

Greenwood is Getting Ready for Convention

Merchants of Lively Western Cass County Town Backing Legion in District Meet Plans

The Greenwood Commercial club met last Friday evening to consider plans for the district American Legion convention to be held there early next month. Col. Phil Hall, commander of the Greenwood post, gave a short talk outlining what the convention would be like and stating that between 500 and 800 Legionnaires from over the First congressional district would visit the town on that day.

A committee was promptly named to meet with the district officers and the local post for the purpose of selecting the date and making arrangements for the convention.

With the lively Greenwood Legion post back of this and the assistance promised by the Lincoln and Plattsmouth posts, this sixth annual district convention should be as big an affair as a small town can hope for.

The Legion is one organization where there seems to be no sign of strife—they all get in and pull and make things win.

The Greenwood boys will undoubtedly get a real crowd there, as they are known over the state by hundreds of Legion members as being real fellows and no doubt their friends will respond to the call to come and participate in the good time that will be provided for them.

His Rheumatism Overcome; Gains Sixteen Pounds

"Since I began taking Sargon my weight has increased from 96 pounds to 112—an actual gain of sixteen pounds—but the most wonderful thing of all is the way Sargon overcame my rheumatism."

THOS. B. BELL

"For twelve years I suffered tortures with pains in my knees and hips. At times I couldn't walk without crutches. I also suffered with stomach trouble, constipation and biliousness. For months I lived almost entirely on soup and bread. I lost energy and my general condition became dreadfully rundown. I tried nearly every medicine I heard of, but nothing did me any real good."

"Now, I am like a different man. Every ache and pain is gone. I eat anything I want without a sign of trouble. The rheumatism has disappeared and my strength and energy have returned. A friend of mine who had seen me on the street a few months ago, saw me the other day. I was hustling along, walking as good as anybody. He could hardly believe his own eyes and asked me, 'What in the world have you done?' and I told him what Sargon had done for me."

"The Sargon Soft Mass Pills are the finest I ever used and they have entirely rid me of constipation. From now on my faith is pinned to the Sargon Treatment."

The above enthusiastic statement was made by Thos. B. Bell, well known retired farmer, residing at 415 West California street, Oklahoma City.

Sargon may be obtained in Plattsmouth from Weyrich & Hadraba.
