### BLIZZARDS TIE UP TRAINS

The Pas, Manitoba—As a dead calm settled over the north country Thursday in the wake of a ten day blizzard, two marooned trains on the Canadian National Railways line to Churchill proceeded after slow moving snow plows. A party of 150 men, who had been held on one of the stranded trains, left Mile 455 Thursday by snow tractor en route to their work at the bay port.

Propelled by three engines, snow plows left Mile 445 Wednesday, but one became derailed and was righted only this morning. Tho the weather is becoming mild, it is expected that four or five days will be required to clear the line.

Fourteen typhoid patients, who were being hurried to a hospital at Mile 327 when their train was caught in the blizzard last week, Thursday were safe at the hospital.

# Spring Concert is Presented at the High School

### Excellent Program (Given in Both Instrumental and Voice Selections by Pupils

**From Saturday's Daily—**  
Last evening the music lovers of the city were given an unusual treat in the spring concert presented by the musical talent of the high school under the direction of Miss Ruth Lindsay, music supervisor and B. E. Woodward, director of orchestra.

The concert was one that was worthy of a packed auditorium as it gave the public the first opportunity this season of hearing the various groups of the music department of the school and to note the wonderful standard that has been attained by the young people in their musical work.

The opening was by the high school orchestra under the direction of Mr. Woodward and this large organization of the school gave a very fine rendition of the Andante from the "Surprise Symphony" by Hayden and the Intermezzo from "L'Arlesienne Suite" by Bizet, the orchestra giving a very expressive presentation of both of these numbers.

The Boys' Octette composed of Eugene Bushnell, Robert Hadraba, George Sayles, Ira Mumm, Clelland Retschdorf, Chris Bull, Donald Rainey and Richard Friedrich presented two very fine numbers, "Forsaken by Koschat and 'I Dunno'" by Fearis, the excellent voices making a very fine feature of the concert.

The individual talent of the students was shown in the two vocal numbers presented by Miss Leona Hudson in the "Home" song by DeRiego and Miss Jean Hayes in the clever number, "Dainty Damsel" by Novello. Both of these talented ladies have fine voices and for them the years should have a bright musical future.

The Boys' glee club was presented in two numbers, "Gypsy Trail" by Galloway and "Jolly Roger" by Candish, which the club presented in a very finished manner and won a very hearty encore for their fine work.

Charles Nowacek, one of the talented young musicians of the city was heard in a fine piano solo, "Liebestraum" by Liszt, the young artist giving a most beautiful rendition of this entrancing number.

The boys' quartet composed of Allen McClanahan, George Sayles, Ira Mumm and Richard Friedrich, gave a very pleasing number, "Pale in the Amber West."

The always popular Girls' glee club which has so often delighted Plattsmouth audiences, presented a group of numbers that were outstanding features of the program.

What the Chorus Sang and "Sweet O' the Year." The finale of the concert was the school songs "Plattsmouth High" and "Fight for Plattsmouth" spirited rally songs which had been arranged by Miss Catherine Glosky, secretary of the music department, and Miss Ruth Lindsay, music supervisor and these numbers made a most fitting close of an unusually fine program.

### WINS SCHOLARSHIP

Miss Vera Bernice Upton, daughter of Mr. and Mrs. L. R. Upton of Union has received the honor of being recommended for High Scholarship by the University of Nebraska.

She was a member of the graduating class of the Union high school in 1923 and will complete her work for a Bachelor of Arts degree at Nebraska University in June.

Miss Vera is to be recommended for her fine work, for this is a distinction that few people acquire. Honors were announced at the Honors Convocation on May 8.

The information came in the form of an invitation to attend an "Honors Convocation" given by the faculty on Wednesday evening at Grant Memorial Hall in Lincoln. The convocation is given to only ten percent of the best of the honor roll students, based entirely on scholastic standing, and to be included in a list so exclusively selected indicates merit of the highest quality. This is more apparent when it is remembered that she is taking the course in teaching and art, with mathematics as the rigorous major subject.

Mr. and Mrs. Upton drove to Lincoln on Wednesday evening to attend the event and report a most enjoyable evening, as guests of the faculty.

The three officers, Policemen James McReynolds of Abingdon, and Deputy Sheriffs J. H. Worley and James Crowe of Washington county, have been suspended from duty. They waived preliminary hearing and were held under bond to await grand jury action.

## PLATTSMOUTH FIRE DEPARTMENT COMPLIMENTED

The Plattsmouth fire department, volunteer organization whose members are recruited from among the men of the community, has given valiant service on many occasions in the past when they have waged battle against one of the most destructive of elements, fire, but the department has received but little credit for the hard work and the danger that they have faced.

Following the fire in the Bekins building on Wednesday morning, the adjusters of the insurance companies were here and looking over the scene of the fire and the conditions in which the fire was fought, were loud in their praise of the department and one well stated that the city could well feel proud of the fine work that the department had performed in holding the fire in the confined space that they did in the case of the Bekins building fire.
