SAVE YOUR STOCK

We are specializing on American Field Fence, with insulated steel posts and so constructed as to prevent stock being killed by lightning. We are giving our customers the advantage of the saving in freight, as we ship in car lots direct from factory, making our cost less than the Omaha wholesale prices. Cribbing and fencing for hogging corn is now very reasonable. Gvanized steel roofing at a great saving.

Noah Parker of Union, where all enjoyed a very pleasant visit, the Messers Parker being brothers.

Mrs. Harriett Nichols, living south of Union and in Otoe county sold an eighty acre farm to John McCarthy, the negotiation and sale being made by F. H. McCarthy, the consideration being \$12,000, or at a rate of \$150 an acre.

Among those of Union who were attending the Bible school convention at Murray were James Frans and wife, Charles Garrison, Alida Taylor and mother and many others, and all declare the gatherings there to have been excellent.

Last Monday John T. Becker went to Nebraska City with a load of hogs for himself and was home early in the forenoon. On Tuesday he went to Omaha with a load of porkers which he was delivering for Joseph A. Everett and A. L. Becker.

Misses Nola Banning and Dorothea Larson who are attending the Stephens college at Columbia, Mo., write that they arrived all right and are well satisfied with the school and the surroundings and are liking the country as well as the school very much.

Charles Garrison, and Lee Farris, two excellent men and who are willing to take a portion of their time for the public benefit were canvassing for funds for the erection and maintenance of a fence around the Mount Hope cemetery otherwise known as the East Union cemetery.

P. F. Rhin and wife were in Murray on last Sunday afternoon where they were in attendance at the Cass County Bible School association convention, was in session, and where they found a large number of delegates from all over the county, and all in earnest in the work of the Bible schools and the convention.

The state fire warden was a visitor in Union on last Monday and found the city in very good condition and ready for the coming winter, with

but a very few exceptions. The way to be safe is to be safe, and take no greater chances than is necessary. Keep all things in good shape to prevent fire losses. It always pay to be safe.

The car which Charles Atteberry took in from Frank Bauer was sold to C. F. Harris, who sure has a good car, for Mr. Bauer cared for the car in the very best of shape. This new exchange will give Mr. Harris a very fine car and one which will well serve him in the winter as it is closing in very car which Mr. Atteberry got from Commissioner Harris he disposed of to Lloyd Tennent.

W. E. Moore, who is secretary of the board of education of the Union schools and having in his care a list of the requirements of the school, and submitted the same to the merchants of Union for their figures for furnishing the supplies. This is as it should be and the supplying of the schools with what they are needing should first be submitted to the patrons of the schools as Mr. Moore has done.

Frank Bauer has purchased a new car and this time it is a Chevrolet, and one of the most reliable which can be gotten. Frank has been driving a Ford and learned that it was a dependable car, but in the getting of his second car, purchased a gear shift and made no mistake when he selected a Chevrolet, making the purchase through the Atteberry garage, who sells but this one kind of car, and knows when he does that his customer will be well satisfied.

Residents of Union.

James G. Roddy and wife with their daughter, Rose, who have been making their home for the past year in Denver, and where they have been having very much, but also liked the city of Union and the people here just as well or better, so they are again residents of this bustling city. Union welcomes this excellent family, and assures they are appreciative of their residence here.

Advertising the Fair.

B. L. Philpot of Weeping Water, with plenty of advertising materials with him, and accompanied by Mercurial Michael Cruiser, of Hebron, and Wm. Porter of Crab Orchard, were in Union on last Monday giving free exhibition and advertising the Cass county fair which is being held in Weeping Water on Wednesday, Thursday and Friday of this week, September 18th, 19th and 20th.

Wolfe River Apples.

E. B. Chapman, who is much of a horticulturist, and who knows how to raise good apples has some at the Rhin and Greene store, on sale and the largeness of them challenged our attention and we made special inquiry finding that forty-eight of them weighed fifty-two pounds. You do not have to go to California, Florida or Michigan to get good apples or in fact any other fruit, for you can grow them in Nebraska and Cass county at that.

Dr. Your Part.

The Baptist church maintains services every Sabbath day, and also has a Bible school, which provides an excellent opportunity for the study of the Bible and the right way of living. This institution of Union welcomes all to come to its services who are not at the time worshipping elsewhere. Come to our Bible school and church services, you are welcome and we will endeavor to make it pleasant for you to visit us. Services regular hour in the morning eleven o'clock, and the Bible school at ten.

