What 90 Farm Records Show. Summaries for the ninety farm record books completed in the county for 1930 show very poor returns other river points as a great many

compared with 1929. The average labor and manageter all the expenses, depreciation and 5% interest on the investment had been deducted. Compared to this figure is a minus figure of \$1,004.00 most profitable was \$37.00.

The rate earned on the investment The new owners took over the hand'- on the average of the 90 farms was .37%. The average for the thirty evening and were busily engaged in most profitable was 3.19% and for thirty least profitable was

The highest farm in the group paid 7.37% and the lowest 6.63% The average of the 109 farms in

There are the chief reasons wh Cass county farms did not pay as large a rate on the investment in 1930 as in 1929:

First-is the lower prices received | or products sold. Second-is the poor crop yield.

Thira-is the 'shrink" in inven-

In the case of number one, very little can be done by one individual toward raising the price of farm products, however some have taken advantage of the seasonal market fluctuations, as, in the case of hogs the seasonal market is generally highest in September. Some farmers, by the use of hog lot sanitation, were Extra early white, red cob, shelled able to get their spring pig crop to than ever with the new feeders and and graded, \$2.50 per bushel .- C. C. 200 pounds in six to seven months and in this wey received from nine to ten cents per pound compared to six and a half to seven and a half in November and December when the heavy runs came and the market

> was the lowest. The case of the crop yields, of course, was beyond control because of the lack of moisture. The shrink in inventory was the loss taken on livestock and grain from the first of the year to the last. Although this might seem like a paper loss itw as An offering of well bred, vac- an actual one. If prices do not go below the present level this loss will In conclusion we might say that Cass county farms were not paying year .- D. D. Wainscott, Jessie H. Baldwin, County Extension Agents.
