

Platts Motor Company Sells Many New Fords

All Types of Cars as Well as Trucks Placed in Hands of Residents of County

George K. Petring, proprietor of the Plattsmouth Motor Company, announces the sale of thirty-seven 1929 Model A Ford cars and AA trucks during the month of April. This sales record is especially good for early spring and indicates a splendid Ford business for 1929.

The four sons of Phillip Hill, who are farming the Hill farm of 640 acres near Mynard, have just purchased two Model AA trucks and two Model A Ford cars to be used on the farm for business and pleasure. The Hill family shows their complete faith in the Ford car by making such a large investment. The boys are highly pleased with the results they are obtaining from their cars.

Herman Gansemer, another leading farmer of near Mynard, is another booster of the Model A car. Mr. Gansemer purchased the first Model A Ford to be sold in this county and just recently traded this car in for the first Town Sedan to be delivered in the county. He also purchased a Model A Business Coupe a short time ago.

Ed. Gansemer is another owner of the New Ford, who is well satisfied with the performance of the car. Mr. Gansemer purchased both a Model A Tudor and Model AA truck. He uses his truck for the delivery of gasoline and oil for the Farmers Oil Co., of Nehawka.

GLAD-MAR SWEET SHOP

The Glad-Mar sweet shop, located in the Dwyer building will open its doors on Thursday morning and will be in readiness to cater to the public in all kinds of soft drinks, ice cream and candies.

The establishment will be in charge of Misses Gladis and Mardel Hensen of Elkhorn, Nebraska, and who have recently come to this city and secured the room in the Dwyer building formerly occupied by the Bon Ton sweet shop.

The new management will be able to give the residents of the city a very high class place and one that should prove most popular with the residents of this community and one that will offer the very best in service to the public.

Now that John F. Curry has been named chief of Tammany Hall, many of the New York political aspirants probably will groom themselves for Curry favors.

WHY NOT JOINT BANQUET?

The immense success and pleasure that was derived by the banquet of the Plattsmouth Woman's club has led to the suggestion from many that at least one banquet a year be held as a civic affair in which both the ladies and gentlemen can be guests on an equal footing and the event be a "dutch treat."

The movement is one that is worthy of consideration and for the event should it be arranged for next fall or in the early winter, one of the outstanding women of the state could be secured for the event. This is a matter that the Happy Hundred committee should consider and make one of the series of the fall and winter banquets a "mixer" for the men and women of the community.

RE-RECORATES SHOP

Ross Baker, who recently purchased the Stewart barber shop on Main street is having the room arranged with a modernistic designs of black and white as the color scheme of the paper and painting of the shop room and which is being carried out by Frank R. Gobelman and his force of workmen and when completed the shop will be one of the most attractive in the city and a very pleasant and attractive place of business.

RECOVERING FROM OPERATION

Guy C. White and sister, Miss Lillian, who were at Kansas City to be with their sister, Miss Georgia White, have returned home. Miss White was operated on early Monday morning at the Trinity Lutheran hospital and while she is still feeling the effects of the operation she is doing just as well as possible under the circumstances and it is thought that she will soon be definitely on the highway to recovery.

WILL UNDERGO OPERATION

Mrs. George Everett of Union, Mo., is at the Methodist hospital at Omaha operated on this morning for an inward goitre from which she has been a sufferer for some time and which has seriously affected the health of the patient. Mrs. Everett has been at the hospital for the past two weeks taking treatment that would place her in condition for the operation and as the result of the course of treatment is now thought to be in shape for the operation. The patient has been suffering for some time from poor health and which rendered her condition such that it was necessary to undergo the hospital treatment and operation in the hope of securing any permanent relief.

GIVE DELIGHTFUL RECITAL

Last evening the second of the music week offerings was presented at the auditorium of the First Presbyterian church and in which the Women's club chorus was featured in several very charming numbers as well as solo selections and readings.

The members of the committee regretted very much that Miss Dorothy Sturm of Nehawka was unable to be present to give her whistling numbers but Miss Sturm will appear on the program at the M. E. church this evening.

