**Gov. Weaver said "Visit the State Fair" —WE SAY**  
**Visit the COUNTY FAIR**  
 This year's Fair will be by far the greatest yet,  
 and every Cass county citizen owes it to him-  
 self to drive to Weeping Water for at least  
 one of the three days—Sept. 18-19-20.  
 We are closing out the large Grocery and  
 Housefurnishings Stock of our lower store in  
 order to give possession of our building to a  
 new lessor by Oct. 15th. Exceptional bar-  
 bains that are literally selling themselves.  
 After that date, we will concentrate all our  
 merchandise efforts on Black and White, the  
 low price Cash and Carry Grocery and H. M.  
 Soennichsen Co., fastest growing department  
 store in Cass county.