Will Formulate By-Laws.

The president of the newly organized Old Settlers Association, Phillip F. Rhin, will call the board of directors together in a short time for the purpose of formulating a constitution and by-laws. It is confidently expected that there will be an opportunity to interest some two hundred or more in the organization and that they will become members of the organization.

To Build A New Home.

It is expected that in the near future that the Lincoln Telegraph and Telephone company will erect a new building in Union, for their use. They have had under contemplation for some time the erection of this building to care for their business here and this will make a material addition to their plant. Several other changes are contemplated by the company in the near future for the betterment of the service, they desiring to give the very best service at all times. This new building will be a good addition to the business section of Union.

Will Observe Sacrament Sunday.

The Baptist church of Union will observe the Lord's Supper the coming Sunday, with communion. All members and visiting members are cordially invited to be present and celebrate the festival. The communion will be served at the regular morning service hour.

The Frans Lumber Company.

The Frans Lumber company in keeping with spirit of progress has just about gotten completed their new office which has caused quite an outlay and when entirely completed will make a nice addition to the busi-

ness and enterprise of the city. They made the construction of a porch on the east side of their office and are at this time ready for the installation of the new large scale which they are to make one of the latest features of their service. The business and traffic of not alone Union but many other towns is rapidly going from horse drawn vehicles to those of a heavier kind and it is necessary to furnish larger scales to do the weighing. Mr. D. Ray Frans is meeting the needs of the times.

Have Excellent Services.

The services at the Baptist church on last Sunday was under the direction of Mr. and Mrs. Phillip Rhin, and was a most entertaining as well as worth while service, incorporating a playlet in the service, known as "When Tillie Learned to Tith." There was also excellent music as well as the other features of the service.

Organize Old Settlers.

At a meeting which was held last week an organization of Old Settlers of Cass and Otoe counties was effected with the end in view of perpetuating the picnics and associations which has been maintained for the past forty years, and which for the most part of the time Attorney C. L. Graves has been the leading spirit. The officers elected are P. F. Rhin, president, W. B. Banning, vice president; C. B. Smith, secretary; Bank of Union, treasurer and Charles Garrison, Earl Merritt and Ira Clarke, executive committee.

Mrs. Austin Answers Call.

The entire community was shocked Tuesday night to learn that Mrs. Hattie Austin had passed away at eight o'clock. She had only been ill for two days and many friends and neighbors had not heard that she was in other than her usual health.

Mrs. Austin, who was the daughter of Mr. and Mrs. William Hoback, was born in Wyoming Precinct, Otoe county Feb. 26, 1894. Her early school days were spent in attendance at the school in that precinct, which she finished and then came to continue the work at the high school in Union. On April 16th, 1924 at Council Bluffs, Iowa, she became the wife of Jay H. Austin, and made their home near Union since. Their present home is only a mile northwest of town. She was an active member of the Baptist church here and took a keen interest and part in the work of the church and various women's organizations. Her quiet charming personality and her sympathetic helpfulness under all conditions made her loved and popular with the entire community where she spent her life.

Besides her husband, Jay H. Austin and their beautiful little four year old daughter, Betty Mae, she is survived by her father, two brothers, Ray and Charles, and her sister, Mrs. Ray Bollman, all of whom live in Union, and another sister, Mrs. Art Yowell, whose home is at Long Beach California.

The funeral was held Thursday afternoon at the Baptist church. The church and relatives accompanied, with many standing outside on the lawn unable to get into the building, with her pastor, Rev. W. A. Taylor officiating.

A mass of lovely floral offerings banked the casket and beautiful musical numbers were rendered by a quartette composed of Mrs. H. L. Burbee, Mrs. Bess LaRue Garrett, Mr. D. Ray Frans and Mr. C. H. Whitworth. The interment was at the Swan cemetery and the long procession of cars, filled with sorrowing friends and relatives accompanied, remains to their last resting place. The pall bearers, all first cousins of the deceased, were Ray Johnson, Carl Sharp, Chester Sharp, Elmer Hemphill, Eugene Hemphill, Charles Hemphill.

Woman's Club Meets.

