DON'T be FOOLED by Tricky SALES TALK

DON'T be misled by challenges—guarantees—laboratory analyses—price comparisons—claims of 25% savings—made by distributors of special-brand tires.

A recent example of a grossly misleading and extravagant statement by a distributor of special-brand tires is—"Mount one of our tires on one wheel of your car and a tire of any other make on the opposite wheel. If our tire does not give you equal service at a saving up to 25% in price, we will give you a new tire free."

This statement can be made for only one purpose—a desperate effort to gain your confidence and sell you a tire before you have had time to think about the ridiculousness of their challenge, which asks you to buy one of their tires and go to another store and buy a tire—have it mounted on the opposite wheel—then turn yourself into a tire tester!

Firestone don't ask you to run test cars for them—they have twenty-nine test cars of their own, running day and night, on which they test Firestone Tires and other makes, including special-brand tires, and we have the proof of the safety, quality and extra values of Firestone Tires before you buy.

Drive in today—examine sections cut from Firestone Tires and special-brand mail-order tires—see for yourself the two extra plies under the tread which give you extra protection against punctures and blowouts—compare the construction and quality—don't be fooled by misleading advertisements. We will give you safer, more dependable tires at no greater costs.

OBITUARY

Hannah Ann Long, nee Sanders, was born May 11th, 1853, at Hackney, Morgan county, Ohio, and departed this temporal life near Nehawka, Nebraska, on August 19th, 1931, at the age of 78 years, 3 months, and 8 days. In early childhood and youth, she departed attended the public school of her community and the M. E. Bible school and church. In 1883, she deceased came to this community where she found employ-

ment in several homes doing domestic work. Here she met and became acquainted with Mr. Abraham Long to whom she was very happily wedded on Feb. 8th, 1885, and who preceded her in death in 1929. This happy union was blessed with one son, Charles, who survives the mother, and one daughter, Olive, who preceded the mother in death some years ago.

In 1887, she with Mr. Long moved to a farm near Murdock, Neb., where she lived and made her home for many years. While living at Murdock, she departed became affiliated with the M. E. church of which she was an active member while her physical strength permitted. Several years ago after the death of Mr. Long, she made her home near Nehawka where she quietly and peacefully passed away. Her work is done and her labors are o'er. Her life was long and useful and she was ever industrious in the development of the community and the upbuilding of God's kingdom. She will be greatly missed for her place will be empty. She loved her Bible and was much concerned in the spiritual welfare of her family.

She leaves to mourn her demise, one son, Charles. All her brothers and sisters preceded her in death and she was the last of her generation; many relatives and friends and associates. Funeral services were held at the home of her son, Charles, at 1:30 and at the Evangelical church at Murdock at 1:45. Rev. H. R. Knosp in charge of the services.
