Prepared in the Interest of the People of Greenwood and Surrounding Vicinity

Paul Stander threshed his wheat on last Tuesday and was well satisfied with the yield as it made about 23 1/2 bushels to the acre.

Paul Straite in his threshing received a very good product from his wheat fields as he had wheat which tested 58 pounds with 15 1/2 degrees of moisture and yielded 23.3 to the acre.

The threshing of the wheat which was grown by the sons of O. F. Peters indicated that the yield will be somewhere in the neighborhood of thirty bushels to the acre, and of a good quality.

Al Ethrege was stacking wheat for Sam Gray during the early portion of last week which is a let-out of the regular order for most people thresh out of the shock but Mr. Gray thinks the wheat does better when it sweats in the stack.

The Rebeckah Assembly of the I. O. O. F. were meeting last Wednesday afternoon at the I. O. O. F. hall and had a most delightful afternoon with the program, their social hour and the very fine luncheon which was served by the ladies.

The Greenwood elevators has shipped three cars of wheat to the market on last week when we were in the city and while all were described as very fine, the moisture which was inherent on account of the rains kept the wheat from grading the best.

The wheat which was threshed on the June Kyles place and grown by that gentleman showed good as to quality as it was the best and was moderately free from moisture and yielded 22 bushels to the acre and tested 58 pounds to the truck bushel.

George Bucknell was a visitor on last Tuesday at Omaha where he was looking after some personal business as well as looking after some

business in connection with the three days picnic which is to be held at Greenwood on August 9th, 10th and 11th.

Henry Bickart of Lincoln was a visitor in Greenwood and also at the home of his brother-in-law, Carl Stander a couple of days the past week, and when he returned to Lincoln he was intending to go to Elmwood where he has some two or three brothers where he will visit for a week.

Charles Outenkamp threshed a portion of his crop of wheat one day last week and from the returns as closely as could be calculated would allow the field which contains about seventy acres to yield at the rate of 37 bushels per acre. This wheat is of a good quality but contains a large percent of moisture.

A. R. Birdsall at the Cafe which is a very popular place, is having the place entirely redecorated and made the very best and neatest that can be had. The interior of the room painted and varnished which makes it very neat and attractive place. The work is being done by Fred Wolfe and Dwight Talcott.

There were four of the families of Greenwood who were at the picnic which was held in Louisville by the American Legion, and where a most delightful time was had. Phil Hall and the wife, George Trunkholz and family, George Bucknell and family and W. H. McFadden and wife while they were also accompanied by Mr. and Mrs. W. A. White.

Will Leave Soon
On Tuesday of last week the Rev. H. L. Grassmuech, former pastor of the Christian church of Greenwood was over to Plattsmouth where he

arranged to move in the near future, as he is accepting the pastorate of the Christian church at that place. Rev. Grassmuech disposes of his Ford coupe which has served him so faithfully and in its stead has secured a new Studebaker coach and a larger and more roomy car which will give the minister and the family more room when they go to ride.

Had Great Meeting
The committee which embraces many of the leading citizens of Greenwood met last Friday for the purpose of perfecting arrangements for the holding of one of the best picnics and advertising propositions for the hustling city of Greenwood, which has been floated for some time and at which there were much enthusiasm displayed and a determination evinced to make this one of the big successes for the year. Let all pull together and pull hard and strong for those who have the advertising of the event in hand will make a booster trip some time during the latter portion of this month visiting, they will also have the advertisement broadcasted over the Mona Motor Oil Company from KOIL.

Co-operation The Watchword
The people of Greenwood are sure going after the proposition of their first three days picnic, which occurs on August 9, 10, 11 with a tune which spells success and with hard work and genuine co-operation they are expecting to put on a gathering which will attract all who ever lived in Greenwood or its vicinity to come and as well to bring others who never have been here before to the city.

Well Known University Officer is Given Divorce

Sensational Case at Lincoln Settled by Decree in Favor of Judge James S. Dales.

Judge James S. Dales, 76, secretary of the board of regents of the University of Nebraska, was awarded an absolute decree of divorce from Henrietta E. Dales, 49, by District Judge Broady at Lincoln Thursday morning. They were married last August 10 in Kansas City.

Judge Broady found generally in favor of Judge Dales and in the

deed stated that Mrs. Dales was not entitled to alimony. Her maiden name of Henrietta E. Ellis was restored. A property settlement was made out of court, according to John J. Ledwith, attorney for Judge Dales. The hearing Thursday morning was brief. Judge Dales testified that trouble between them arose early last October, after they had been married scarcely two months, tentative will which Mr. Dales drew The first disagreement was over a up.

