

MURDOCK DEPARTMENT.

PREPARED EXCLUSIVELY FOR THE JOURNAL.

Business called A. J. Bauer to Lincoln on last Saturday, he making the trip via his auto.

Harry Gillespie and the wife, of Omaha, were down to Murdock for the day and a visit with friends on last Sunday.

Miss Mathilda Pappé, who is working at Lincoln, was a visitor with her friend, the Misses Bornemeier, for the week end.

W. P. Meyers and the wife, of Sioux City, were spending the week-end at the home of Mrs. Meyer's parents, A. J. Cool and wife.

Charles Buell and the family were visiting in Lincoln on last Tuesday, where Mr. Buell was also looking after some business matters.

Jess Landholm was a visitor in Omaha for the day last Wednesday, driving over to the big city to look after some business matters for the day.

Mrs. Una McHugh is assisting at the Murdock Mercantile company's store during the absence of the regular saleslady, Miss Viola Everett, who is on her vacation.

Frank Melvin, the carpenter and builder, has been kept pretty busy erecting a new house for J. Johnson, just west of the home of this bustling truckman.

Herman Kupke was threshing on last Tuesday and while the wheat was somewhat damp on account of continued rains, the quality was good and the yield satisfactory.

Albert J. Bauers and the wife were over to Plattsmouth on last Monday, called there to look after some business matters as well as to visit with relatives and friends there.

Miss Luella Elkerman, who is working at Lincoln, was a visitor in Murdock and at the home of Henry Bornemeier for a portion of her vacation during the past week.

Mary Bornemeier was looking after the work at the telephone exchange during the time her sister, Miss Elsa was looking after some business matters in Omaha.

Mrs. George Mills has been feeling quite poorly for some time past and has been kept to her bed for the past two weeks, but is thought to be slightly improved at this time.

W. O. Gillespie and the good wife were visiting in Omaha for over Tuesday night, and returning Wednesday, they being guests at the home of Harry Gillespie and wife.

Miss Jessie Melvin disposed of her car, which she has been having for her own use and that of her mother to Orville Johnson, who is getting a car which has always been used with much care.

Dr. and Mrs. Nevil Joyner, of Axtell, who was a former schoolmate of Dr. Lawrence D. Lee, of Murdock, were visitors in Murdock and guests of Dr. and Mrs. Lee for the day on last Sunday.

On Tuesday of last week, Mrs. Una McHugh and mother, Mrs. George Towle, of Murdock, were visiting in Alvo, with their friend, Mrs. John Murtey, they driving over for the occasion in their car.

Henry A. Pool was a visitor in Murray on Tuesday of last week, where he went to look after some business matters regarding some accessories for the car which were not in stock when the car was purchased.

Mr. and Mrs. A. J. Bauers and their daughter, Mrs. Glaude Twiss and husband of Louisville, were over to Omaha on last Sunday, where they were guests of Mr. and Mrs. George L. Berger, who is visiting in Omaha for the present.

W. O. Schewe and son, Marion, were over to Plattsmouth on last Saturday and also while there visited the government rifle range, where target practice is held daily by groups of the Reserve Officers, under direction of regular army sharpshooters.

Miss Elsa Bornemeier, the operator at the telephone exchange, was a visitor in Omaha for the day last Tuesday, where she was having her eyes tested, and securing a pair of glasses as her eyes have been troubling her for some time past.

Mrs. A. H. Ward has been rather poorly for some time past, and while she has not been able to look after the household work, she has been most ably assisted by Winifred Lawton. Mrs. Ward is, however, feeling somewhat better at this time.

In order to better care for the work on the farm and especially the heavy portion of it, Schleuter Brothers, who operate the farm west of town, on last Friday purchased a new Hart-Parr tractor of the capacity of 18-36, and which will serve them nicely.

The truck driver who comes to Murdock, a Mr. Miller, when he assayed to back his truck to the curb to do some loading at the Neitzel store, went over the top and as a consequence, crushed the awning into the window, fracturing the glass to the extent of one hundred and seven dollars.

Miss Bernice Nickel, of near Alvo, gave a very pleasant six o'clock dinner at the home of her parents, M. J. Nickel and wife on Thursday of last week, when she had as her guests of honor Misses Mary Catherine McHugh, Gertrude Reiske and Eula Schliefer. A most pleasant afternoon and evening was had.

Paul Stock was a visitor in Weeping Water on last Wednesday afternoon for the purpose of purchasing a new Ford truck and as he was needing it immediately for use during the threshing season, he was rather desirous that he be able to secure one immediately. The Ford products are in great demand and it is with difficulty that one can secure what they want right away.

There appears elsewhere in this department a notice of the closing of the barber shop on Tuesday and Thursday evenings at six o'clock in order that the workmen may have an opportunity to go out a little, and which is proper, for with the long, hot days and every evening kept to the post would make it almost unbearable to the workmen. All can be accommodated nicely if they will just observe the hours the shop is to remain open and get in before the time to close arrives.

Mr. Walker is a finished workman and most accommodating and Mr. Kuehn is fortunate in that he has so efficient a man for the position.

EMIL KUHN, Proprietor

SEVENTY-ONE YEARS AGO

I. D. Evans of the governor's office found an entry in old state records showing that Mark W. Izard, territorial governor of Nebraska for vetoing a bill proposing to remove the state capitol from Omaha to a place called Douglas in Lancaster county.

"It is, I believe, universally conceded by all who are familiar with the geography of the territory, that our principal settlements for many years to come will be confined to a tract of territory not more than thirty or forty miles from the Missouri river."

Recently at a territorial pioneers meeting held at Seward, C. J. Ernst of the land department of the Burlington railroad, told a large audience assembled at the celebration that when he and his father arrived at Nebraska City from Germany, about ten or fifteen years after this veto his father had told him not to buy land more than ten miles west of the Missouri river as it would be impossible to raise anything farther west.

CARD OF THANKS

We wish to express our thanks to the dear friends and neighbors who so kindly rendered their services in any way; for the words of sympathy; and for the many beautiful floral remembrances (at the time of the loss of our loved one.) Such acts of kindness can never be forgotten.—The Warner Family.
