

### Mrs. Thomas Has Gained 19 Pounds

"When I began the Sargon treatment I weighed 109 pounds. Now my weight is 128 and I am a well woman."

"For years I was in poor health and finally, after eight years' office work with the Paramount Pictures

MRS. M. L. THOMAS

Co., I was compelled to give up my position because I was so terribly weak.

"My digestive organs were so upset that nothing I ate agreed with me. I will never forget those awful, splitting headaches that I suffered with almost continually. My blood was so impoverished that my color was ashy. My back and hips hurt me so I could hardly get out of bed mornings and I would go to work so tired, weak, and in such misery that I often felt like I would drop in my tracks. I suffered so with biliousness, that life was miserable. I tried just about every medicine I had ever heard of without lasting relief."

"After taking Sargon my color turned ruddy and healthy, my strength and energy are back. My appetite is wonderful now, my food agrees with me and my sleep is sound and restful. I was surprised when every pain and ache left me—and especially those awful headaches. My nerves are normal again and my friends all tell me how wonderfully well I look."

The above remarkable statement was recently made by Mrs. M. L. Thomas, well known and highly esteemed resident of 354 Crew street, S. W., Atlanta.

Sargon may be obtained in Platts-mouth from Weyrich & Hadraba.

### MAKE INTANGIBLE RETURNS

The office of County Assessor W. H. Puls has been busy the past few days in handling the intangible tax returns which are made direct by the taxpayer to the office of the county assessor to cover the new tax law enacted by the state legislature. The exact number of returns made so far have not been checked by the county assessor but it is estimated that fully eighty per cent of the taxpayers were under the wire with the returns by yesterday, this being the date set for the final reception of the returns to avoid the penalty for failure to make the required returns. However, in a great many counties of the state, a few days grace is being given as this is the first year of this new tax law and with which the people are not wholly familiar.

On this trip they are driving a new Ford coupe car, and after a few days in Cass county will go to Pekin, Ill., for a visit with Fred Beins, a brother of Mrs. Hull, and from there to Delaware and Cleveland, Ohio, where they have sons residing. They will visit Mr. Hull's old home in West Virginia, where he still has two brothers. On the westward journey home they will go to Detroit, for a visit with another son.

We would term this a pretty good trip for a man of Mr. Hull's age, 74 years, but he looks hale and hearty and fully equal to the occasion. He wants to arrive home about the first of September. They were pleasant callers at the Journal office yesterday.

## Walker Bates, Pioneer, Laid to Last Long Rest

Veteran of the Civil War and Old Resident of Nehawka Passes to His Final Reward

Walker Bates was born in Sherburne, Vermont, October 12, 1843.

His boyhood was spent there until he was 19 years of age when he went to the company of the Vermont Infantry. He was mustered in October 31, 1862 and served thru his enlistment period. He re-enlisted in 1863 but was not accepted the second time because of physical disability. During his term of active service he made several trips to Washington with prisoners. He fought thru the Battle of Gettysburg. He was color guard and ranked as corporal the doing sergeant's duty while in service.

October 22, 1864 he was united in marriage to Estine Bennett of Stockbridge, Vermont, who preceded him in death in 1920.

The newly married couple bought a farm near Sherburne—an old time Vermont, rocky hill farm, and operated it for three years.

Before the year of 1868, having heard of Nehawka and its advantages as farm and home site from Mr. Bates' cousin, Lawson Sheldon, they set out for the new west and arrived in Nehawka the last day of February, 1868. In this community they spent all of their remaining life.

The first two years here, they lived on a farm near Avoca which they rented from Lawson Sheldon. Then they bought 160 acres west of Nehawka on the "O" street road and made that farm their home until moving into Nehawka in 1891.

For 60 years, he took an active part in the life of this community. While never holding public office, he was keenly interested in local, state and national politics. He was a Baptist and for years had been affiliated with the Baptist church at Union.

Since the death of his wife, Mr. Bates has made his home with his daughter and son, Mr. and Mrs. J. S. Rough in Nehawka. His death followed an illness of six weeks, not without serious until shortly before the end.

To Mr. and Mrs. Bates were born one daughter, Frances Amelia, now Mrs. J. S. Rough. They raised one son, Charles Bates, also of Nehawka.

Mr. Bates is survived by the members of his immediate family, the wife having preceded him a number of years ago. A brother, James Bates, of Windsor, Colorado, and one sister, Mrs. Agusta Taylor of Sherburne, Vermont. The funeral services were held from the United Brethren church and conducted by the Rev. H. D. Knoblock, pastor of the church, while the Rev. W. A. Taylor conducted the services at the cemetery. The pall bearers were Frank P. Sheldon, V. P. Sheldon, Charles Bates, Martin Ross all of Nehawka; Richard De Les Denier of near Woodstock and H. J. Dane of Iowa City, Iowa.

### CARS HAVE SSMASHUP

From Monday's Daily—  
Yesterday afternoon an auto smashup occurred at the "Four Corners" just south of this city when the car driven by Sam T. Gilmore and that driven by a young man named Hardison collided at the intersection of the Rock Bluff road with the east and west road leading to the King of Trails highway.

Mr. and Mrs. Gilmore and family and Mr. and Mrs. R. T. Cottrell, neighbors, were driving north on the Rock Bluff road to Plattsmouth and as they came to the intersection of the road with the east and west road, the car containing four young people came from the west and the occupants of both cars failed to see the danger until a collision was inevitable. In his effort to avoid hitting the car of young people, Mr. Gilmore attempted to swing his car out and in doing so overturned the car, while that driven by Hardison suffered the damage of the running wheel on the right side of the car. The cars were both damaged to some extent but fortunately none of the occupants were seriously injured beyond being shaken up and bruised to some extent.
