'Pow-Wow' of Local Chamber of Commerce

Will Be Held on Thursday Evening, May 31st at the Public Library Auditorium.

This city is to have a big "Pow-wow," but instead of this gathering being a war council of the warlike Sioux or other of the tribes that once roved the Nebraska plains, this gathering will merely be the Indians that belong to the Chamber of Commerce, all of whom as far as we know are "good Indians."

At the annual meeting of the Chamber of Commerce held in January, it was voted by the membership to have an open forum meeting at least once a month and while this was covered by the Happy Hundred meetings in the winter months, it was decided by "Chief Cliff" and other of the members of the war council, to have the first of the evening forum meetings held under the designation of the "Pow-wow."

This meeting will be held at 8 o'clock on Thursday, May 31st and will be a general meeting at which the club reports will be given, the business of the Chamber of Commerce transacted and the various enterprises that the civic organization has on tap for the next few months will be discussed.

This is everybody's meeting and all who have the civic interest at heart are urged to get out and have a part in the "Pow-wow" of the Chamber of Commerce. These meetings will be held once each month and the public and all of the members of the Chamber of Commerce are urged to attend and get in touch with what is doing in the line of civic improvement and plans and also come ready to put their shoulders to the wheel and give one big shove to the move to make this the best year in the city's history.

Search for Alleged Buried Money Given Up

Thorough Search of the Premises of John Usovitz Fails to Reveal Any of Buried Wealth.

From Wednesday's Daily—
The search that has been in progress since Saturday morning to try and locate the \$1,000 which John Usovitz, murderer-suicide, claimed to have concealed about the premises on East Cut Off street, is ending with failure to find the amount about the place and it is thought the man, crazed by his killing of his two neighbors had written the message of the money being left while in his irresponsible condition.

The search has been conducted at the residence by Jack Brittain under the direction of Sheriff Bert Reed and it has been thorough as the house has been searched almost with a fine comb and the grounds gone over with a grade in practically every place that it would be possible to hide the money, if any there was. Mr. Brittain has taken several days and searched the house, cave, woodpiles, outbuildings and all other places where it might be possible to cache the store of money but without any measure of success. This morning Sheriff Reed decided that the search had gone as far as was possible and not tear the house completely down and accordingly the official search for the funds has been abandoned.

The disposition of the property of the dead man, real estate and a small savings account in Omaha, as well as the \$22.75 left at his home at the time of death have not as yet been disposed of and the ultimate outcome of this property will depend on what action if any that the relatives in Europe might make. The dying statement of Mr. Usovitz indicated a desire to leave his money and property to Mr. Emberry and which may be accepted in court as a legal will.

SECURE MANY SCALPS

The coyote business is good, states County Clerk George R. Sayles, as he has since January 1st received eighty-five scalps that were sent in for the bounty of \$2 each or making a total of \$170 that has been paid out so far in this county on the coyote scalps. The latest to bring in the scalps is Ed Shumaker of near Murray with six, J. W. Welch of South Bend with six and John Rothenbach, Jr., of Elmwood with six. The scalps have been received from all sections of the county and show that there are a great many of the dens of these animals in existence over the county.

From Tuesday's Daily—
This morning at 11 o'clock at the home four miles west and one mile south of Murray occurred the death of Adolph F. Boedeker, aged 71 years, a resident of Cass county since 1865.

Mr. Boedeker has been ill for several days from double pneumonia and from which illness he succumbed this morning.

The deceased was a native of the state of Minnesota, where he was born February 22, 1857 and when a lad came to the territory of Nebraska July 28, 1865 and has since made his home in this section of the county in the vicinity where the present town of Murray is located. He was married to Miss Lattida Wenkey in his youth, the wife and mother preceding him in death some seven years ago. Of the family circle there remains three sons, Frank A. Boedeker of Omaha, H. OPEN NEW STORE

The firm of H. M. Soennichsen, one of the largest retail grocery firms in the eastern part of the state of Nebraska, have enlarged their field of activity, and are now enrolled among the merchants of greater Omaha, as the result of securing a store on south 24th street in Omaha, which they are now conducting and which is making a very fine start under the new management. The business that they have secured is one of a long established firm, one of the owners having died and in the settlement of the affairs the store came into the hands of Mr. Soennichsen, L. F. Langhorst of the local Soennichsen store has been in Omaha for the past week getting the store in running order and it is now a live and active business enterprise and having an excellent location on the South Side, on the main thoroughfare of that part of Omaha should be a real business getting establishment.

