INSURE YOUR PROFITS

Keep your grain in weather-tight, rat and fire-proof bins. Avoid shrinkage and waste while you wait for higher market. They pay for themselves the first year, say thousands of satisfied users of Red-Top grain bins! They are convenient, safe, and most economical. A 10¢ advance in the price of your wheat will pay for a 1600 bu. bin.

PORTABLE...RIGID...

Body sheets are strengthened by vertical corrugations and horizontal swedges. Roof is stiffened by raised box joints. Port holes above the door and in the roof enable Red-Top bins to hold the maximum capacity as well as filling direct from the thresher. Ventilating tube, steel door-board with sacking spout and hooks, and scoop board are standard equipment. Made in sizes from 500 Bu. to 2150 Bu. capacity.

Assure your stock of a plentiful supply of water at all times...no worry of leaks or caved-in side walls. Made in both round and round-end style with patent tube top, reinforcing triple swedges, and double lock-seam bottom.