This program of the evening given was as follows:

Piano duet—Mrs. George L. Farley, Miss Estelle Baird. "The Last Rose of Summer," "Life's Dream," "Dear, Dear What Can the Matter Be," Women's club chorus. Vocal solo—Mrs. Harry Schultz. "Bethlehem," "Lullaby," Club chorus. Duet—Mrs. Woolcott, Mrs. Rea. Reading—Mrs. J. A. Capwell. "Sweetest Little Feller," "The Rosary," Club Chorus. "Who Is Sylvia," "Hark, Hark the Lark," Miss Keefer, Mrs. Leosis, Mrs. Garnett.

There was a very large attendance and the numbers received with a great deal of delight by the appreciative audience.

Makes Settlement of Funds in First National

Miss Mia U. Gering Makes Settlement of Claims for Money Caught in Bank Failure

From Wednesday's Daily—Yesterday Miss Mia U. Gering, former county treasurer, paid into the office of the clerk of the district court the sum of \$5,942.79, representing the amount above the bond and the dividends received from the defunct First National bank for funds that had been deposited in the bank by the county treasurer prior to the close of the bank on December 14, 1928.

At the time of the failure of the bank Miss Gering was county treasurer of Cass county and on December 2, 1926, deposited with the First National bank a check of \$24,000 and before this amount was checked out, the bank closed its doors on December 14th, 1928 and with the result that the county funds were tied up in the failed bank, also Miss Gering as treasurer, had started an action to have the amount due the county on their checking accounts, declared a trust fund and so handled.

The amount above the \$20,000 bond carried by the bank for the protection of the county funds was \$10,892.18, and for the protection of this amount it was sought to have a preferred claim on the receiver of the First National bank and this case was carried to the state supreme court where after the trial of the case a part of the money of the county traced through the bank was made a preferred claim and leaving the amount that was necessary to settle for at \$5,942.79 and which was turned into the treasury by Miss Gering to cover the loss.

The case is one that is generally regretted as it has imposed a very heavy burden on Miss Gering, a most efficient officer, in making it necessary for her to supply the excess of the funds which were caught in the

First National bank in its failure and for whose protection Miss Gering had insisted that the bond be supplied but which was never fulfilled. The necessity of making this amount good has practically made two years of the service of Miss Gering as treasurer a sacrifice as the amount more than offsets the salary that she has received and in the matter, Miss Gering was wholly the loser.

Weeping Water Band Will Be Here Thursday

Fine Feature of Music Week Will Be the Appearance of the Concert Band

On Thursday evening at 8 o'clock, weather permitting, the Weeping Water concert band will be heard in concert on the streets here as a part of the music week program that is being staged in this city.

This will be an occasion that should be of the greatest of interest to the music lovers of the city and will be the first time this season that the residents of this section of the county have had the pleasure of hearing the band form our neighboring city.

The concert will be given in the open air if the conditions will permit and the visitors should have a large audience to enjoy their offering and the fine program that Director Krieger and his boys will offer.

It is hoped that as many of the local people as possible avail themselves of the opportunity to enjoy this fine concert.

Thursday woke up in a snowstorm but in the afternoon it saw Chile and Peru reach an accord on the Tacna-Arica question. Thus, no matter how the day starts there may be something to give three cheers about before the sunset, which is something to remember "O, ye of little faith."

Local Trackster Sets New Record at M-I-N-K Meet

Homer Spangler Takes Mile Run in New Record and Also is Second in the Half Mile

From Monday's Daily—The M-I-N-K track meet at Peru Saturday in which schools from eastern Nebraska, western Iowa and northern Missouri and Kansas were competing was one of the most largely attended in recent years, with a very large representation from all sections.

The Plattsmouth high school, however was not as largely represented to show his stuff in the mile run to the track stars, Hamilton Meisinger and Chet Wiles were unable to be at the meet.

The local school, however, was able to annex a first and second at the southeastern event, Homer Spangler, senior in the high school being able to show his stuff in the mile run to lower the meet record heretofore held by Barnard Galloway, who captured this event in 1928. The local race horse stepped off the mile in 4:45.7, clipping a little over three seconds from the record of Galloway and establishing a new mark for the future racers to point for. In the half mile, Spangler also scored second place, with Ireland of Pawnee City placing first in 2:9.17.

There were twenty-seven schools entered and the meet was awarded to Havelock in a close race with Tecumseh for the total points. In the meet five new records were set and one tied and to the observers the meet was one of the most interesting in years.
