present. See Lundberg for a radio. He has just what you want for a Christmas present. Remember that he keeps the batteries charged on all entire sets sold by him.
