A DISCOVERY-AT HOME

Even people who take things easy read about the return of the Byrd of moral decay and disintegration. are likely to draw the line at castor expedition than it was to read about its spectacular explorations.

The party's first reappearance in When prohibition, the naval par- civilization seems to have been quite mere business of sitting down to a supply of money is plentiful.

They had none of these things in the Antarctic. Now that they are returning to them they are reveling in them. They are discovering that the ordinary, taken-for-granted events of daily living are genuinely thrilling. And it is quite possible that that is the most important discovery of the

For a polar continent, after all, is not a very useful thing. It is surthe menace of sudden death, hemmed in by eternal loneliness, and all of that; but a few intrepid wanderers over it, take photographs and jot It is only a by-road.

This other discovery, howeverwell, it would almost be worth traveling to the bottom of the globe just April, 1930. to make it. For most of us never quite get in on it. We plug along from day to day, doing the same old job and going through the same old routine, wondering, now and then, what it may all be about; and we never realize-until it is too latethat we are living in the midst of marvels and wonders, partaking of daily miracles, treading on infinite mysteries.

see the glory of every-day life-because we see it too often. It is an old granted.

in great events, perform great deeds, of May, 1930. ourselves to disappointments. For April, 1930. daily round is all there is; all there ever will be, to the end of life. If we bank on the spectacular we shall inevitably be stung.

Once in a while, though, we make the great discovery. We find that this daily round, so hackeyed and familiar, is-incredibly-enough. It contains richness and depth beyond our dreams. It can satisfy us, if we only open our eyes to it.

THE WORKERS' CHURCH

the spiritual needs of the busy, but possibly devout, working-man? This eration at the hands of eminent church leaders all over the country.

A writer well observes in this connection that "urban growth has created a religious situation now frankly recognized by church leaders, who see great city areas virtually abandoned by evangelical denominations once dominant in every stratum of American life."

Churches have followed the tendency of the age and have effected mergers, or have moved into financially better neighborhoods-and the wage-earner is more and more shoved out of the religious field.

This is a losing of ground in an States cannot afford to do so, unless it is wished to invite the evils which have followed in the train of Bol-
