Feeders Day.

Whether or not it pays to cater to a steer's "sweet tooth" by feeding can molasses is one of the questions to be answered at the seventeenth annual Livestock Feeders Day to be held April 19 at the college of agriculture in Lincoln.

One lot of steers has had a barrel of can molasses in their bunk all the time in addition to the standard Nebraska ration of shelled corn and alfalfa. The check lot has received the standard ration. The steers are yearlings.

Good speakers of a national caliber are being secured. Plans are being made for an attendance contest between counties.

Number attending and distance traveled will likely be the important points considered. The old cows to be seen and discussed at the Feeders Day are typical of those which the rancher sends to market off grass in the fall. Prof. H. J. Gramlich picked them up as cutters and canners last fall. They have had alfalfa hay and either shelled corn, ground corn, or ground snapped corn.

The old ewes are broken mouthed, the kind that many farmers pick up in the fall, lamb out early, and sell again with their Easter lambs. Prof. A. D. Weber will report their "room and board bill" for the winter, and be ready to discuss the possibilities of sheep production in Nebraska.

Plattsmouth Clubs Win Trips

One boy and one girl ranking highest in the club work in the Plattsmouth clubs will receive a free trip to Club Week in Lincoln the first week in June. The Plattsmouth Chamber of Commerce has appropriated \$25 to these winning club members for their club trip.

Poultry Meetings

The regular poultry meetings with Mr. Claybaugh will be held the following dates and at the usual places:

Monday a. m. April 8—Weeping Water at Farm Bureau office.

Monday p. m. April 8—Louisville, at high school.

Tuesday a. m. April 9—Eagle, at high school.

Tuesday p. m. April 9—Alvo, at church.

Tuesday night, April 9—Fairland schoolhouse, southwest of South Bend.

Wednesday a. m. April 10—Elmwood, at G. A. R. hall.

Wednesday p. m. April 10—Nehawka, schoolhouse.

Thursday a. m. April 11—Union.

Thursday p. m. April 11—Mynard.

At each of these meetings we wish to build one four foot feed trough. More could be built if wished. Bring the following tools, saw, square, hammer, brace, 5/16 or 3/8 inch bit. Also the following lumber, new or old:

1" x 6" x 7"

2 (1" x 4" x 4")

2" x 2" x 1"

2 1/2" x 1/4 pound 7 d.

Box nails.

Jealousies.

Is a jealous disposition inherited or is it learned? The 56 women attending the meeting conducted by Miss Saunders of the University of Nebraska, decided that jealousy is learned. Parents as well as fond relatives are often the innocent teachers of a jealous nature, then later wonder why the child feels and acts as he does. If you have any problems along this line plan to attend the next meeting, Tuesday, April 15th.

4-H Clubs.

There is to be a conference, at the Farm Bureau office April 13th, for cooking and clothing club leaders. If you are interested in a club for this summer please get in touch with this office at once.—I. R. Snipes, County Extension Agent, Jessie H. Baldwin, Asst. County Extension Agent.

BUYS A NEW FORD

H. H. Dehning and son, from near Louisville, were in the city for a few hours today, and while here were pleasant callers at this office. Among other trading values that Mr. Dehning found in Plattsmouth on Wednesday was the purchase of a new Ford car from the Plattsmouth Motor company, also the renewal of his subscription to The Journal.

There is but one fault that we can find with farmers like Mr. Dehning, and that is he does not come to Plattsmouth as often as we would like to see him. When that new gravel road is completed between here and Louisville, perhaps it will be different.

OLD PIONEERS HERE

Mr. and Mrs. Wm. Wilkin and son, Fred, of near Elmwood, were in the city for a few hours today, doing some trading and visiting with the county seat friends. While here, Mr. Wilkin was a pleasant caller at the Journal office. Mr. and Mrs. Wilkin are truly Cass county pioneers. Mr. Wilkin landing in Plattsmouth in 1873, when his parents settled on a farm just north of the present county farm site, in the Wiles settlement, all of whom were his neighbors at that time. He has resided in this county continuously ever since 1873, and has been one of the most substantial citizens.

still been making the old home his stopping place, sleeping there and eating at the hotels and sometimes at the homes of his sons, and was not missed for a day or so, and when the sons went to the home they found the father had passed away and was in bed. The funeral was held on March 14th. He leaves besides his children J. W. Berger of Murray, John Berger of Lindsay, Calif., brothers, and Josephine Alley and Luella May Gibney of Santa Rosa, California.

Suffers Loss by Fire.

Mrs. Myra McDonald suffered a loss at her home by fire which caught her home about eight o'clock on last Saturday, with the result that it would be feared that the entire home would be consumed, but with the heroic work of the neighbors and the people of Murray who hastened in trucks and cars to the place and put the fire out, the home was saved. The loss amounted to considerable, but fortunate it was that the firefighters did not come the flames as soon as they did.

Stockholders Hold Meeting.

The stockholders of the Murray Farmers Elevator company held their annual meeting on last Saturday when they received the reports of the auditor and manager of the elevator and declared the usual dividend to the stockholders as well as electing a board for the coming year and other business which came before the association. They are to change their policy of doing business. In the past it has been the practice of the company to make advances on grain which had been purchased, and in some cases the grain was never delivered. This phase of the business was considered but nothing done regarding any definite plan for handling the matter, leaving the same to the directors. During the year there had been accumulated some accounts for the sale of grain and coal, which made in the end a budget amounting to considerable and entailing a loss to the company. It was decided that in the future the business would be most pleasantly spent, and a delightful supper served by Mrs. Smith, and duly enjoyed by all the pleasant company present. There were there for the occasion and to make the time more pleasant, Messrs. and Mesdames E. S. Tutt, O. A. Davis, W. L. Seybolt and T. J. Brendel.