The Union Woman's Club met with Mrs. J. C. Hansell last Tuesday afternoon. Mrs. Chas. Greene very ably conducted the meeting, in the absence of all other officers. A number of items of business were discussed, the most important of which was the admission of new members to play next month. After all business was taken care of, the leader of the afternoon, Mrs. W. B. Banning, took up the topic "The Daughter and the Dollar," which was very instructive as well as interesting. A short social time was spent in the afternoon which the hostess served a delicious lunch of fruit, cakes and coffee. All departed for their homes thanking Hansell for the pleasant time spent in her home.

You can't use a .22 cartridge in a high powered rifle and get results

AND BEING one of the snappiest motorists in these parts you wouldn't knowingly load that high-powered motor of yours with small calibered gasoline. If you want to get all the power, the range, the speed and the mileage your motor was built to deliver, give it this "big gun" ammunition...

PARCO Gasoline

Is just the right caliber. Clean, pure, crystal white gasoline with a sure-shot volatility which means it gives you more power units per compression charge than any non-premium gasoline we know of. Hence its surplus speed, power and mileage.

TO REOPEN 3 STATE BANKS

Lincoln, Sept. 16.—Three of four Nebraska state banks which recently suspended business will doubtless be recognized and reopened, Commissioner Woods declared Monday.

The three he believes will soon be doing business again are the Farmers and Merchants bank at Edison, the Security bank of Meadow Grove, and the Farmer's State bank of Clarks. Due to its proximity to Albion, it is doubtful if the Loretta bank resumes business, Mr. Woods said. Depositors' meetings favoring reorganization have been held in each of the three towns he stated.

NORTH PLATTE DRIVERS CAN'T SEE STOP SIGNS

North Platte, Sept. 15.—Special highway patrolmen, sent here from Lincoln to observe traffic conditions, report that motorists generally are not observing stop signs placed at intersections. They indicated that penalties are to be inflicted in the future.

Rotary to Name City in Europe for 1931 Session

Officers En Route to Study Transport and Hotel Accommodations.

New York—In pursuance of the purpose of Rotary International to promote good will and understanding among all nations, four officers of that organization have just left New York aboard the steamship Leviathan, of the United States Lines, to visit five European cities and select one of them for the international convention of Rotary in 1931.

M. Eugene Newman, president of Rotary International, announced before going aboard the Leviathan that the party would visit Paris, Nice, Vienna, Berlin and London. They will also attend a meeting of the European advisory committee of Rotary International, to be held in Frankfurt, Sept. 14 and 15, he said.

Mr. Newsom and his associates will confer with local Rotary Clubs in every city they visit, and in addition to studying the hotel accommodations and transportation facilities of each place, they will attempt to determine the ability of each prospective "convention club" to interpret the international significance of holding such a convention in their city.

In addition to Mr. Newsom, who is of Durham, N. C., the party consists of Donald A. Adams, of New Haven, Conn., past president of Rotary International; Allen Street, of Oklahoma City, chairman of the finance committee, and Howard Feighner of Chicago, assistant secretary and convention manager.

GERMAN QUARTERS FRENCH MAY SEND MEN

Coblenz, Germany, Sept. 15.—Despite denials in various quarters there still were apprehensions today lest the French troops take the places of evacuating British forces in Wiesbaden and the suburbs. These apprehensions were expressed today at the offices of the German commissioner, Baron Langworth von Simmern, who is liaison officer between the ministry for the occupied area and the inter-allied Rhineland commission.

The general impression is that the final decision rests with the French commander-in-chief, General Guillaumat, whether the remnant of the inter-allied Rhineland commission is to go to Wiesbaden with only the formality of an honor guard of one company or with the full battle strength of a French infantry battalion and a regiment of cavalry as rumored in London reports.

French members of the commission, themselves, however, say they do not believe the latter course will be followed.

MEMORIAL TO INDIAN MAID

Mobridge, S. D., Sept. 16.—A memorial erected to the memory of Sakakawae, noted Indian woman, will be unveiled near here Sept. 27 with elaborate ceremonies in which schools throughout the Back Hills will participate. It is located at old Fort Manuel, built in 1812 as protection against the Sioux and Arrikara Indians.

The memorial was erected from funds raised by school children throughout the state. A feature of the program will be a pageant depicting the life of Sakakawae, who gained fame as the interpreter for the Lewis and Clark expedition on its journey through the Northwestern wilderness to the Pacific coast. Captain Lewis ascribed much of the success of his expedition to the Indian maiden who acted as guide as well as interpreter.
