Catholics Plan Big Gathering

National Eucharistic Congress in Omaha in Sept.—Thousands from All Parts of Country

Omaha, April 5.—This city will be the mecca next September for thousands of clergymen and lay members of the Roman Catholic church, here to attend the first national eucharistic congress the church has held in the United States in twenty years. Dates for the congress are Sept. 23 to 25.

About one half of the 17 archbishops and 194 bishops in the United States have already signified their intention of attending. Bishop Joseph F. Rummel, of Omaha said. In addition, there will be several thousand monsignors and priests.

Attendance may rival the International eucharistic congress held in Chicago in 1927 and attended by churchmen from all parts of the world.

Railroads have promised reduced rates from all parts of the country. Special trains will be made up at Chicago for eastern delegates.

Cardinal Fumasoni-Biondi, apostolic delegate to the United States will be here as personal representative of the Holy Father, who will cable his benediction and best wishes to the assemblage.

Cardinal George Mundelein of Chicago will be principal speaker at a monster mass meeting to be held in Creighton stadium in the evening of Sept. 24. His subject will be "The Blessed Eucharist and Catholic Action."

Another feature will be a public hour of adoration of the Blessed Sacrament at each of the city's 36 churches, to be presided over by a bishop, archbishop or other high ranking clergyman.

"Purpose of the demonstration is to install deeper reverence and understanding of Christ, the Eucharistic king, into the hearts and minds of our people," said Bishop Rummel. "In this materialistic age, we feel that such public demonstrations are highly desirable."

Others who are to have a prominent part in the program include: Rt. Rev. Joseph Schrembs, Cleveland; Archbishop Francis Beckman, Du-

buque, Iowa; Rev. Edwin Ryan, Catholic university, Washington, D. C.; Rev. Edward K. Cantwell, head of the Redemptorists order in this country; Bishop Charles D. White of Spokane, and Judge Manton, prominent New York Catholic layman.—State Journal.

HUMMEL LEADING AT OMAHA

Omaha—With returns completed in 151 of 293 precincts here late Tuesday night, the present seven city commissioners were listed among the fourteen apparently nominated for the city offices.

Two of the present commissioners, however, were running below the first seven. Park Commissioner Hummel was leading the thirty-two aspirants with a vote of 23,974 from the 151 precincts almost assuring him of the leadership. Mayor Metcalfe, with 19,578, was running neck and neck with Street Commissioner Noyes for second place. The latter had 19,118.

Roy N. Towl, an engineer, and Dan B. Butler, former fire and police commissioner who was defeated in 1927, apparently had displaced Police Commissioner Dunn and Public Improvements Commissioner Koutsky among the first seven in the fee of returns from 151 voting place.

U. S. FLIERS WILL FLY OVER EUROPE

New York, April 8.—One former and two present army fliers will sail Wednesday night for Greece on the liner Vulcania to make a tour of European and Mediterranean countries demonstrating American fighting and commercial planes.

The fliers are Lieut. James H. Doolittle, former army test flyer; Capt. John K. Cannon and Lieut. James E. Parker, the latter two on leave from the United States army.

Four planes, a Hawk, a Falcon, a Fledgling and a Robin cabin plane were shipped two weeks ago to Athens, where the tour will start.

PREDICTS BUSY YEAR

Milwaukee—With more men employed than at any time during the history of the company and first quarter orders increased almost a million and a half dollars over last year, the Allis-Chalmers company, manufacturers, looks forward to its greatest business year, Otto H. Falk, president, said Monday.

Activities in High School as Year Closes

Young People Are Facing the End of School Term in the Next Few Weeks.

Speed tests given for the month of March found several members of the commercial department of Plattsmouth high school winning awards. Mr. Starrett announces that on the L. C. Smith machines, Chas. Nowack was awarded a silver pin for 50 words per minute, Clara Olson and Earle Koebler bronze pins for 44 and 42 words and Evangeline Craig a certificate. Remington awards were won by Alice Taylor and Laura Grassman who received silver pins for 48 and 47 words and also Francis Ulrich who wrote 45 words. These people are all members of the advanced class in typewriting.

Senior Play.

The Senior class as part of their commencement program during the month of May will present "New Brooms," a clever three act comedy-drama by Frank Craven. It is a royalty play of Samuel French and Sons and was copyrighted in 1925, thus making it a recent production.

The play is a clean and entertaining production dealing with and appealing especially to fathers and sons as the plot revolves around the difference of ideals of a wealthy broom manufacturer and his son. The play will be directed by Miss Mary Jéne Tidball. The cast of characters will be selected in open try-outs tonight. Further announcement in regard to the play will be forthcoming in the near future.

Track Meets.

Track now occupies the center of athletic attention on the hill. Coach Rothert has scheduled a dual meet with Nebraska City to be held at the Otoe county seat on Friday. The Platters hope to take part in the First Southeast Nebraska meet to be held at Peru on April 19 and the M-I-N-K meet to be held at Peru on May 2nd. Coach Rothert has not uncovered any sensational material thus far but hopes to have a fairly representative team.

Junior-Senior Banquet.

