### HAS LEG BROKEN IN BALL GAME AT ALVO SUNDAY

Tommy Snipes received serious injury Sunday afternoon, at about three o'clock when he sustained two oblique fractures of the large bone and an oblique fracture of the small bone of the right leg, about three inches above the ankle, while participating in a baseball game between Manley and Alvo, on the Alvo ball field. Tommy was playing with the Manley team, in the left field position. He had gotten on second base after coming to bat, and when the man ahead of him scored on a wild throw which was stopped in center field, Tommy tried to sneak home. In an effort to slide in, he caught his leg in such a manner that it was broken in three places.

Medical assistance was rushed to him and first aid administered after which he was taken to the Lincoln hospital in the ambulance from Weeping Water. There the fractures were reduced and he was placed in a cast.

A large crowd was present and witnessed the accident, along with his parents, Mr. and Mrs. L. R. Snipes, and Mr. and Mrs. Dan Switzer and family, all of whom expected to drive to Lincoln at the close of the game for a picnic supper, which plans were of course given up.

The sympathy of all who witnessed the accident, as well as the many friends of the family in Weeping Water and vicinity, is extended to Tommy and also the wish for his speedy recovery. The football boys, especially, are mourning the loss of their quarterback in the opening game of the season, which is to be with Elmwood, September 21st, as it will be mighty hard to find a substitute to take his place.—Weeping Water Republican.

### CARD OF THANKS

We wish to thank the many friends and neighbors and the M. W. of A., for the many acts of kindness and for the beautiful flowers during the time that illness has been visited on our family circle. These kindnesses will always be pleasantly remembered.—Mr. and Mrs. Edward C. Rummel.

## Knows What It Is to 'Soldier'

Nebraska City Youth Tells of Journey to Range Here—Likes the Army Life, However.

Melvin Burr, son of Mr. and Mrs. Joseph Burr of 1615 Fourth avenue, Nebraska City, who is attending the Citizens Military Training Camp at Fort Crook, Neb., writes his mother regarding his experience while training.

"A few days ago," he says, "Company B. of which I am a member, was taken to the rifle range near Plattsmouth in trucks for rifle practice and after a hard day's work had just reached camp when it began to rain and before the tents could be pitched the boys were soaking wet. We unpacked our tents and put them up during the heavy down-pour on ground that was wet and soft. We did not have a change of clothing and went to supper 'sopping' wet. After supper we got into our blankets and tried to sleep on ground that was a long way from being comfortable. At 8 o'clock we were given hot coffee.

"The next morning we found that our clothing had not dried out during the night and as they were the only ones we had with us, we put on the wet garments. At 9 o'clock that morning we were sent to the range and practiced shooting until 2 o'clock in the afternoon. Our clothing had dried on our backs. I was awarded a marksman's medal for shooting."

"After a three hours' march, we again arrived at Fort Crook. We would march 50 minutes straight and then rest 10. These 10 minutes sure went fast. When we arrived at camp everybody ate a hearty supper. That night we slept on cots and they were surely appreciated after sleeping a night on the ground.

"Some of the boys here are sick with mumps, but nothing serious." Young Burr says that the load a soldier has to carry while on a hike is very heavy and that several of the boys on the march back to camp from Plattsmouth fell out. He says he is getting along fine and likes the work.—Nebraska City News-Press.

### SCHLICHTEMEIER'S PICNIC

Last year it was suggested by one or more cousins of the Schlichtemeier family that they should meet once a year for a picnic and reunion. It was decided to do so and pick a location as near the central part of the territory covered as possible and consequently Syracuse was the place decided upon. Last Sunday was the date of the gathering and with the exception of two families everyone was present. It was a large crowd that appeared like a small community gathering as 150 enrolled on the registration sheet and it is not known whether all signed their names to the register or not.

Everyone who came to the event brought well filled baskets and the big dinner at noon was the chief attraction of the day. The only thing that was found to be missing at the sumptuous meal was a large table and as the families have decided to meet again next year, they have decided to meet at a place where table room will be had to take care of the edibles from the well filled baskets.

Everyone, large and small, old and young, visited and enjoyed themselves to the limit until evening came and were busy shaking hands and bidding one another adieu until they met again next year.—Nehawka Enterprise.

## Alvo Lady Is Victim of an Un-usual Accident

Mrs. W. E. Heier, Overcome by Fumes From Tractor and Falls Beneath Plows

Mrs. W. E. Heier, residing in the vicinity of Alvo, was the victim of a most unusual accident this week at the Heier farm where she was engaged in helping with the fall plowing.

Mrs. Heier, who was formerly Miss Ethel Tower of Plattsmouth, had gone out to help the other members of the family with the farm work and was driving a tractor used in the fall plowing and which was pulling a number of plows. The fumes and gas from the tractor, even in the open air was so great that Mrs. Heier was overcome as she was seated on the drivers seat of the tractor and in a faint or unconscious attack she fell from the seat of the tractor and in the path of the plows, she being stricken so suddenly that she had no time to shut off the tractor and the plows came on their way turning up the soil and with the unconscious woman in their pathway.

The body of Mrs. Heier had fallen outside the direct line of the plows or the tractor had veered somewhat and to this fact the woman owes her life. One of the plows struck Mrs. Heier and lacerated the knee cap quite badly, the cut extending to the bone and making a very painful injury, but the remainder of the plows passed to one side and did not do any damage to the victim of the accident.

The injured lady was hurried to Murdock where Dr. L. D. Lee dressed the injuries, severely stitches being necessary to close the wound and the victim of the accident remained at Murdock until the next morning before she was allowed to return home. Mrs. Heier was resting as easily as possible under the circumstances at the last report received from the home near Alvo.

Mrs. Heier is the younger daughter of O. H. Tower of this city and made her home in this city up to the time of her marriage and the many friends here will regret to learn of her accident and trust that she may recover rapidly from the effects of the injuries.

turned home on Friday, after having enjoyed their visit very much.

### MRS. PHILIP KAHLER HOME FROM HOSPITAL

The many friends of Mrs. Philip Kahler were much shocked last week when they learned that she had been taken to the Methodist hospital in Omaha, having been taken ill on Tuesday of last week. At the hospital she was given a thorough examination and X-ray pictures were taken. She is under the care of Miss Emma Fjellin, of Omaha, a trained nurse who has attended other members of the family and who is giving Mrs. Kahler very skillful and excellent care. At present only the members of the family are permitted to see Mrs. Kahler, owing to her nervous condition, but her friends are hoping that within a very short time she will be well on the road to complete recovery. Dr. L. F. Valentine, of York, is attending Mrs. Kahler.

Dr. Valentine is here taking care of the practice of Dr. E. H. Worthman, while the latter is at the M. E. hospital, where he is recovering from an operation.—Louisville Courier.
