Have Wonderful Picnic.

Greenwood as host of the Veterans of Foreign Wars, sure did the act of entertaining the gathering which met in Greenwood on last Sunday, for they prepared a fine place for the celebration and seen to it that every courtesy was extended for the comfort of the visitors, who came in hundreds. The park was amply provided with tables for the dinners which were served. Besides the ball game which was a feature of the day, there was band concerts and much good music by the Greenwood band and other amusements and sports for all. A very finely appointed program was had with fine array of good speakers who besides the very fine addresses which they made, also instructed all who desired about their deserved and desired compensation for their services and also for those who were entitled to assistance by reason of their injuries. Taking the gathering all in all, it was enjoyed by the nearly a thousand people who had come to get together and enjoy the day.
