### Spring Program Should Include Athletic Field

Creation of Field for Use of the City School Athletics Should Be Looked After

While the winter season is not a time when the minds of the public are devoted to outdoor sports, at least in this part of the country, this is a most appropriate time to perfect plans to see that when spring arrives that the athletic field for the use of the city schools is made a reality.

The agitation for the change of the tourist park on Washington avenue into a field for the use of the high and grade schools for their outdoor activities which was started at the opening of school, met with a very popular response and many were favorable to starting a general drive to have done by the end of the year. Our language would turn the park into a field for the use of the schools.

The march of time is fast eliminating the open tourist parks in favor of the cabin type where more accommodations are available and there is prospect that this city will join the other communities in having a park of this kind, which will make the present park available for other uses.

The park will require some work in making it available for use as a field for athletics but this could be easily handled and would give the school a nice playground and football and track field that would not be subjected to the overflows and annoyances that the use of the baseball park brings each season.

The money expended on the transformation of the park into an athletic field would make a permanent field and not be wasted as that spent in attempting to place the ball park in shape each season.

The situation of the tourist park would make it possible to arrange the seats in the form of an amphitheater and make a fine addition to the surroundings of the school buildings.

#### WRITES OF OLD TIMES

Yesterday John Little, for many years a resident here and who some twenty years ago was a well known and popular young man in the life of the community, was here, coming from Chicago, and sought to find a number of the old time friends. While here Mr. Little composed the following poem which will be of the greatest interest to the older residents especially.

#### Memories.

How pleasant to dream of those far away times  
When life's old illusions were new.  
With comrades and sweethearts of various climes  
Whose faces now pass in review.

In that old town of Plattsmouth my boyhood was spent,  
While attending that school on the hill  
Where the pledge of true friendship I learned what it meant.  
These Memories remain with me still.

Those boyhood days far too quickly have sped,  
When we comrades to manhood have grown.  
What day dreams and fancies in each youthful head,  
Those bright visions—where have they flown?

Each evening we'd gather at old Sixth & Main  
Down there by the Riley Hotel.  
While our songs would be sung with a merry refrain  
There were always some stories to tell.

On Saturday evenings to take in a dance  
Some times at the old T. J. Hall.  
Or perhaps at the German Home gaily to prance  
When the Turners were giving the ball.

I have danced quite a bit since I left the old town  
From the east to the far golden west.  
Also look many over, black yellow and brown  
But those dancers at Plattsmouth were best.

McCarthy and Triletty, Guthman and Wurl,  
Ed Schulhof and Tom Kepple too.  
How we envied their grace as they danced with each girl  
Our language would turn the air blue.

Now the old gang is scattered to meet no more  
And some from life's troubles are free.  
So while drafting glass to those dear pals of yore  
Please accept these kind thoughts from me.

#### MARRIED AT COUNCIL BLUFFS

From Saturday's Daily—  
This afternoon at 2 o'clock at Council Bluffs occurred the marriage of Miss Dorothy Plunkett of Nehawka to Leonard Glen Allen of this city.

The wedding was a very quiet one, the young people motoring to the Iowa city where the happy event was celebrated. Mr. and Mrs. Clifford Spangler, Miss Mildred Allen, sister of the groom, and Earl Embury, serving as the witnesses of the marriage.

The wedding came as a surprise to the many friends of the estimable young people who were unaware of the near approach of the marriage, but who are delighted to learn that these two fine young people are to take up the journey of life together.

The bride is one of the highly esteemed young ladies of the Nehawka community where she has a very large circle of friends, she having spent her school days in that locality.

The groom is a son of Mr. and Mrs. M. B. Allen of this city and was born and reared in this community, where he is held in the highest esteem by a very large circle of friends. Mr. Allen is in the employ of the Burlington in the local shops and is one of the popular and highly respected members of the working force while in the community his friends are only limited by his acquaintances.

Mr. and Mrs. Allen will enjoy a short visit at Kansas City with relatives and friends and will then return to this city where the groom has a home awaiting the coming of his bride.

With the many other friends the Journal joins in the hearty well wishes to this excellent couple for many years of happiness and success.

#### CAFE CHANGES HANDS

The Leases cafe on North Sixth streets changed hands last night when it was turned over by the former owner, Harry Leases, to Ross Baker who is now in charge of the business and will conduct it in the future. Mr. Baker will have the name of the popular eating place changed to that of the Merchants cafe.

The cafe will be operated as at the present on a day and night service and Mr. Baker, the new owner, states that the cafe will specialize in home cooking. Mrs. Baker being the chef in charge of this part of the restaurant and they expect to give the very best in service and food to their patrons.

### Mrs. Barbara E. Will Pioneer of Nebraska

Former Resident of This County Laid to Rest at Long Beach, California.

Barbara E. Harold was born April 1st 1852 in Pendleton county, Virginia, where she spent her girlhood days, and nine years of her early married life. She was married Jan. 16th, 1870 to Agill S. Will, also a native of the Old Dominion.

