them. Anyone wanting to communicate with the bunch who will be taking hot baths and seeking health can address them at the Kansas Rooming House, Thompson Avenue, Excelsior Springs, Missouri. The Journal will be a visitor twice a week while they remain there.

Merchants Eat and Talk Much.
The matter of their eating much is sure certain, for the women of the Baptist church fed them and you know when the women of the churches, which ever one it may be, feeds the people, they are well fed. We know, for we were there.

Following the eats, which was a tie, for all came out even, Charles I. Seeley asked the Business Mens club of Union to assist in getting him a privilege of mailing a paper at Union, as he has tried to do this and print it in Weeping Water, but the department thought otherwise. He now enlists the aid of the Business Mens Club to obtain the privilege of the mail. The matter was turned over to the executive committee of the club for action. Following this W. W. Metz of Nebraska City who was present, was asked to speak, which he did and recalled when forty years ago he was the teacher of the Stringtown school, which was a settlement along the Weeping Water north of the pumping station. He recalled many of the instances which the speaking here brought to mind, and found that he had a number of his former scholars in these who were eating and listening to his address.

Mr. Metz who was for some thirty-seven years a clerk on the railway mail service and was pensioned three years ago, counseled charity among the members of the club and said, he on terms as will enable you to call across the street to your competitor "Hello Bill" and receive the reply "Hello John, how is business." It is by a spirit of charity that we can succeed the best said the speaker. The matter of the coming celebration of Old Settlers picnic days was called up and the people interested of the matter were asked to call a meeting soon for the consideration of the matter. Plattsmouth night was set for Friday of this week at the chautauqua and Nebraska City night set for Saturday.

Will Hold Union Meeting.
There will be a meeting of the two churches at the chautauqua tent at the usual meeting hour next Sunday following the Bible school at both churches. The meeting at the tent will begin promptly at 11 o'clock, with the reading of the lesson by the Rev. W. A. Taylor who will also offer the prayer while Rev. W. A. Bowdin will deliver the message. There will be special music and a well worth while sermon will be had. Come and enjoy this meeting. It is free and for all and all are welcome, there will be no cost to it.

L. F. Fitch Very Poorly.
Our friend, better known as 'Bud' Fitch who last week moved into Union from the farm where he has lived for many years, is feeling very poorly at this time and while every thing is being done in the way of medical treatment and the best of nursing, he still remains quite poorly. His many friends here and elsewhere are hoping that he may soon be in his usual health again.

Obituary.
Oliver Seacat, son of Monroe and Polly Seacat, was born at Ramsey, Indiana, October 6, 1872, and died at his home at Avoca, Nebraska, June 26, 1929, age 56 years, 8 months, 20 days.

He was united in marriage to Miss Letta Davis, in July, 1898.
To this union was born one daughter, Edith, now Mrs. George Wessel of Nebraska, Nebraska.
His wife died on May 4, 1904, leaving him with the responsibility of raising his small daughter, soon after they came to Nebraska to make their home, and he was engaged in farming east of Avoca until 6 years ago when he moved to Avoca. He and his sister and husband, Mr. and Mrs. Seth Voyles, have shared their home while on the farm and since moving to town.

While yet a young man, he became a member of the Methodist church and he lived his life in the christian faith, and to know him was to love and respect him.
As a father, brother, friend, neighbor and citizen, is a true testimony of his christian faith.
He was very patient and cheerful through his sickness and was very grateful for any kindness shown him.

He leaves one daughter, 2 grandchildren, 4 sisters, and 6 brothers, and a host of friends.
Funeral services were held at the late home at Avoca, Nebraska on Thursday afternoon, and were conducted by Rev. W. A. Taylor of Union, Nebraska.
The body was taken to Weeping Water where they entined for Ramsey, Indiana, for final interment. Those who accompanied the body were Mr. and Mrs. George Wessel, Mrs. Wessel being the only daughter, Mr. and Mrs. Seth Voyles, a sister of the deceased.

I cannot say, I would not say. That he is dead, he has gone away. With a cheerful smile and a wave of the hand. He has entered in to an unknown land. And kept us dreaming how very bare It needs must be since he lingers there.

4-H Club Camp.

Women's Project Clubs.
Every house wife has a two-fold clothing problem, that of clothing herself and her family and that of clothing the house. The work for the women's clubs, next fall deals with the selection and construction of articles to clothe the house. Each room presents an individual problem. The bedroom calls for a wise choice in the selection of the bedding and linen because such articles are chosen to last over a long period of time.

It only takes five women to organize a club and this is necessary to secure the work. Any group interested notify the Farm Bureau office. The meetings do not start until the latter part of September, however, enrollment blanks must be in by August 15. Now is a good time to organize before the rust of the harvest season.

4-H Essay Contest.
"Nebraska" is to be the title of an essay contest open to members of 4-H clubs in the state. \$50.00 is offered in five prizes, \$15, \$12, \$10, \$8, and \$5. The contest is sponsored by the Nebraska State Board of Agriculture, George Jackson, Secretary. He is asking for your cooperation.

Essays are to be turned in to county extension agents or county superintendents of schools by August 1. The best five in each county are to be sent to Mr. Jackson by August 10.

Winners will be announced by Governor Weaver over the loud speakers on the State Fair grounds as one of the features of the Sunday evening grandstand program, September 1.

Rupture Shield Expert Coming to OMAHA

Monday and Tuesday
July 15th and 16th
at
ROME HOTEL
from 10 a. m. to 4 p. m.

Evenings by telephone appointment only
TWO DAYS ONLY
No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:
The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support.

Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy leg-straps are used.
I guarantee the durability of my absolutely sweat and moisture proof sanitary appliances.

75% of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

Your attention is called to the last paragraph on page 4 of the June issue of Nebraska. The collection and presentation of facts about the state will count the most in the contest. Spelling, punctuation, construction of sentences, etc., will be given minor consideration by the judges.

Application blanks for boys and girls club members to enter this contest may be secured at the Farm Bureau office.—L. R. Snipes, County Extension Agent, J. H. Baldwin, Asst. Co. Ext. Agent.