After that domestic matters grew worse and finally became unbearable, Judge Dales said. He left his wife on the night of November 9, 1927. Judge Dales' original petition charging that his wife threatened his life was amended Thursday morning to include only extreme cruelty allegations.

In the original petition, Judge Dales declared that immediately af-

ter marriage his wife demanded a property settlement. On the night of November 9, 1927, after he refused to make any definite settlement, the original petition stated, Mrs. Dales threatened to take her husband's life. Fearing for his safety, Judge Dales left about midnight.

The petition also charged that Mrs. Dales before their marriage failed to tell Judge Dales about several previous marriages and that had he known of them, he would not have married her.

The filing of the petition was followed on November 12 by a denial of all allegations by Mrs. Dales and an application for temporary alimony, suit money and attorney fees which was allowed. This was countered by an affidavit resisting the application in which Judge Dales declared his wife owned more property than him-

LET STEPHENSON TALK

La Porte, Ind., July 18.—David C. Stephenson, former grand dragon of the Indiana Ku Klux Klan now serving a life sentence for murder, appears to have won his fight to tell his story. Following a brief hearing in circuit court here today, Arthur L. Gilliom, attorney general of Indiana, filed notice that the former Klan leader would be permitted to make a deposition next Tuesday morning at 9 o'clock at the state penitentiary, and at the same time Gilliom invited newspapermen to be present to hear the erstwhile dragon's story.

George O. Dovey was at Omaha today where he was called to spend a few hours looking after some matters of business in that city and visiting with friends.

BUYS SOME LAND NEAR PLATTSMOUTH LAST WEEK

F. L. Nutzman, one of the most prosperous and well-to-do farmers, from southern Cass county, near the town of Avoca, purchased 103 acres of land near Plattsmouth within the past few days. Jack Roddy, rustling Union real estate man, made the deal. The land purchased by Mr. Nutzman, comprises 68 1/2 acres from T. H. Pollock and 34 1/2 acres from Chas. Johnson, being located six miles south of Plattsmouth, on the K. T. highway, and was formerly known as the Wiles land.

This is surely a choice piece of land, without improvements, and we hope to see the day in the very near future that Mr. Nutzman will decide to build himself a fine country home on this place and become a closer resident to Plattsmouth.

Mr. Nutzman owns considerable land in southern Cass county, also in Otoe county, and he is not only a successful farmer, but a business and financial man as well; also having served two terms in the state legislature.

Come up Fred and spend the balance of your days on the north side of the best county in the state!

A few of the Cass county maps showing every man's farm are left. You can get one at the Journal office for 50c. Hurry, before they're gone.

REBELS ATTACK A TRAIN

Laredo, Tex., July 18.—Passengers arriving here today on a train from Mexico City said that Mexican federal troops repulsed two attacks on the train by approximately two hundred insurgents, 275 miles out of Mexico City, near Rincon, yesterday and captured and executed three members of the band.

The rebels derailed all except two coaches of the train. Seven passengers were slightly injured. The band-leader sent women and children screaming thru the aisles. A Pullman carrying thirty-five Americans was kept from plunging over a steep embankment into deep water by a heavy water tower. One man, said to have been thrown into the water, was rescued.

Passengers asserted that the rebel declared their leader was a woman. Several reports operating in that territory have been circulated.

ENTERTAINS AT DINNER

From Friday's Daily—Last evening Mr. and Mrs. W. C. Soennichsen entertained informally at their home on North Fourth street, a number of the relatives and friends. Those who enjoyed the occasion were Mr. and Mrs. F. P. Berriger and Mr. and Mrs. B. U. Rosencrans of Chicago and Mr. and Mrs. K. Leymen of Omaha.

F. M. Warner, Life Long Resident, is at Rest

Young Man Born and Reared Here Leaves Many to Mourn Untimely Death—Buried Here.

From Saturday's Daily—The funeral service of the late Frederick M. Warner was held on Thursday afternoon at 2:30 at the home of the parents, Mr. and Mrs. Charles H. Warner, on North Eighth street. There were a very large number of the friends in attendance from out of the city to share the sorrow that had come to the family. There were many beautiful floral remembrances that spoke silently of the esteem in which Mr. Warner had been held.

Rev. W. A. Taylor, of Union, conducted the service and his beautiful sermon taken from John 14:1-4, brought a comforting touch to the bereaved family and friends of the departed young man. During the services the male quartet composed of Frank A. Clويد, Raymond C. Cook, L. D. Hiatt and L. O. Minor, gave two of the old and loved hymns, "Jesus, Savior, Pilot Me" and "Rock of Ages."

The interment was at the Horning cemetery south of this city and the pall bearers were selected from
