Union - - - Nebraska

Mrs. Clark Balfour visited her parents in Omaha for a few days.

The Wyoming Aid will meet Thursday afternoon with Mrs. Harvey Barkhurst.

Ivan Balfour and James Pitman are serving on the jury this week at Plattsmouth.

Pat Roddy was looking after some business matters in Omaha Thursday afternoon of last week.

Robert Willis and wife were visiting and looking after some business matters in the county seat on last Monday.

The next meeting of the Poultry Course will be Thursday morning at 9:30. Mr. Claybough of Lincoln will conduct the meeting.

Mrs. George Lutz and Mrs. Ivan Balfour attended the play given by the Woman's club a Weeping Water on Friday afternoon.

The members of the seventh and eighth grades of the Union schools were wrestling with their examinations during the present week.

Frank Boggs was a visitor in Murray on Monday of this week, where he was looking after some business matters in the life insurance line.

You will laugh when you see the play, "Professor Pipp," which the Union high school Senior class is to give this week at the M. W. A. hall.

Mrs. Norma Robb and her mother, Mrs. Minnie Stanford, both of Nebraska City, were visiting for a short time at the home of Mont Robb on last Friday.

W. O. Burbee and Herbert L. Burbee erected a very fine sign on the corner of their garage for the Good-year Tire company, whose products they handle.

R. E. Foster and wife and their daughter, Louise, were visiting in Omaha for the day on last Saturday and also looking after some business matters as well while there.

Louis Crunk and the family are enjoying a very fine car in the shape of a Durant four door sedan, which they recently purchased from the hustling dealer, Louis Burbee.

John Chase and the family, of South Omaha, were in Union for a number of days during the week, called here on account of the sickness and death of Mrs. Joseph Bauer.

Wm. Meade, who is sinking a well on the farm of Mrs. John Armstrong near the highway, got his bit fast in the well, and had to have Horace Griffin manufacture a hook to recover the drill bit.

Fred Nutzman was a visitor in Union on last Monday from his home south of Nehawka and was making some repairs on one of his corn cribs on the farm near Union, as well as greeting his many friends here.

Mrs. Kate Smith, who has been visiting for some time in Omaha, returned last Sunday and was a visitor for a short time at the home of Mont Robb and daughter, Miss Augusta, and later went on to her home at Nebraska City.

Willie Dodson, of Wakefield, a nephew of Mr. and Mrs. D. C. LaRue, who has been spending some time in Tulsa, Oklahoma, arrived in Union early this week and is visiting at the home of his uncle. He will probably remain in Union, if he finds suitable employment.

Mrs. Horace Griffin and the child-

ren departed on last Monday for Fair-play, Mo., where they go to visit for a short time at the home of Mrs. Griffin's parents, Mr. and Mrs. J. H. Osborne, who it will be remembered, made their home here for some time past a few years ago.

Mrs. Mollie Garens, who was a visitor in Kansas City for some time, returned to Union on last Sunday, after having spent some two weeks in the south, caring for Mrs. Joy Garens and the little grandson, who has come to bless the home of Mrs. Garens' son, Joy and wife.

A post office inspector from the Post Office department was in Union last week and made an examination of the office, finding everything in excellent condition. He complimented Miss Robb and her father very highly on the way in which the affairs of the office are conducted.

Mrs. Wayne Garrett, teacher of the Union schools and two companion teachers, Misses Beth Wilson and Ruth Moore, were visiting in Omaha on last Saturday, and from there, accompanied by Mr. Garrett, they all drove to West Point, where they visited with Mr. and Mrs. Ellis LaRue, a brother of Mrs. Garrett.

Miss Minnie Reicke was a visitor on last Monday at the home of Mr. and Mrs. J. C. Ellington, of Plattsmouth. Mr. Ellington, who has been convalescing, as was supposed, nicely from a sickness which kept him confined to his home for the greater part of the winter, has been compelled to return to his bed again a few days since, on account of his not being so well again.

Mr. and Mrs. Ivan Balfour and daughter, Kathleen, spent Sunday afternoon helping their little nephew, Calvin Ferguson, of near Wyoming, celebrated his 4th birthday on Friday evening, they in company with Clark Balfour and family, helped Grandpa Wm. Balfour, celebrated his 85th birthday. He was agreeably surprised when they brought him ice cream and cake. His son, George of California, sent a telegram, and gifts were received from his children.

D. Ray Frans, the genial lumber dealer, and hustler, as to that, has been pretty busy during the past few days with the manufacture of a fine chicken house for Mr. and Mrs. George Lindsay, whose incubator is hastening a large hatch of chicks. Mr. and Mrs. Lindsay needed the chicken house and could not find anyone to construct it, as the carpenters are all busy. So Ray, wanting to serve the very best, has been building one for them.

For Sale.

Good oats at 50 cents per bushel, while they last. Joe Brandt.

Tested Out The Team

On last Thursday, in order to know where the boys of the Union Fire department could be found on short notice, a number of boxes and old rubbish were piled on a vacant lot near the Fitzpatrick restaurant and set on fire, after which the fire alarm was turned in.

The response was wonderful. Ray Frans was on hand in a jiffy and had the doors of the hose cart house open and in a few moments the members of the department came running up the hill all out of breath and ready for the fray. The word was passed along that the fire was at the cafe, and they were soon there and at it, performing like veterans. They put the blaze out in a hurry, demon-

Normal Training Classes Out in Teaching Work

Plattsmouth and Louisville High School Classes Take Up Practical Work This Week

From Wednesday's Daily—The normal training classes of the Plattsmouth and Louisville high schools are having a touch of the joys and sorrows of the school teacher this week with a practical experience out in the county.

