Eat light foods

now

Keep healthy these mild days by avoiding the heavy foods of winter. Make your breakfasts light, easily digested, but nourishing by serving Shredded Wheat. It has the mineral salts, including iron, which are needed this time of year, plenty of bran to insure regular habit, and vitamins, proteins and carbohydrates as well. In fact Shredded Wheat has all the natural elements of whole wheat made pleasant to eat and easy to digest by shredding and baking all the way through. Order a box of twelve big
