the outstanding member of the Citi- band and two children, with the lit- will be given from the available resi-Crook, from Plattsmouth, a prize of her mother Mrs. B. Dill, of Murray, by congress early this year for farm The award of the prize is made on in death two years ago. Five sisters, drouth which devastated portions of the southern states. About 15 mil-An apparently optimistic view of

the situation was taken by Mr. Hoover. He said that the problem was minor compared with that last year and added it would be taken care of. The president said:

"I have directed officials of the department of agriculture to undertake, in co-operation with local and state authorities, such co-operation as may be necessary to meet the situation created by local drouth and grasshopper destruction in the northwestern and central states. The department is engaged in a survey in the light of the changes in the last two weeks. The area affected embracescertain counties in Montana, North and South Dakota, and local sections of Iowa, Nebraska and

Minnesota. Some Assistance Given. "While suffering within the areas affected is acute, the extent of the drouth and damage is comparatively minor to that which we confronted and surmounted last year. The federal government has already extended assistance in some portions of those localities and the Red Cross is actively engaged in re-

lief work. "Secretary Hyde is in touch

with the situation. 'National and local resources are available and the problem will be taken care of." .The survey, under the direction of in a week or 10 days. Its findings

An encouraging factor today was report of rain in sections of North Dakota, Montana and South Dakota some aid probably would be needed

Rain Reports Encourage.

Relief loans from government funds have been made in North Dakota and Montana and a decision on requests from South Dakota may come soon. The loans outstanding. however, have a time limit of August 15 and their extension may be

Repeated requests for the agriculture department for funds to use in combatting the grasshoppers have been met by the statement that no money was available for that purpose. World-Herald.

### KERCHIEF CAUSES ALARM

Des Moines- Please don't blow your nose when you enter a bank. The request is addressed particularly Bank and Trust company of Des Moines by four carloads of policemen and detectives. The reason is given that a clerk on the balcony saw a man enter with what appeared to be a mask over his face. The clerk "What beats a thick Turkish car- sounded the burglar alarm. #### CALIFORNIA GOLD LEADER

Washington- Gold and silver valued at \$66,785,629 were produced in the United States and the Philippine islands in 1930 with gold ecounting for \$47,247,600.

Announcing these figures, the bureau of the mint said that of the total of 2,285,603 ounces of gold ed at \$8,420,800, while California led the way in gold production with 450,289 ounces valued at \$9,308,300, South Dakota produced 406,297

junces valued at \$8,398,900. Utah led in silver production with 14,451,266 ounces valued at 9.710.150 ounces valued at \$3.738 .-408 and Montana 8,596,966 ounces valued at \$3,309,832. The 1930 gold in 1929 while silver showed a de-

## New York's Sidewalks Under Shotgun Rule

in Relentless Hunt for Baby Killers

New York, July 31 .- In relentless war against the gangster baby-shooters of little Italy, Police Commissioner Mulrooney announced that the sidewalks of New York would go under shotgun rule ae 6 o'clock to-

From 6 p. m. tonight until further notice, Mulrooney said, detectives would patrol the whole city in automobiles armed with high range shotguns.

"We will meet force with force and guns with guns," he said. Previously the motorized detectives have patrolled the city only from midnight until 6 a. m., and have carried only their service pis-

At a police meeting last night Commissioner Mulrooney called on his force of more than 13 thousand men to bring in the gangsters who killed one child and wounded four others on the crowded sidewalks of East One Hundred and Seventh street to account and ordered them to shoot above the waist.

Mayor Walker's singing remark to the policemen was: "Drive the dogs who were guilty of the killing of one of these little ones-drive them out for the protection of your own children. Find the perpetrators and bring them back dead or alive, This shooting was a diabolical thing.'

The American Legion in a letter to Mayor Walker offered to place 30 thousand men at the disposal of the city to help rid it of gangsters. The legion said it was ready to organize vigilante committees if necessary.