There are a large number of the students out in the country schools this week but only those that are planning on teaching the coming year are engaged in actual teaching and the other students merely taking observations of the work of the schools and gathering some first hand knowledge of the teachers work.

The normal trainers are assigned to the different schools and for two days they will have charge of the classes, give the lessons and conduct the schools, the regular assigned teacher of course exercising a supervising hand and assisting the young teacher in getting the full swing of the school work.

This is very valuable experience in assisting in seasoning the younger teachers and fitting them so that they may be able to take up the teaching work during the coming season and be ready to teach the youngsters the needed instruction in the rudiments of their primary and grade work in the schools.

SAVATION ARMY DRIVE

From Monday's Daily—This morning Envoy Perkins of the Salvation Army arrived in the city from Omaha to assist in getting under way the annual drive for funds in this community and in which the Salvation Army has the support and backing of several of the civic organizations as well as a committee of citizens.

The chairman of the local committee will be F. I. Rea of the Iowa-Nebraska Light & Power Co. and the treasurer is Frank A. Clodt. Those wishing to make donations may do so by setting in touch with Mr. Clodt and who will receive the amounts and see that they are placed in the hands of the Salvation Army headquarters at Omaha.

The Salvation Army at Omaha maintains the Women's Home and Hospital and where they are doing a great good to the unfortunate men and girls of the state who may find it necessary to seek shelter there from their misfortunes and from where they may go with renewed hope to the world again. Large numbers are cared for there each year and when able the patients are placed in work where they can support themselves.

In addition to this there are several other branches of the Salvation Army in their work of charity and helpfulness to those who need it the greatest, which are the kindergartens and which the funds collected over the state are placed by the officers of the army.

The Nebraska and Western Iowa division of the army is under the command of Major Victor Lundgren at Omaha.

LIBRARY NOTES

The public library has added four new titles to the international mind alcove books. They are: "Living India" by Zimand "The Last of Free Africa" by MacGraw "That Mexican" by Maclean "Towns and People of Modern Germany" by McBride

The most popular book of non-fiction in the adult department, for the month of March, was "South Africa," by Millin. In the juvenile department the most popular book was "Record Fights" by Chamberlin. A most popular fiction book was "Lantern in Her Hand," by Bess Streeter Aldrich, whom we may think of as particularly our own author, since her home is so near us, and since the scenes of her stories are typically Nebraska.

In the reading contest being carried on in the 4th, 5th and 6th grades in school, there have been five rooms attaining 100% for the last quarter. That is the best record yet and it is splendid to close the school year with such success.

We will all appreciate our library more than ever when we know that it is the fourth largest in the state. Only Omaha, Lincoln, and Beatrice are ahead of us. The number of volumes is 17,000. For a town of 5,000 population, the average volumes circulated per person per year should

be 5. But the Plattsmouth public library is going above this standard with an average of 7 1/2 volumes per person per year. Thus we have a library not only superior in size over other towns of the same population, but also superior in the service it renders the citizens of Plattsmouth. The books and the service are there waiting for all of those who will take advantage of them.

TRACK NEWS

Coach Rothert is working diligently with the track squad. The material is relatively inexperienced but shows promise of developing to a high degree of efficiency. Hamilton Mel-singer has improved in the dashes. Homer Spangler, Lyle Lawton, Chester Wiles and Edward Yelick will undoubtedly give southeast Nebraska contestants plenty of competition in the 4-40, half mile and mile. Roy Turner, Hershel Dew, and Merle McCarty look very good in the hurdles events. Cleland Getelsdorf, a newcomer in track, is displaying ability in the broad jump and one hundred yard dash. Ralph Hiner, Allan McClanahan, Edward Yelick and Garland McCleary are working on the high jump. Richard Herold is taking care of the javelin nicely and John Teppel and Gilbert Hirz are

working on the discus and shot. Others who are out for track are Jack Troop, Richard Spangler, Leonard Lutz, Willard Brink, Lloyd Frady and Harold Blodgett.

The first meet of the season will be held at the baseball park Thursday afternoon, April 11. It will be a dual meet between Plattsmouth and Blair. The meet will start promptly at 3:30. Admission 15c and 25c.

The schedule: April 11—Blair, here. April 19—Ashland, there. April 26—Westeyan Invitation meet at University Place. May 1—Nebraska City, there. May 4—MINK meet at Peru. May 11-12—State meet at Lincoln.

This is What the State of Nebraska Thinks of the Model "A" Ford!

Following is a letter from the DEPARTMENT OF AGRICULTURE. Written to the Ford Dealer from whom they bought the car. It shows remarkably low operation costs. Read this letter.

DEPARTMENT OF AGRICULTURE

Bureau of Game and Fish

Lincoln, Neb., Jan. 21, 1929.

Hussong-Rogers Motor Co., Lincoln, Nebr.

Gentlemen:

On March 1, 1928, we purchased the first unit for our fleet of fifteen cars used in our law enforcement division of the Bureau of Game and Fish, State of Nebraska.

This car was a Model "A" Tudor and was among the first of this model manufactured.

Recently we compiled the costs of operation and depreciation on this car. We are giving you these figures, believing you will be interested in them.

At the time we made the compilation the car had traveled 23,000 miles over all conditions of roads throughout the state and under all conditions of weather, etc. Our law enforcement work is extremely hard on cars.

Figuring gas, oil, repairs, storage, accessories, tires—in fact, all operation costs, together with the depreciation to that date, we find that we got our transportation at 3 1/4 cents per mile.

This is the lowest figure this department has ever been able to secure in the operation of motor cars.

Yours very truly,

DEPT. OF AGRICULTURE.

Frank B. O'Connell,

Chief, Bureau Game and Fish.

Plattsmouth Motor Co.