Juniors Tender Farewell to the Senior Class

Reception and Banquet to the Senior Class One of Features of the School Year.

From Wednesday's Daily—
Last evening the first of the social activities that marks the close of the school year was held—the Junior-Senior reception, and which was staged by the young men and women of the class of 1928 in honor of the class of 1928.

The reception was held at the American Legion community building, the interior of which had been transformed into a place of rare beauty by the juniors, the colors of purple and gold, the senior colors, being woven into the decorative plan of the hall.

The center section of the hall was enclosed as the banquet hall by the lattice work of gold and blue, the pillars supporting the roof solid blocks of blue and over the whole the solid ceiling of blue, cleverly arranged and making the whole of the banquet room one of the greatest charm. Entrance ways were gracefully arranged with arched designs and drapes in the blue and gold.

The orchestra stage also had a very artistic canopy of the blue and gold and with a large arched centerpiece that added to the charm of the whole of the decorative scheme.

To the south of the improvised banquet hall there was arranged the rest room where soft and comfortable chairs, floor lamps and other home comforts aided to the pleasure and comfort of the guests.

The tables in themselves works of art, with gold candles and the floral decorations of the yellow roses and sweet peas to further emphasize the color scheme.

Tiny candy corsages cleverly arranged by the ladies of the American Legion Auxiliary were at each of the girls' places while the boys received candy boutonniere as their favors of the banquet.

The programs and place cards were the work of the members of the Junior class, the programs being marked by a cover of the blue and gold.

The menu was one of the finest and the ladies of the Legion Auxiliary that arranged and served the repast certainly did themselves proud on the wonderfully arranged and served dinner. The menu was as follows:

- Fruit Cocktail
- Virginia Baked Ham
- Potatoes au Gratin
- Puttered String Beans
- Hot Rolls Jelly Relish
- Spring Salad
- Orange Ice
- Lady Baltimore Cake
- Coffee
- Nuts Favors

During the course of the banquet Leo Beck and his orchestra of Lincoln provided the musical program of the evening and which was filled with the latest and most popular numbers.

The toast list was presided over by Robert Hadraba, president of the Junior class and who introduced the various members of the underclasses and the faculty and board of education.

seniors was given by Robert Hartford in "Starlight."

For the Sophomores "Slight Seeing" was the toast that was responded to by Robert Livingston, class president, who wished the seniors well on their graduation eve.

Miss Dorothy Brink of the Juniors tendered the well wishes of the class to the Seniors, in "Souvenirs," the toast that the soon to be lead class gave to their predecessors in the school.

The appreciation of the senior class for the splendid reception and also the note of regret that all of the seniors feel at the parting hour when school days are coming to the close, was expressed by Miss Mary Ellen Vallery, senior president, in "Bridge of Sighs."

The greetings of the faculty was conveyed in "Titles" by R. F. Patterson, the senior class sponsor, who extended his congratulations to the large group of fifty-nine young men and women that are to soon receive the reward of their school day industry and work in their diplomas.

Superintendent R. E. Bailey, fired by the many school day farewells and receptions took as his subject, "Memories" that will too be the associa-

tions of the school days to the senior class.
The response of the board of education to the seniors, "Farewell" was given by Dr. Frank L. Cummins, president of the board of education, who extended the well wishes of the board of their graduating class of 1928 and with his remarks the gala occasion came to a close as one of the happiest and yet perhaps a little sad to the schoolmates of the past four years in the Plattsmouth high school.