One of the most important functions of the commencement season is the annual banquet given by the Juniors in honor of the Seniors. This event will be held at the American Legion building on the evening of May 3rd. The class sponsor, Mr. Carl Cunningham and his committee have been organizing this big affair in a splendid manner. The committee chairmen are as follows: Patricia Perrie, decorations; Maxine Cloldt, menu; Jean Hayes, orchestra and invitations and Richard Spangler, hall and arrangements.

Honor Groups.

Each April, members of the two honor societies of the high school are announced. These are the National Honor Society composed entirely of Seniors, with special emphasis on scholastic standing and the Citizenship Group with special emphasis on school citizenship and personality. The latter is composed of a certain per cent of each class and are nominated and chosen by the high school faculty. In addition to this, Honor Commercial certificates are awarded those completing the commercial requirements in addition to a marked degree of aptitude and stenographic ability. These honor groups will be announced within the month.

ACHIEVEMENT DAY FOR THE MERRY WORKERS

Last Wednesday, April 2, marked the annual Achievement Day meeting for the Merry Workers club, of Mynard, and the meeting and display was held in the Mynard Community hall, from two until five o'clock p. m. There was a very fine exhibit of the many articles made during the year by the members of the club. This annual occasion is open to any and all visitors wishing to attend, and there were about thirty visitors present, and partook of the refreshments served during the afternoon. Games of various kinds were played, and the gathering was favored with a choice piano selection by Dorothy Dreucker. The county director, Miss Baldwin, of Weeping Water, was present, and also county chairman, Mrs. Henry Tool, of Murdock, and Mrs. Capt. Gayer, from south of Plattsmouth. This meeting marked the closing of another pleasant and profitable year for the Merry Workers club.

Notice of Distress Warrants

Distress warrants issued by the County Treasurer of Cass Co., for the collection of delinquent taxes have been placed in the hands of the sheriff, as provided by law, and any one knowing themselves to be indebted to Cass Co., for personal taxes will take due notice, for due diligence will be exercised for the collection of same.

Signed, BERT REED, Sheriff of Cass Co. Nebr.

SEED OATS

Extra good seed oats for sale. Call 3903.—Sam Gilmour.

County Judge Dierks of Otoe county and Attorney L. B. Peterson of Nebraska City were in the city for a short time Tuesday attending to some matters at the court house with Judge James T. Begley.

FUNERAL OF MRS. DABB

From Tuesday's Daffy—The funeral services of the late Mrs. Mary Ann Dabb were held Monday afternoon at 2 o'clock at the Sattler funeral home where a number of the old time friends and neighbors had gathered to pay their last tributes to the departed lady.

Rev. H. E. Sorter, pastor of the First Methodist church had charge of the services and gave words of comfort to the members of the family and a tribute to the long time resident here that had gone to the last long rest.

Mrs. E. H. Wescott sang two very beautiful numbers during the service, "Face to Face" and "How Firm a Foundation." At the close of the service the body was borne to the last resting place in Oak Hill cemetery where the other members of the family are at rest. The pall bearers were selected from the Masons and old neighbors, they being, W. A. Robertson, W. F. Evers, Fred G. Morgan, H. E. Becker, A. H. Duxbury and F. A. Cloldt.

Fashion Show Soon to Feature Spring Season

Merchants Exposition and Trade Show Promises to Be Best Yet, Says the Promoters

Who's wearing what, and how, is one of the things that the Merchants Exposition and Trade Show which opens on April 23rd to continue over the 26th, will demonstrate to the public, but whether the dainty things for the spring and summer will be confined to the ladies has not been broadcast by the committee in charge, of the business houses that will take part.

The committee that is looking after the arrangements of the show, however, are promising that it will be bigger and better than the '29 show, if that is possible, and it will be a real show, as the last offering of this nature was a very great success in the showing of the latest and best of season's fashions as well as many other showings by the merchants of the city.

Remember the dates and prepare to take in the whole show, all of the special offerings of the local business houses and the high class

entertaining features that will be provided to help make dull care taking and happiness radiate from the big Merchants Exposition and Trade Show. The committee promises that there will be plenty of dancing, so hot, for the lovers of this indoor sport.

HAS FINE POSITION

George Morrison, who was here to attend the funeral of his grandmother, Mrs. Mary Ann Dabb, is in charge of one of the large plants of the Monotype company and with which he has been for a great many years, securing a marked success in his line of work. Mr. Morrison first became interested in the Monotype when a boy working on the Evening News in this city, where for a short time one of the machines was in operation. After the experience here Mr. Morrison secured a position at one of the branch offices of the company and has since become one of their most valued men. Mr. Morrison is at this time located at Chicago at the large plant of the company there and where he holds the position of superintendent.

Mrs. Emily Morrison, mother of George, of Blair, came in also to attend the funeral and spend a short time here at the old home with the many friends of years standing.

BIRTH RATE FOUND LOW

Paris—Peace time France was brought face to face Tuesday with the fact that deaths have shot almost as far ahead of birthdays in numbers as in the years when the war torn nation was fighting on the battlefields of Europe for its very life. More deaths, fewer births, fewer marriages, and more divorces in 1929 is the gist of the findings of an official report made public Tuesday by Francois Poncet, under secretary of state for national economy.

The figures, showing that deaths exceeded births in 1929 by 12,564, struck consternation into the minds of many Frenchmen.