Entertained Their Friends.

Mr. and Mrs. Will S. Smith entertained at their beautiful home in Murray on last Friday evening and had for the occasion a number of their friends, when the evening was most pleasantly spent, and a delightful supper served by Mrs. Smith, and duly enjoyed by all the pleasant company present. There were there for the occasion and to make the time more pleasant, Messrs. and Mesdames E. S. Tutt, O. A. Davis, W. L. Seybolt and T. J. Brendel.

Meeting of the M. S. C.

The Murray Study club held its request meeting at the home of Mrs. Harry Nelson who was hostess for the occasion.

The meeting was opened by the president, Mrs. J. F. Brendel. The roll called and answered with "Reminiscences of Pioneer Days." The business was then taken up and reports were heard from the different committees. The president then turned the meeting over to the leader, Mrs. Belle Frans. The subject for the afternoon was "The Story of the Prairie." This subject was thoroughly and ably taken care of by the leader, Mrs. Frans, Mrs. McDonald, Mrs. Sporrer, Mrs. Seybolt, Mrs. Boedeker, Mrs. Royal and Mrs. Young, when they had finished. We had a choice bit of eloquence in the form of a reading from Mrs. W. S. Smith. This was one of her girlhood poems and was surely enjoyed by all present.

on last Sunday where they were the guests at the home of John Bennett for the day and a very fine dinner which was served.

Mrs. Peter Johnson and son, Albert, of near Nehawka, and Mrs. Harry Nelson, who is also a daughter of Mrs. Johnson, were visiting and doing some shopping in Omaha for the day on last Monday.

A. J. Engelkemier and C. R. Troop and Lee Nickles of Plattsmouth were in Murray on last Saturday, where they were attending the meeting of the Murray Farmers Elevator company stockholders meeting.

O. K. Yardly and family from near Greenwood were visiting with friends in and about Murray, they being guests at the homes of Robert Shrader and Mrs. Alma Yardley, the mother of Mr. Yardley, for the day on last Sunday.

Harry Nelson and family and Miss Doris Johnson of near Weeping Water who has been the guest of Mr. Nelson home for some time past, were over to Weeping Water last Sunday where they took Miss Doris home and also visited for the day.

Last week Otto Schafer purchased seven horses and disposed of them this week on Tuesday of this week he was over to Omaha and while there purchased some three more which he had brought to his west of Murray and are for sale.

Fred L. Hild and wife were over to Omaha on last Sunday where they went to visit with F. A. Hanson, the father of Mrs. Hild who is convalescing at the hospital following an operation of some time since. Mr. Hanson is making fair improvement at this time.

Mrs. Gus Brubacher who has been at the hospital in Omaha for some time, where she was receiving treatment following an operation for sinas trouble, was able to return home on last Sunday afternoon, and on Monday she and Gussie were in Omaha for a dressing of the infected part.

Earl Lancaster was looking after some business matters in Plattsmouth on last Monday in the early morning, and hastened home again, only to get to the field on the farm and beginning the summer's farm work by the cutting of stalks, that he might get the crop of small grain in early.

Uncle Joseph Shrader, living southwest of Murray, is reported as being very poorly at this time and while every care in the way of nursing and the very best medical attention is being given this gentleman, he does not show the improvement which is desired. His many friends are hoping for a turn in his sickness for the better.

Dr. J. F. Brendel was called last Saturday evening to the home of Stirling Harris, when the young man was injured in an accident when a chain broke with which he was dragging a tree, injuring him very severely. Dr. Brendel gave temporary services, and seeing the severity of the case and desiring an X-ray, had the patient taken to the hospital at Nebraska City, where he remains receiving treatment for the present.

Returned Home Sunday.

On last Sunday Mr. and Mrs. Alvedor Nickles who have been making their home in Stockton, California, where Mr. Nickles has been attending a tractor school during the winter, returned home last Sunday, and will make their home at Lincoln in the future. Mr. Nickles who is a graduate of the work of tractor building, will have charge of the service department of the eastern portion of Nebraska for the Lincoln Equipment company. Speaking of the southwest, Mr. Nickles had to say that summer obtained there and it had been warm there all winter with the exception of a short time when the cold foggy weather was not so pleasant. There are flowers in bloom at this time and things look like summer.

An Appreciation.

I wish to express my appreciation, and thanks for the very kindly action of my many friends in their heroic work in extinguishing the flames at the time my home was threatened of being destroyed by the fire of last week.

MRS. MYRA McDONALD.

Heard Brother Had Died.

Last week J. W. Berger received a message announcing the passing of his brother, George Berger of California, he having made his home at San Jose for the past 25 years. Mr. George Berger was born at Winter-set, Iowa, January 27, 1849, and was the first white child to be born in that place, and with the parents, Enos and Elizabeth Berger came to Nebraska when a small boy.

While here Mr. Berger was a farmer and a school teacher and some 25 years ago went to the coast to make his home where he worked as a carpenter. He was married and raised a family, consisting of two sons and two daughters. The sons are making their home in San Jose and the daughters in Oakland, where they are engaged in the photographic business.

Mr. Berger came to Nebraska February 10th, 1858, and remained until 1900. He also taught school in Saline county while living here. The wife passed away about six months since, and Mr. Berger had