In 1879 they moved with their three small children to Nebraska, locating on a farm near Eight Mile Grove, where for a number of years they endured the hardships known only to the early pioneer settlers. For twenty-seven years they toiled side by side, rearing their nine children.

In the spring of 1906 they sought retirement from their labors. They built a beautiful home on Chicago avenue in Plattsmouth where they made many close friends, and where Mr. Will served on the city council for a number of years. Mrs. Will not enjoying the best of health, a milder climate was sought. In the spring of 1922 they moved to Long Beach, California, where several of the children had already located. Her health improved in that wonderful land of sunshine and flowers, and until the last year she led a very active life. She suffered a heart attack a year ago, and gradually grew weaker until the morning of Jan. 2nd, she closed her eyes in sleep.

Mrs. Will was a devout Christian. In early life she affiliated with the Methodist church, and remained a member until her death. She was of a quiet, unassuming disposition, which endeared her to all who came in contact with her. A devoted wife and mother.

Had she lived two more weeks they would have celebrated their sixtieth wedding anniversary. Mrs. Will leaves to mourn her passing, the aged husband, five sons and four daughters, Fred S. Will, Hennessey, Okla.; J. Newton Will, Kettle Falls, Wash.; Blanche C. Spangler, Myard, Neb.; Madona A. Will, Long Beach, Calif.; Tom J. Will, Van Nuys, Calif.; Grover H. Will, Van Nuys, Calif.; Minnie L. Windham, Long Beach, Calif.; Fanny L. Thomas, Riverside, Calif.; Robert B. Will, Plattsmouth, Neb.

There are also left to mourn the passing of this good woman twenty-nine grandchildren and twelve great grandchildren. The services were conducted by John B. Davis, a retired Methodist minister, in the Coon undertaking parlors at Long Beach. Interment was made at the beautiful Angelus Abbey Mausoleum.

#### HOLD JOINT MEETING

The St. Mary's Guild and the Women's Auxiliary of the St. Luke's Episcopal church held a very fine meeting Tuesday afternoon at the home of the Misses Mia and Barbara Gering and with a very large number of the members in attendance. The chief matter of the afternoon was that of the selection of the officers of the two societies and for the auxiliary the following were named:

President—Mrs. R. F. Patterson.  
Vice-President—Mrs. J. T. Begley.  
Secretary—Mrs. Perry Coffman.  
Treasurer—Mrs. George K. Petring.  
The officers named for the St. Mary's Guild named were:  
President—Mrs. R. W. Clement.  
Vice-President—Miss Barbara Gering.  
Secretary—Mrs. Henry McMaken.  
Treasurer—Mrs. S. W. Bell.

The meeting also selected the delegates to the church council to be held in Omaha on January 22nd. Mrs. R. F. Patterson, Mrs. Frank L. Cummings, Mrs. Mary Cook, delegates and Mrs. J. T. Begley, Mrs. Henry Herold and Mrs. Henry McMaken, alternates from the Auxiliary, while Mrs. J. S. Livingston was named as delegate by the St. Mary's Guild.

At the close of the afternoon dainty and delicious refreshments were served by the hostesses which completed a very delightful time for all in attendance.

#### CHANGE THEIR PLANS

From Wednesday's Daily—  
Fred McMullen and L. A. Decker of Nebraska City, captured here Saturday with a small amount of booze on them as well as being intoxicated, have withdrawn their previous pleas of not guilty and are now guests of Sheriff Bert Reed. McMullen drew a fine of \$25 for intoxication, \$50 for driving a car while intoxicated as well as having his driver's license taken away and finally sixty days in the county jail was given for possession of liquor. Decker was given a fine of \$25 for drunkenness and \$100 for possession. In failure to pay the fines and costs the two men will have a warm place for the winter season.

### Platters Stage Great Game with Havelock Friday

By One Point Margin Locals Lose to Boiler-makers After Great Second Half Rally

From Saturday's Daily—

One of the most thrilling basketball games that the Platters have taken part in this season was staged last night at the Havelock court and while the blue and white were edged out by a one point margin, 15 to 14, they played some fast and furious basketball and in a last half rally shook the Boiler-makers.

The quarter closed with Havelock maintaining a 8 to 4 advantage, Ira Mumm, playing his first game of the season, having made a fast off bankboard shot to score the first tally of the game for the Platters which with free tosses gave them the four points.

The half found Havelock with a 11 to 8 lead and in the latter part of the game the Plattsmouth quintet were battling all the time and held the Boiler-makers to their three point lead at the third period. In the last period, shots by Mumm and Hartford brought the Plattsmouth score to 14, but Young, scoring ace of the Havelock team, was not to be denied, and kept his team in the lead, although only an eyelash margin.

Bud Young was the Havelock ace with nine of the fifteen points of his team to his credit while Mumm with five points for his team led. Captain Roy Turner had his old optics working and swung in four free tosses to help the cause of the Platters along. John Galloway, who is usually the chief basket getter of the locals, was unable to locate the hoop.

The tabulated score of the game was as follows:

Plattsmouth—	FG	FT	PF	TF
Galloway, f	0	0	1	0
McCleary, f	1	0	1	2
Mumm, c	2	1	1	5
Turner, g (C)	0	4	1	4

### Oil Stations of City Suffer Some Losses

Locks on Oil Pumps Broken and Quantity of Gasoline, Lubricating Oil, Alcohol Taken

From Saturday's Daily—

Last night was apparently a field for the marauders around the filling stations of the city as the Plattsmouth Motor Co. station, the O. K. Oil Co. and the O. K. Garage station all suffered in a greater or less degree, from the effects of the invasion.

The robbers apparently were satisfied with securing supplies for their cars and did not make any attempt to break into the main stations to secure money or other articles.

At the Plattsmouth Motor Company station on Pearl street, locks on the oil pumps as well as into the station were forced and here gasoline, alcohol and lubricating oil, valued at some \$25 was taken, together with a few cans and measures that happened to be in the station. This was the station that suffered the heaviest loss of the three that the robbers visited.

The O. K. Oil Co., station, a block west of the Plattsmouth motor Co. station, visited by the robbers who drove over several signs and also broke the automatic air pump that had been placed at the south of the station for the accommodation of the traveling public, but here there was no attempt made to break into the station or the oil pumps.

The O. K. Garage station on Washington avenue was visited and here the robbers broke the locks on the oil pumps and made away with ten gallons of gasoline.

There is a night man kept at the O. K. station until midnight and it is supposed that the robbers visited the stations after that time and as the loss was not discovered until much later, there was ample time for those who pulled off the robberies to make their escape.

#### Learn How to Play.

Leaders of Women's 4-H and Community clubs will enjoy learning how to play with Miss Gardner, recreation specialist from Washington, D. C., and Mr. N. W. Gaines, community specialist from the University of Nebraska.

This meeting will be held in the Congregational church at Weeping Water. This will be the only day in the county and every organized club or group is urged to send two representatives to this meeting. Games start at 10:00 o'clock.

These two recreation leaders will no doubt add ten years to the life of the club leaders, and the new ideas will be carried on to the club members.

#### Farm Records Collected.

About two-thirds of the farm records that were placed in January, 1920 have been collected. Mr. Cole and Mr. George of the Rural Economics Department, have spent seven days in the county working with county agent, D. D. Waincott collecting the records. Meetings have been held at Eagle, Alvo, South Bend, Weeping Water, Union and Nehawka. There will be a meeting at Myard on Friday, January 10th and at Louisville, at the Bank of Commerce, Saturday, January 11. It will be necessary to schedule a few more meetings for those that could not get in at the appointed time. The operators say that they like the new book much better than the old one.

#### Nebr. Type Brooder House.

The farm bureau office has loaned five blueprints of the Nebraska Type brooder house to farmers who will build new 10 x 12 houses in the spring. This house, was on demonstration at the Hinger Lumber company during the County Fair, in Weeping Water. Many poultry raisers have inspected the house and are well pleased with the general plan and especially the way it is insulated and ventilated.

The blueprints are loaned to anyone wishing to build this type of house.

#### Trees for Windbreaks.

Cass county farmers have ordered 1400 trees for wind breaks and woodlots. These trees may be ordered thru the county agent, D. D. Waincott, at a cost of one dollar per hundred. The Austrian Pine and Russian Olive are the most common varieties being ordered.

#### Corn and Hog Day.

The annual corn and hog day will be held in the Auditorium at Nehawka, Thursday, January 10th. There will be a corn show in connection with a question box on corn and hogs. Mr. Gross, Extension Specialist in Agronomy and Mr. McMill, Ass't. Animal Husbandry specialist will conduct the question box.

A banquet will be served in the evening. Mr. W. W. Magee, president of the Nebraska Crop Growers Association, will be there to present the medals to the winners of the county Corn Yield Contest.

All of these winnings were out of one litter of seven, excepting the pen of barrows which won first in open class at Ak-Sar-Ben. This pen was also reserve grand champion pen over all breeds.

Vincent won 64 ribbons and a total of \$196 in prize money. This litter netted Vincent \$345.10 above feed costs. Beside this he won a silver medal for showmanship and the 4-H club Master Feeder Certificate at the Ak-Sar-Ben. Vincent has only been in club work four years and is fourteen years old, but he plans to continue and hopes to make more winnings in the years to come.

Nebraska had many such club members the past year. Twelve thousand, five hundred, seventy-one boys and girls were enrolled in 4-H clubs in 1920. This was a 47 per cent increase over the 1928 enrollment. The completions were three per cent higher in 1929 than in 1928.

Cass county's enrollment last year was 523 but it should be increased this year. A club planning day is to be held in the near future and it is hoped that every community in the county may be represented at this meeting. Watch the papers for future notice regarding the meeting.
